Fall Wedding Solemnized At St. Paul's In Summerside

A pretty wedding was solemnized recently in St. Paul's Church, Summerside, when Margaret Dora, daughter of Mr. and Mrs. Henry Bernard, Summerside, became the bride of John David Gillispie, son of Mr. and Mrs. John Gillispie, Saint John, N.B. Rev. Emanuel Richard performed the ceremony. Mrs. Thomas Perry was organist and accompanied Mrs. Gertrude Cahill as she sang appropriate wedding hymns.

The bride, given in marriage by her father, was lovely in her wedding gown of white brocade nylon, with fitted bodice, Peter Pan collar and buttoned down the back with tiny covered buttons—the street length dress featuring a bouffant skirt. The shoulder length veil was held in place by a crown with pearl trim, and she carried a colonial bouquet of American Beauty roses.

Miss Lilian Cannon, as bridesmaid, was gowned in blue nylon over taffeta with matching head-dress and carried a bouquet of Queen Elizabeth roses.

Mr. Fred Tavenor was best man.

Mrs. Bernard chose for her daughter's wedding a brown dress with beige accessories and a corsage of yellow roses. The groom's mother was attired in blue with lighter blue accessories and a corsage of yellow roses.

ELLEN'S DIARY
Barberry, Marigold, Sprigs Make Last Fall Bouquet

In wooded places which rise above the millstream on the far side of the valley, the beauty of the white birches these days stands out engagingly, as amber-crowned they shine like so many bright jewels amid the dark of the evergreen company. Now that the deciduous trees bare, the spruces and firs, the pines and hemlocks seem to claim that priority of attention, lost to them since the coming of the springtime's new leaves. But still their sober green is gemmed by the birch trees. And noting, we wonder why in our spring planting of trees we do not more often choose these natives, with their attractive white holes, and foliage so interesting and pretty.

Of our shrubs at the moment the barberry is exceptionally lovely in its hues of orange-red. We gathered sprays of it to a bouquet this afternoon, tucking in with it, last sash-like marigolds and green sprigs of "Boy's Love." And said good-bye to our blossoming.

"And what's going on here?" James asked when he came indoors after chores this evening and found us chatting in the lamp-light.

"Oh we're just wishing!" Granddaughter replied with a smile.

"And what were you wishing?" he queried.

"I wish I had... but" the laughter, "what's the use of wishing?"

"And what about you Mack?" he smiled.

Mack shook his head and grinned shyly. "I couldn't say—not right off. I'm just thinking it over."

"And you Ellen?" James chuckled.

"That things may continue as they are—the day at a time we live with the meals to get and a bit of work to do... with the lamp and firelight. And the door opening to welcome someone in." He nodded. "And isn't it good to have someone come—a name that has been on your mind?" he commented.

"And now your wish" we said. He smiled. "Mine is nothing new, Ellen. It's just the same old wish, for health. And strength to do my work. Good health is the best riches there are. There is an English saying: 'A pound is a man's best friend' and in a way" he reflected. "I suppose it is. There are the occasions when it is mighty inconvenient to have an empty pocketbook. At the same time, it's great to come to the work in the morning rested and fresh and ready for it. And that's my wish. And I'd like, too, the Fall to keep open so that no crop of any farmer or any part of it will be lost to the weather."

The children have homed now—to their house across the lane. Night, starry, but dusky with fall, is at the window. How still it is here in the kitchen.

"I wish now, Ellen," James twinkles from the old armchair. "I'd a nice cup of tea."

"Until tomorrow — — —" Diary. Good-night.

MR. AND MRS. RAYMOND JOSEPH CARRIERE
Island Girl Is Bride In Pretty Wedding At-Toronto

A pretty wedding was solemnized recently at the Sacred Heart Catholic Church, Toronto, when Edna Theresa, daughter of Mr. and Mrs. John Hazelton Sheehan, Bedford, P.E.I., became the bride of Raymond Joseph, son of Mr. and Mrs. Lucia Carriere, Toronto. The marriage ceremony was performed and the Nuptial Mass celebrated by the Rev. Father John.

For her marriage the bride chose a full length wedding gown of white lace with finger tip veil, bouquet with red roses and white carnations.

The bride's attendants were Jean MacLeod, friend of the bride, as matron of honor and Diana Carriere, sister of the groom, as bridesmaid. They wore street length gowns of pale green organza and carried bouquets of yellow carnations and roses.

Ron Stevenson acted as best man and Edward Gabriel ushered. Following the ceremony a wedding dinner was served in the banquet room of the Beach House Restaurant to fifty guests. A reception was held at the home of the groom's parents where seventy-five guests attended.

The bridal couple left to spend a week's honeymoon at Wolsley Bay. On their return they will reside in Toronto.

November Activities Planned By Provincial W.I. Executive

Meeting in the Agricultural Board room recently, the Provincial Board of the Women's Institutes dealt with many topics for the coming month's work.

All conveners were present and reported concerning their progress to date as well as their program for the future.

"Conservation of Human Life" is the study chosen for Agriculture this year. Mrs. Mutch announced and in this connection she asked that we study the functions of APEC and support it, also aid in promoting Farm Forums, Federation of Agriculture, Rural Beautification Society, etc., as well as participating in their projects.

The convener of Health and Social Welfare reported plenty of material on hand which was being prepared for the January letter—Home Economics Convention stated that programs dealing with sewing and interior decorating were requested more particularly. She called attention to the numerous requests for the Cook Book, and asked that her committee meet as soon as possible to begin working on compiling the information for the new issue of the Cook Book.

Mrs. Woodside reported that requests for letter-friends are coming in regularly, and donations for the Poster-Parent scheme continue. She drew attention to the need of layettes requested by the Unitarian Services and asked that Institutes send as many as possible to City Hall to be included in the next shipment.

Cultural Activities convener, Mrs. Campbell, asked for assistance in promoting rural dramatics. She also spoke of the difficulty in assembling names for the Memorial Book, in that many names had been received unaccompanied by dates of membership and names of the individual Institute.

Convener of Citizenship stressed the necessity of representation from Women's Institutes at the installation of new citizens, and suggested that a copy of Institute Constitution and By-Laws be presented to each new citizen following the ceremony. The usual wreath is to be placed at the Cenotaph on Remembrance Day.

Mrs. Lloyd Wilkie, past president, distributed swatches of plaids and sprigs of heather to each member of the board as a souvenir of her trip to Scotland, when she represented the P.E.I. W.I. at the conference of the Associated Country Women of the World.

Discussion followed as how best to assure that members hear Mrs. Wilkie's account of this important gathering and see the colored slides she had taken. It was decided to procure the Auditorium of Prince of Wales College on November 17 for Mrs. Wilkie's travels.

Mrs. Harold Laird expressed thanks on behalf of herself and

DOMINION STORES TO SPONSOR NATIONAL BONSPIEL FOR LADIES

An eye-catching greeting card with the words "Dominion Diamond D. Welcomes P.E.I. Lady Curriers" formed an impressive background for the "besom and stane" decorated table at a press conference held Tuesday at the Charlottetown Hotel when Dominion Stores Limited were hosts to representatives of the Ladies Curling Clubs of P.E.I.

Members from the Charlottetown, Summerside, Alberton and Montague clubs attended the conference and the luncheon which followed.

Mr. Clinton Gray, superintendent of Dominion Stores, Moncton, Mr. Gerald Murphy, manager of the Charlottetown branch, and Mrs. Barbara Roper, past president and permanent delegate of the P.E.I. Ladies' Curling Clubs made the joint announcement that Dominion Stores will sponsor a Canada wide Ladies' bonspiel to be held in March, 1960.

There are approximately 100,000 lady curlers across Canada. These are divided into the Eastern and the Western divisions. The Western division championship will be decided at Victoria, B.C., while the Eastern championship will be decided at Oshawa, Ontario. The winning division will be awarded the coveted Diamond D. Trophy.

Each member of the winning team will receive a gold brooch with the Diamond D insignia. Runner-up team members will be recipients of a silver Diamond D clasp, and each member of the winning provincial team will be awarded a silver D pin.

Mrs. Roper, Charlottetown, and Mrs. Crockett, Summerside, recently returned from a conference in Toronto when it was announced that Dominion Stores regarded it an honor to be chosen by the lady curlers to participate in this venture.
