B. W. COCHRAN HAS just opened a great variety of CURTAIN BANDS, POLE, RINGS and ENDS of the most fashionable patterns. Dec. 9, 1843.

THE celebrated Life Pills and Phoenix Bitters, prepared and sold by Dr. Wm. B. Moffat, 375, Broadway, New York may now be said to be the most respectably established and extensively adopted family medicines in the United States. They have not only won the sanction and recommendation of all the candid and philanthropic portion of the medical profession, who have observed their invariable efficacy in general derangements of the stomach and bowels, and their astonishing effects in many varieties of acute and chronic disease, but who is far better, these medicines have recommended themselves, and fully and fairly achieved the distinguished and now certainly pre-eminent position which they now occupy in public and domestic estimation. They are proved by their works, and make no appeals to vulgar credulity. If the proprietor were disposed to make an invidious comparison between these self-established medicines and any others, he might confidently assert and challenge contradiction that there is no medicine known to the medical profession, or named in their books, concerning which so many clear, unquestionable and conclusive evidences of usefulness and remarkable cures are recorded as those which he can adduce concerning the Life Pills and Phoenix Bitters. If it be admitted that sufferers are the best judges as to whether a remedy has relieved them and restored them to health and strength, then is the evidence in behalf of these medicines decisive and irresistible. Dr. Moffat is in possession of an immense accumulation of voluntary testimonials from respectable persons and families in all parts of the Union, far and near, who give their names and residence to the unsolicited statement that they have been completely and speedily cured of the following diseases, and of many others not here enumerated, by these Life Medicines alone, when other medicines had been long employed in vain, viz: Scrofula, in its most dreadfully advanced and destructive stages, when large portions of the flesh and bones of the face had been destroyed; Piles of five, ten, twenty, thirty and even thirty-five years standing; Rheumatism, both acute and chronic, of the most hopeless character; Turgescence of the Liver, and various other liver complaints; Bilious Cholice, and every conceivable variety of bilious affections; Marasmus of the Face, or Decline, and Marasmus Phthisic, or Consumption, in more advanced stages than any on record; Dyspepsia, in all its chronic and acute varieties, with its frightful train of distressing symptoms; Worms of all kinds, both in children and grown persons; Diarrhoea, both serous and bilious; Costiveness, both habitual and occasional; Fever and Ague, in its three principal varieties, and intermittent and remittent fevers, of all kinds; Hypochondriasis, and other extremely complicated nervous affections, with nervous debility in general; Salt Rheum, Running Scald, and eruptive diseases generally, including Eanthesis, Erysipelas or St. Anthony's fire, and scallous, unhealthy complexion; Palpitation of the heart, and Determination of blood to the head, settled pains in the organs, limbs, back, head and side; affections of the bladder, kidneys, spleen, throat, and pleura; jaundice, dropsy and gout; together with those general affections of the system which arise from complicated causes.

The certificates of these cures are in the proprietor's possession, and will readily be shown to all who desire to see them. A small selection from them have been published in Moffat's Medical Manual, of which a new and enlarged edition is preparing for the press. The reason why these medicines, which in ordinary family use operate merely as mild and effluvia laxatives, cure so great a variety of formidable diseases is, that while as cathartics, cleansing the alimentary canal, and relieving the liver and the absorbent vessels of all impurities, they lay the foundation for the cure of all specific diseases, they are compounded of unique and unprecedented variety of choice and exquisite ingredients, some of which are almost unknown to the profession, which exert a specific action upon many complaints, without in the slightest degree affecting the general system, otherwise than as simple purifiers, when those complaints are not present. Both the Pills and the Bitters are mild and agreeable in their operations, causing neither prostrations nor nausea, and requiring neither confinement nor peculiar diet. Their effects are uniformly to produce an immediate sense of renovated health, and new life and vigour to both body and mind. They cannot be taken without benefit, and are constantly kept on hand, not only as remedies but as preventatives of disease. They are prepared and sold wholesale and retail, by Dr. William B. Moffat, 375 Broadway, N. Y., and also by the Agents, COOPER & BRENNER, Agents for Prince Edward Island.

VICTORIA HOTEL, CHARLOTTETOWN, P. E. ISLAND.

THE Subscriber, in returning thanks for the very liberal patronage bestowed upon him while conducting his establishment at St. John, N. B., begs leave to notify the Inhabitants of Prince Edward Island, the neighbouring Provinces, and the public generally, that he has removed to Charlotte-town, and taken that large and pleasantly situated House in Water Street, near the Queen's Wharf, which he has furnished in a neat style, and hopes, by unremitting attention, to obtain a share of public support. ISRAEL FELLOWS. P. S.—An excellent STABLE and Coach House attached to the premises. Charlotte-town, 27th June, 1843.

A RARE OPPORTUNITY of combining every kind of Mercantile Pursuit with Fisheries and Farming.

TO BE SOLD, by private contract, WATER LOTS 23 and 24, in GEORGETOWN, comprising more than Six Town Lots, and more than one acre and a half, having three fronts—on the Victoria Street, extending more than six chains; on the Harbour, an extent of 165 feet; the same on Water Street. At the corner, formed by the intersection of the two Streets, stands a two-story House in progress, 32 feet by 29, conveniently laid out for the accommodation of a Retail Trade, and a suitable Residence for a respectable household. The land is sound, and of an excellent description. Here is sufficient room for the most extensive Warehouses for storing Grain, Fish, Transit or Commission Goods, and Cargoes of Vessels arriving late in the season and shut out from other ports by the ice, as well as a Retail Store; but the Retail business must be only a secondary consideration in the future commerce of Georgetown, as there is no great extent of back country to supply. The most frequented entrance to the Town will be by the Jail, for persons on business coming from the Northward and North East. The best holding ground, the most screened anchorage, and the boldest water for a Wharf, are off Victoria Street, and there is no locality more adapted for a Fishing Establishment, should a Company be formed—as no doubt there will be—than this property.

To prevent trouble, the price is £400. It has been the disingenuous and unmanly practice of some—who said they would get it for a song—to attempt, on all occasions, to depreciate the importance and value of this property, and deter intending purchasers. Let such, in future, examine and judge for themselves.

The Subscriber also offers for sale, Pasture Lots Nos. 2, 3, 4, 21, 22 and 23, comprising Forty-eight acres. The very best and best situated of any block of Land in the Royalty of Georgetown—most approximate to the Town—a good fertile soil—fronting 30 chains on the Common, which contains several hundred acres. There is a fine Spring on Lot 23, and on Lot 2, close by, a beautiful site, on rising ground, for a Mansion House. A great part of the land is covered with fine Hardwood. This property, in connection with the above, is well deserving the attention of capitalists who desire to invest money on very improvable landed security; or of any Company who might be desirous of combining Fishery with general Commerce and Agriculture. Price, £6000, or £12 10s. per acre, which cannot be deemed unreasonable, when its peculiar advantages are duly estimated; nor is it at all figurative and illusive to anticipate that its value will rise to £100 per acre; and, in the event of a Fisheries' Company being established, the time may not be remote when it will form a pleasant suburb to Georgetown. For a view of the Premises, apply to Mr. George Parker, Lot No. One; and to treat, to the Proprietor, at Woody Grove, Township Sixty-one. J. L. LEWELLIN.

Should the above Town Property not be disposed of before the Spring, it will then be offered by Auction in Eight Building Lots; or the Advertiser may relinquish his favourite pursuit—Farming (as his continued and unrewarded efforts to advance this most important avocation have met very little countenance or co-operation)—and accept the invitation of his friends, to assist in forming an Establishment such as is above alluded to. N. B. Sometime since a Town Lot, without any water privilege, was purchased for £100—not many years before, it sold for Four Pounds!!! Recently, Half a Town Lot, with a store on it, or low Building, realized at Auction, about £200. This does not look like depreciation!!! Georgetown has a free port. J. L. L.

FOR SALE.—About 18 or 20 acres of excellent Land, situate in Charlotte-town Royalty—one half cleared and in a high state of cultivation. There are a good Draw-well and some small Buildings on the premises, which are within three and a half miles of Charlotte-town, and half a mile from the St. Peter's Road. It is bounded on one side by the road leading from the St. Peter's to the Princetown Road, and in front and rear by roads coming out to the St. Peter's Road; on the other side by a ditch. Apply to JOHN WHELAN, on the premises, or to EDWARD KICKHAM, Charlotte-town.

THE SUBSCRIBER being about to leave this Island, requests all persons indebted to him to make immediate payment to Mr. WILLIAM A. WELSH, who is duly authorised to receive the same. CHARLES WELSH. Queen Street, Charlotte-town, } October 25th, 1843.

A CURE! FOR ALL!! HOLLOWAY'S OINTMENT. PILLS. HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF A CASE ABANDONED BY GUYS, THE METROPOLITAN, KING'S COLLEGE, & CHARING CROSS HOSPITALS. This fact was SWORN TO this 8th day of March, 1842 Before the LORD MAYOR, at the Mansion-House.

SUMMARY OF AFFIDAVIT. Wm. Brooke, Messenger, of 2, Union-street, Southwark, London, maketh oath and saith, that he (this deponent) was afflicted with FIFTEEN RUNNING ULCERS on his left arm, and ulcerated sores and wounds on both legs, for which deponent was admitted an out-door patient at the Metropolitan Hospital, in April, 1841, where he continued for nearly four weeks; at the three following hospitals—King's College Hospital in May, for five weeks;—at Guy's Hospital in July, for some weeks more; and at Charing Cross Hospital at the end of August, for which deponent felt, when he left, being in a far worse condition than when he entered. He was treated by the establishment and other medical officers of the establishment but he deponent that the only chance of saving his life was to LOSE HIS ARM! The deponent thereupon called upon Dr. BRIGHT, chief physician of Guy's, who, on viewing the deponent's condition, kindly and liberally said, "I am utterly at a loss what to do for you! but here is half-a-sovereign; go to Mr. HOLLOWAY, and try what effect his Pills and Ointment will have, as I have frequently witnessed the wonderful effects they have in desperate cases. You can let me see you again." This unpropitiated advice was followed by the deponent, and a perfect cure effected in three weeks, by the use alone of HOLLOWAY'S PILLS and OINTMENT, after four Hospitals had failed!!! When Dr. Bright was shown by the deponent the result of his advice and charity, he said, "I am both astounded and delighted, for I thought that if I ever saw you again alive, it would be without your arm; I can only compare this Cure to a Charm!!!" Sworn at the Mansion house of the City } Wm. BROOKE of London, this 8th day of March, 1842.

Before me, JOHN PRIE, MAYOR.

The Ointment is proved to be a certain remedy for the bite of mosquitoes, Sand-flies, Chigo-foot, Yaws, and Coco-hay. Burns, Scalds, Chibbains, Chapped Hands and Lips, also Bunions and Soft Corns will be immediately cured by the use of the Ointment.

PARR'S MEDICINE, ALL THAT IS REQUIRED.

THE fine tonic properties it contains usually restore the stomach to a healthy appetite, so much envied, but so seldom enjoyed by the invalid; the gently stimulating powers it possesses assist the stomach to properly digest the food it receives; the balsamic powers it bestows, dispose both mind and body to healthy exercise, and the varied duties of life are performed with pleasure. It, in addition, contains a fine sedative quality, and instead of long and weary nights, gives sound and refreshing sleep. It acts as the mildest and most agreeable purgative, and by its cleansing powers totally eradicates a redundancy of bile, and completely removes all obstructions of the intestinal canal. The powerful balsamic and invigorating effects on the whole blood and fluids produced by these Medicines is almost miraculous; many who have kept their beds for years have been so speedily reinvigorated, that their reappearance amongst their fellow-beings, who had given them up as incurable, is looked upon as the greatest of the many great wonders of this wonderful age. Diseases of every description have been cured simply by the use of PARR'S LIFE PILLS, thus showing that what has been considered different disorders, and requiring different treatment, all originated in the same cause, and can be cured by one uniform treatment. PARR'S LIFE PILLS, although powerful in conquering disease, yet are as pure and harmless as new milk, and may be administered with confidence to the invalid, however weakly from long ill-health, who will soon enjoy those delightful symptoms of a return to strong health, viz: good appetite, sound sleep, and an increase of animal spirits. Those who have been the instruments of restoring the long-lost secret to the world, feel confident, when they make the assertion, that none need despair that, if only a fair trial be given, the result will be a restoration to health and happiness. The Life and Times of Old Parr, who lived to be 152 years of age, 32 pages, with engravings, anecdotes, &c., and Remarks on Disease, Health, and the means of Prolonging Life, may be had gratis of all the Agents for the Sale of PARR'S LIFE PILLS.

Sold, wholesale, for the Proprietor, at Morton's Medical Warehouse, Halifax, Nova Scotia, and at the Store of Messrs. LYDIARD & FINLAYSON, Charlotte-town.

THE CHEAPEST AND HANDSOMEST BOOK EVER ISSUED IN AMERICA.

A Christian Father's Present to his Family. IMPORTANT AND INTERESTING WORK, EMBELLISHED WITH SEVERAL HUNDRED FINE ENGRAVINGS.

Just Published, and for sale, wholesale and retail, at the Hat and Fur Store of G. & E. Sears, King-Street; and Booksellers generally throughout the British Provinces.

BIBLE BIOGRAPHY; or, The Lives and Characters of the principal Personages recorded in the sacred writings; particularly adapted to the Instruction of Youth and private families; together with an Appendix, containing Thirty Dissertations on the evidences of Divine Revelation, from Timpson's Key to the Bible; being a complete summary of Biblical knowledge, carefully condensed and compiled from Scott, Doddridge, Gill, Patrick, Adam Clarke, Poole, Lowth, Horne, Wall, Stowe, Robinson, and other eminent Writers on the Scriptures; embellished with SEVERAL HUNDRED ENGRAVINGS on wood, illustrative of Scripture Scenes, Manners, Customs, &c.

OPINIONS OF THE PRESS. (From the New-York Evangelist.)

"This is a work possessing many novel and uncommonly attractive features. Its appearance is beautiful. Its biographical sketches embrace the most interesting incidents and events in the lives of the principal personages of the Scripture History, woven together in a pleasing and sprightly narrative, and faithfully accompanied with excellent practical lessons. Its chief claim, however, to popularity, consists in its multitudinous pictorial embellishments.

"Something like five hundred engravings on wood are contained in the volume, many of which are costly and elegant, and in a high style of art, and none discreditably to the theme of the work. These relate to numerous ancient and oriental customs, scenes, manners, history, &c.; and while they add great spirit and interest to the objects which they illustrate, form of themselves a pleasing and profitable study. The work is a rare combination of the useful and attractive—adapted at once to engage the attention and affect the heart. We should regard its possession by families—whose children may obtain, from its striking representations of Scriptural truths and events, lasting impressions of their reality—as highly desirable. The Appendix contains thirty brief but comprehensive and excellent essays upon the Evidences and Archaeology of the Scriptures, which add greatly to the value of the work, as designed for the instruction of youth and families."

(From the New-York Christian Intelligencer.)

"This work is an attractive one, not only from the very numerous neat embellishments which pervade it, but from the interesting matter which it comprises. It furnishes lives of the principal characters of the Old Testament, with accounts of the Creation, Deluge, Dispersion of Man, &c., and an extended life of the Saviour, comprising the outlines of the Gospel History. The whole is in a spirit and form well adapted for practical usefulness and spiritual improvement. The numerous historical and landscape illustrations of the sacred volume introduced into this work, will prove both amusing and instructive, to the young, especially, and it will be an entertaining and useful volume in the family. The illustrations are neatly executed on wood. The last hundred pages contain Thirty Dissertations on the Evidences of Divine Revelation, from Timpson's Key to the Bible, &c., and are exceedingly valuable. The work is in large octavo, with closely filled pages, and highly decorated by the very numerous illustrations and the binding. It will no doubt meet with a popular demand."

(From the Boston American Traveller.)

"SEARS' BIBLE BIOGRAPHY is even more finely illustrated and beautifully ornamented than his previous works. The typography is clear and plain, the paper and binding handsome, while the gilded figures give it a rich and tasteful appearance. The literary contents are connected biographies of all the principal characters in the Bible. These are well written, and the whole illustrated with several hundred engravings.—An appendix is also added, containing some interesting essays upon subjects of importance."

"This work, from the information it gives respecting Eastern Habits, Manners, Countries, Animals, Scenery and People, all of which are doubly illustrated, by language and pictorial representation, will prove a valuable addition to Sabbath School and Family Libraries.

"There is no series of works, at the present day, of more practical importance, and deserving better encouragement, than that of Mr. Sears'. His design is to add to, and extend the interest of the Bible—to place its truths and valuable precepts in an attractive light. It is often remarked, that the young of the present age, though so intelligent, know less of the Bible than children fifty years ago. The reason has been, that their hands have been filled with popular and pleasing books, adapted to their capacity, and rendered attractive by illustrations and beautiful executions, while the Bible has laid neglected by all its golden tales, and thoughts, and truths, concealed in the sober and formal phraseology of King James's long-winged divines. Mr. Sears, by giving them a popular form, has conferred a great favor upon the young, and indeed upon all classes."

From the Boston Transcript.—"Altogether it is one of the most elegant works of the season, and must prove the most useful ever issued from the American press."

From the Boston Times.—"An elegant work of five hundred pages, and containing about 500 engravings. The contents of the volume appear to be sound, judicious and interesting. If this book meets with a circulation commensurate with its merits, it will be found in every dwelling in the Union."

Persons in the country would do well to procure a subscription book, and obtain at once the names of all their friends and acquaintances, at least, as subscribers to this valuable sacred gem. Will each Christian friend who complies with this request have the kindness to inform the publisher how many copies will be wanted for his neighborhood, by mail, (post paid), as soon as possible? It is the publisher's intention to spare neither pains nor expense to introduce this entirely new and original volume into every family in the British Provinces, where the Holy Bible is read and respected.

This beautiful and interesting Work consists of one large octavo volume, of about 500 pages, printed from new and elegant Bourgeois type, on the finest paper. The price is fixed at \$2.50 per volume, handsomely bound in gilt, and lettered.

All Postmasters and Newspaper Agents, throughout the British Provinces, are respectfully requested to act as Agents. The book may be procured at New York prices, by the quantity, on application to G. & E. Sears, St. John, N. B.

ALSO, FOR SALE AS ABOVE, The well known and popular Work (in three volumes) entitled—

"Pictorial Illustrations of the Bible, and Views in the Holy Land," forming an Illustrated Commentary of the Old and New Testaments. Each volume contains 200 Scriptural Engravings, and 400 pages of interesting Letter-press descriptions.—Price \$6 for the set, or \$2 for a single volume.

ALSO, JUST PUBLISHED, EASTERN ARTS AND ANTIQUITIES, mentioned in the Holy Scriptures, with nearly Two Hundred Embellishments, and containing 400 pages.

All the above Works are elegantly bound in gilt, and lettered, and will be found intrinsically valuable and useful for Families and Sabbath School Teachers.
