BUY SELL SWAP

Almost everybody buys, sells or swaps something each day. Sales of a large apartment building can influence the business life of a neighborhood. When a transport company changes hands, homes, stores and other businesses reached by the system are alert to know how the change of transactions of public interest appears in The Guardian-Patriot.

Important Advertising, Too

Such transactions are often advertised, before or after. So are many other events, large and small, important to homemakers, wage earners, business people... men, women and children everywhere. Mom wants a mangle... Mr. Smith needs a secretary... farmers want implements... the OK Corporation wants to sell an immense warehouse... Junior's looking for a pair of skis... Pop wants to swap his wood-working tools for an outboard motor... and Sis wants to be a receptionist.

The Guardian-Patriot Leads in Opportunities

The classified advertising volume in The Guardian-Patriot provides the Island's greatest marketplace for jobs, services, buying, selling, swapping opportunities of every conceivable kind!
