

Halifax Atlantics Boost League - Lead With 5-3 Victory Over Islanders

HALIFAX, Nov. 18 (CP) — Halifax Atlantics hung on to first place in the Maritime Major Hockey League tonight with a 5-3 victory over Charlottetown Islanders.

An early third-period rally almost wiped out Atlantics' lead until Bill Ford took a pass from Joe Lepine to clinch the scoring. The victory moved Halifax five points ahead of Islanders while a Sydney victory at Glace Bay brought Millionaires to within two points of Charlottetown.

An injury to forward Buck Whitlock took some steam out of the Charlottetown scoring drive. Whitlock took a heavy body check from Carroll Bloom late in the first period and leg trouble kept him out of action for the next session. He returned to the ice in the third period.

A hard-driving Island forward line pressed hardest in the first two periods but their scoring punch was weak. Roy McMeekin handled 22 of his 25 stops before the third period.

Al Millar in the Charlottetown cage turned aside 18 tries. Frank King and Marcel Clements each picked up a pair of goals.

Hugh Campbell took a pass from Billy Watson at 3:18 of the opening frame to start the scoring. King and Watson added two more in the next 10 minutes.

The Hub Beaudry-Connie Bonhomme-Clements line started clicking after six minutes of play in the second. Beaudry scored the first Charlottetown goal after King had beaten Millar, while Clements

drove in the others in the final period. The five penalties handed out made no difference to the scoring. They went to Carroll Bloom, Joe Lepine, Ron Hurst, and Frank Bergeron and Larry Travis who roughed it up in the middle frame.

Line-ups: Charlottetown: Goal, Millar; defence, Travis, McLagan, Kiley, Gray; forwards, Beaudry, Hagen, Gordon, MacKenzie, Whitlock, Hurst, Bonhomme, Clements. Halifax: Goal, McMeekin; defence, Lepine, McNeil, McLaughlin, Bloom, Hayes; forwards, King, Campbell, Watson, Ford, McPhee, Gould, Bergeron, Hollett. Officials: Gillis, Power Beazley.

Keen Interest Shown In Toronto-Hamilton Game

TORONTO, Nov. 18 (CP) — "Remember Edmonton Eskimos" is the talk in football circles tonight, eve of the Big Four title clash between Toronto Argonauts and Hamilton Tiger-Cats.

The fans recall vividly the resurgent Eskimos who came up off the ground to smother Calgary Stampeders and then Winnipeg Blue Bombers in the Western Canada Conference playoffs. The situation is somewhat similar in the Big Four showdown series.

Argonauts go into the game here tomorrow afternoon with a 16-point bulge, built up on their stunning 22-6 victory over the Bengals at Hamilton last Saturday in the first tilt of the two-game total-point series. The "Eskimo Story" can happen here in the 60 minutes.

Can Still Beat Argos
Carl Voyles of the Tiger-Cats figures his Bengals can still beat Argos by a sufficient margin to move into the sudden-death eastern final with Sarnia Imperials, Ontario Rugby Football Union champions, on Saturday.

You can't underestimate either the Argos or Tiger-Cats. Argonauts probably the greatest money team in football, can come up with the big ones—something that has been demonstrated in recent years.

They have won the Big Four and Grey Cup four times in post-war years, a couple of times with clubs that the side-line quarterbacks wrote off early in the season. The Tiger-Cats, with powerhouse last year and again this season, have been knocked kicking.

The Bengals, who have pulled a couple out of the hat over Argonauts with last-halves drives this season, haven't had a shot at the Grey Cup final since 1935. And that is a sad memory for fans of the mountain city.

That was the year Winnipeg Blue Bombers staged what has been considered the sports upset of the half century by whipping Tiger-Cats 18-12 in Hamilton. It was the west's first triumph in the cup classic.

The field has been covered by the now-famous \$12,000 Canadian Rugby Union tarpaulin since Sunday and Monday's all-day rainfall did no harm. Interested spectators will be line coach Joe (The Toe) Aguirre and head coach Frankie Filchok of the Eskimos. They will return to Edmonton Thursday to prepare the Eskimos for their first appearance in the Grey Cup since 1922.

Newman Club Hoop Team Wins From Q.S.S. 64-44

The Newman Club Basketball team defeated Queen Square School 64-44 last night to move into a first place tie with the Basillea Youth Club in the C. Y. O. basketball league. The game was played in the Holy Name Hall.

The Newman Club, led by Lorne MacGuigan and Marcel Berard, moved into a 42-32 lead in the first half and then outscored their younger opponents by ten points in the last 20 minutes.

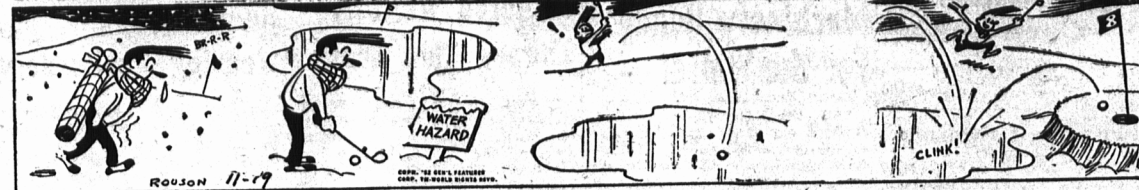

Lorne MacGuigan scored 34 points in leading the Newman Club to victory. Berard had 17 points and Millins nine. Landrigan of Q. S. S. with 17 points was high man for the losers. MacQuarrie scored nine points while MacDonald and Kane each had eight.

The game was handled by Wendall Gillis. Line-ups: Newman Club, Connors 6, Revell 4, Berard 17, MacGuigan 34, Reid 0, Mullins 9, Gillis 0. Q. S. S., MacQuarrie 9, MacDonald 8, Landrigan 17, McGonnell 2, Kane 8.

LITTLE SPORT

In This Corner

A spokesman for the Islanders Boosters Club announced last night that the members were meeting with good response in their efforts to secure funds for the purchase of a defenseman from the Providence Reds and a centreman from a Central Canadian Hockey Club.

Both players are badly needed as they demoralized last night in Halifax. The loss of Buck Whitlock through an injury in the second period left the Islanders with only one centre. Although Buck was able to come back late in the third period it is doubtful if he felt like playing much hockey.

As a result Hub Beaudry was the only regular centre left on the team. Hub helped set up all the Islanders goals and apparently did a quite good night's work but there's a limit to how far he can go especially against a defense that hits with the authority of those Halifax blue-line defenders.

The Islanders need a hard hitting defenseman to counteract those rival bumpers and it is hoped that the Boosters Club money and Providence can supply the answer.

The Islanders arrived back in the City about two o'clock this morning from their Halifax trip. This afternoon they will take off by plane again for Sydney and a game with the Millionaires tonight. The Islanders have been picking up a lot of points at the expense of the Sydney team lately and have been winning their share of games in the Sydney rink.

There are a number of vacant seats in the plane and fans wishing to accompany the team can do so by calling the Forum today.

A third wicket for selling seats at the Forum will be opened for Friday night's game against the Glace Bay Miners, it was announced last night by Bill Brown. The three wickets will be kept in operation for the balance of the season in order that fans may receive the fastest possible service just before game time when there is usually a big rush. Holding seats for people from rural areas and rural orders will be sold at one wicket with the general sale tickets being on sale at the other two.

Provided there is no snow on the ground this afternoon the Saint Dunstan's University football team will hold their second practise since they won the Maritime Intercollegiate championship a week and a half ago. The Saints will be working out in preparation for their game Saturday with the Halifax Wanderers in which the McCurdy Cup will be at stake. President Don Grant of the Maritime Rugby Union has ruled that the game be played at Sackville and this will give Saints supporters an opportunity to see the game.

The big win for A. J. MacAdam's Saints was the intercollegiate title but they are quite determined to follow up and take the McCurdy Cup which has spent many of its years in Cape Breton as the possession of either the Caledonians or St. F. X. This is the first time that the Saints have ever had the opportunity of playing for the McCurdy Cup as it is the first time that they have been Intercollegiate Champions.

Coach MacAdam stated last night that he planned to put his team through a stiff work out today. He hoped that weather conditions would be favorable and that the ground would not be frozen so that the players could get in some tackling. If the ground should be frozen there will be no tackling practise this afternoon for fear of injuries. Tomorrow he will have another and

lighter workout and will follow this up on Friday with a light scrimmage.

Basketball comes back into the picture this evening with a meeting in Prince of Wales College to discuss plans for the coming season. The first meeting will be that of the executive of last year's Island League. Four teams participated in the League last year namely the Saints, P. W. C., Y. M. C. A. and the R. C. A. F. It is not believed that the Y will floor a team this year and it is not known whether or not the Summerside Air Force will be interested in a league similar to that of last season.

Following the first meeting this evening there will be another meeting of players to discuss plans for the formation of an intercollegiate league. Such a league would embrace three teams from the City along with Princes of Wales and second Saints. However these plans are all in the formative stage and will depend upon the outcome of the meeting of last year's executive.

Saints Dunstan's University have a very strong intercollegiate hoop squad. They have been holding practises for the past few days and although we have not seen them we have it on good authority that they will be a threat for Maritime intercollegiate honors. All of last year's team members except Fred Coyle are back in the fold. In addition they have the services of Gus Dorais and Taylor, both of whom played in the United States. Both are rated very highly.

In fact the two players are spoken about in terms used to describe Jack Reardon. These three boys along with fellows like Pete Dunphy, Clarence MacDonald, Cy MacIsaac, Earl MacKinnon and Joe Mullally will form a team that will be strong for an Island League. It has been proposed that an All-Star team from the City League will be selected to meet them in exhibition games.

Sydney Millionaires In 3-1 Victory Over Miners In Game At Glace Bay

Sonja Henie Show To Tour Canada

OTTAWA, Nov. 18 (CP) — Sonja Henie has signed a contract to take her skating show on a tour of Canada. T. Gorman, Ottawa sports promoter, announced tonight.

The tour will open at St. Andrews, N. B., on Friday and Saturday of this week, moving to Fredericton, Saint John, N. B., Halifax and Ottawa before a swing through the West, Gorman said.

The Ottawa promoter who organized a Canadian tour by the Canadian star Barbara Ann Scott two years ago, said he completed arrangements for Miss Henie's tour at New York Sunday.

Gorman's announcement said two seasons, will replace rookie Lorne (Gump) Worsley in the nets tomorrow night against Detroit Red Wings.

In addition, Rangers have called up Nell Strain, 26-year-old left winger from their Saskatoon team of the Western League, in a move to bolster their attack.

Rangers Seek To Bolster Team

NEW YORK, Nov. 18 (AP) — New York Rangers, mired in the National Hockey League basement, announced two changes today in their bid to evacuate their lowly surroundings.

First off goalie Chuck Rayner returned to harness. Rayner, injured frequently during the last two seasons, will replace rookie Lorne (Gump) Worsley in the nets tomorrow night against Detroit Red Wings.

In addition, Rangers have called up Nell Strain, 26-year-old left winger from their Saskatoon team of the Western League, in a move to bolster their attack.

S. D. U. And Halifax To Meet In Sudden-Death Final At Sackville

The Saint Dunstan's University football team will meet the Halifax Wanderers in a sudden-death game at Sackville, N. B. on Saturday afternoon for the McCurdy Cup. It was learned here last night from Saints coach A. J. MacAdam.

The game will be played at 2:30 p. m. and will be handled by Carr from Halifax. Carr has been working games in the Halifax and District League.

MacAdam and Jimmy Odell of the Wanderers conferred on the matter of a home and home series but the Wanderers could not play two games this week. The possibility of a sudden-death game at either Halifax or Charlottetown was considered but the Wanderers could not offer a sufficient guarantee to play in Halifax and did not wish to play in Charlottetown.

The Wanderers preferred to play a sudden-death game at Truro. However the Saints asked for Sackville and Don Grant, President of the Maritime Rugby Union ruled in their favor. He then ruled in favor of Halifax regarding the choice of the referee. The Saints had asked for Gordon Bennett.

The Saints have held only one practise since they won the Maritime Intercollegiate Championship on Saturday, Nov. 8. However they have been practising basketball to keep in condition. MacAdam stated last night they would hold football workouts today and tomorrow.

Should the ground be frozen today all tackling will be barred for fear of injury. The practises however will give the boys the feel of the ball and will give the scrum plenty of work.

Garrison Hockey League Holds Annual Meeting

Capitals Trim Beavers 5-3

FREDERICTON, Nov. 18 (CP) — Despite the absence of playing coach Roly McLennan from their lineup, Fredericton Capitals played a good enough game tonight to trim Saint John Beavers 5-3. Beavers, who have lost five and tied one in their last six fixtures, sank deeper into the New Brunswick Senior Hockey League cellar while second place Caps reduced Moncton Hawks' lead to one point.

McLennan, expecting to leave soon for Ontario, was on the sidelines guiding Caps tonight. Stafford, Menzies and Yeomans scored for Fredericton before Saint John countered early in the third. Bliss completed the Fredericton scoring with a brace. Hevey shot two for Saint John, W. Shepherd getting the other.

The plaque, which hangs on the wall of the Y.M.C.A. reading room, has the name of the winner added on a silver plate each year, and in addition he is also presented with a miniature cup, suitably inscribed. Mr. C. C. Tombs is president of the Chess Club and Mr. J. O. MacLean, secretary.

The annual meeting of the Garrison Hockey League was held at the Armouries last night and the following slate of officers were elected for the coming season:
Honorary President — Brigadier W. W. Reid, D.S.O., E.D.; Honorary vice-president — Lt. Col. A. W. Rogers, E.D.; President — O. C. H. W. Ledwell; vice president — Lt. L. MacKinnon; secretary-treasurer — O. C. J. Richard.

The members of the executive committee are: Navy, Lieut. I. Trainor; R. C. A. Lt. Gordon Wellner; Sigs., W. O. 2 A. E. Richard; 17th. Recce, Sgt. E. Georvette. The retiring president, Lieut. Gordon Wellner presided over the meeting and submitted the president's report. In it he reviewed the activities of last season when the Sigs. won the League championship.

The Sigs., Recce, Artillery and Medicals were represented at last night's meeting. The Navy, who entered a team last year, have not signified their intentions of playing this season.
