THE NOMINATION of Mr. Robert A. Chapman to oppose Sir A. J. Smith in Westmoreland is announced. For a year past there have been doubts as to the election of Sir A. J. Smith, and it was unwise in the Grits to announce that he would be elected by acclamation.

ON Wednesday afternoon the orangemen arrested in Montreal at the instance of Mayor Beaudry were brought before the Police Magistrate. After the case was called the counsel on both sides agreed to have it adjourned until Tuesday next, with a view of submitting it to the Privy Council without delay.

THE barkentine Ethel Blanche, owned by Peake Bros. & Co., John Graham, master, arrived here last evening, 29 days from Plymouth. She brings Mr. and Mrs. Leith, six children and nurse; family all well. The Ethel Blanche experienced fine weather until reaching the Banks of Newfoundland, 21st ultimo, since which date she met with strong head winds and calms.

THE examination of candidates for scholarships in connection with the Prince of Wales College was held in this city yesterday, and was conducted by Prof. Anderson. The following are the names of the successful candidates:—

PRINCE COUNTY. 1st, James J. Wickham, Summerside; 2nd, Judson Crawford, Tryon.

QUEEN'S COUNTY. 1st, Kenneth J. Martin, Belfast; 2nd, James C. Martin, Kinnross.

KING'S COUNTY. 1st, Fulton J. Coffin, Savage Harbor; 2nd, Eli J. Campbell, Montague Bridge.

ADMITTING—as the Patriot asserts—that our compositor did omit the word "not" from the Telegraph's report of the Grit meeting in St. John, and that the quotation should have read "not a few of the audience heard the discussion patiently to the end," we do not see that the significance of the passage was changed. The fact that the Telegraph was at pains to state that "not a few remained," indicates that many thought so little of the Grit cause and the Grit candidates that they left. The fuss the Patriot makes about the inadvertent omission of the word "not" shows that the Patriot is not very sanguine about the St. John election.

ALL the men, women and children residing east of Weymouth Street and south of Sydney Street congregated on "Hell Street" this forenoon and witnessed the liveliest "sett-to" that ever occurred in that part, between two females, both of whom were gloriously drunk on the occasion. The disturbance arose on the appearance of a Mrs. McD., who occasionally pays a flying visit to the vicinity, and for whom Mrs. F. has no small quota of dislike. On her hearing of Mrs. McD.'s arrival in that part, she entered the house where the latter was visiting and with the aid of a hatchet exterminated everything animated. Returning to the street she singled out Mrs. McD., attacked her from the rear, and an exciting hand-to-hand combat ensued. A spectator says such pommelling and hair-pulling he never witnessed before. A third party in petticoats appeared on the scene, and with a blow upset Mrs. F.; this and a report that the police were coming, ended the affray. When the police arrived the doors of the disturbed residences were locked, and no arrests were made.

TO-DAY Lords Beaconsfield and Salisbury received the freedom of the city of London, and were entertained at a banquet by the Lord Mayor. A dais has been erected at the south side of Guild Hall, upon which stands a canopied throne. There were seated the Lord Mayor of London, British Plenipotentiary, and chief officers of the corporation of London. There was accommodation in this room for 1,700 persons, including 400 members of Parliament. The dais and seats were covered with scarlet cloth, and the doorways and other openings were neatly decorated. In the windows trophies were hung. In the fore Court of Guild Hall a spacious pavilion was erected, covered with a canvas roof, with trellis work ceiling. Tapestry lining, mirrors and other decorations were introduced. The pavilion seated 1,200 persons, another 600 being accommodated in the library, having a full view of the guests as they arrived. The Chamberlain of the city of London (Mr. Scott), as usual, made the presentation of freedom of the city to the distinguished guests.

NEWS BY TELEGRAPH.

Special Despatch to Examiner:

Woolwich, Aug. 2. Capt. Webb has relinquished his attempt for the present in consequence of high winds. He left the water at 3.16 this afternoon, having swam 22 miles in nine hours.

LONDON, August 2. In the House of Commons this afternoon the debate on Lord Hartington's resolution was resumed. Sir Stafford Northcote, replying to Mr. Fawcett, said he could not promise reforms proposed in Asiatic Turkey and guarantee for their execution which are yet to be agreed upon, but they would be submitted to Parliament previously for its sanction.

Mr. Fawcett then gave notice that he would introduce a resolution declaring such a prior submission to the Commons as necessary.

The Archbishop of Canterbury has issued to the clergy of his diocese a commendation that they who, during the past few months, have prayed for peace, should now, through general thanksgiving, return thanks to God that their prayers have been answered.

In the Commons this evening, the debate on Lord Hartington's resolution was resumed, Lord Elcho violently attacked the Opposition, and attributed the Russo-Turkish war to their conduct.

William Foster (Liberal) followed, and he attributed war to the Government isolating itself from other powers.

Mr. O'Donnell supported the Government. The debate was continued at great length by a number of ministerial members, who repeated stock arguments strictly in accordance with their known politics. At one time as many as thirty opposition members rose to their feet simultaneously.

Mr. Roebuck said the conduct of the Liberals throughout the crisis had been such that he did not think either himself or Mr. Gladstone would live to see them in power again.

Sir Wm. Vernon Harcourt declared that he thought the Government was insincere, that it had no belief whatever that any danger was to be apprehended from Russia in Asia Minor, but that it wanted a pretext for occupying Cyprus.

Dr. Isaac Butt announced that he, for one, would support the Government.

Sir William Lawson expressed surprise that Mr. Plunkett's vote of confidence was not more strongly worded to obtain a definite decision before the dissolution of Parliament, which was imminent.

Lord Hartington's resolution was rejected to-night by a vote of 338 to 185, and Mr. Plunkett's amendment was adopted without a division.

Telegraphic News.

LIVERPOOL, N. S., Aug. 1. Hon. Dr. Tupper arrived last night by the Edgar Stewart from Halifax. He was met at the wharf by a large assemblage and escorted to the hotel, which was illuminated.

This afternoon a great demonstration took place in Knaut's field, where a large audience assembled to hear the Doctor's address. About one thousand persons, mostly electors, were present.

The hon. gentleman spoke for three hours. Sheriff Freeman presided at the meeting and opened business at half-past two in a short speech, after which he presented an address to Dr. Tupper from the leading men of the county.

The large audience gave earnest attention to the lengthy address of Dr. Tupper on the general condition of the country and the policy of the Opposition.

At the close of the meeting, cheers were given for the Queen and Dr. Tupper, and a vote of thanks tendered to the chairman.

Dr. Forbes, M. P., had been invited to be present, but did not avail himself of the opportunity.

OTTAWA, Aug. 1. The amalgamation of the Receiver General's and Finance Departments went into effect to-day. Mr. Harrington is to be superintendent. J. Lorne MacDougal entered upon his duties as Auditor General.

General Smythe and son leave for England next week, to return in October with new Governor General.

The Quebec Chronicle, in denying the statement that the general elections would take place early in December, is authorized to state that no decision has yet been arrived at at Ottawa in regard to this matter.

MONTREAL, Aug. 1. The Grits are in a quandary for candidates in this city. The meeting last night ended in nothing. The Liberal-Conservatives are already hard at work.

DORCHESTER, N. B., Aug. 1. The Liberal-Conservative convention of Westmoreland County was held here to-day. A large and influential meeting of delegates took place, and Robert A. Chapman, of Rockland, N. B., was unanimously nominated to oppose Sir A. J. Smith at the coming election.

Mr. Chapman is a shipowner and ship-builder, doing a very large business, and his return is considered by his friends here as certain. The nomination causes a great consternation in the camp, as they were hoping for no opposition.

YARMOUTH, Aug. 2. The great Temperance Jubilee at Yarmouth took place to-day. The people of this town and the surrounding country assembled here, to the number of eight to ten thousand, to celebrate the fiftieth anniversary of the organization of the first temperance society in this county. Every temperance organization in the county was largely represented.

JOHN BOYD, of St. John, says that "when this Government is overthrown a mass of corruption will be brought to light that will keep the party out of office for thirty years."

CARD.

To the Electors of Ward Five, in the City of Charlottetown.

GENTLEMEN,—I am again a Candidate for your suffrages at the forthcoming Election. My public record for the eighteen years that I have served you is before you, and I can conscientiously declare that, during that time, I have exerted my utmost energies to promote the good government of the City. I have always been and still am a determined advocate of retrenchment and economy, and will always insist on an honest administration of Civic affairs, caution in the imposition of taxes, and carefulness in their expenditure. Hoping to receive your support,

I am, gentlemen, Your obedient servant, HENRY B. SMITH. Ch'town, August 1, 1878—3i

CARD.

To the Electors of Ward 2 in the City of Charlottetown.

GENTLEMEN,—Having been requested by the electors of Ward Number 2, to put myself in nomination as a candidate for said Ward, in deference to their wishes I have consented to become such candidate. I am, therefore, gentlemen, a candidate for your suffrages for said Ward at the approaching Civic Election, on the sixth day of August next. If elected, as I reasonably presume I shall, while I shall advocate economy and retrenchment in financial matters, the vital question of municipal taxation shall have my special care and attention, for I believe it to be our imperative duty to stay the appalling increase of the tax roll, consequent upon the reckless expenditure of the revenue by those now controlling our Civic affairs.

I remain yours, &c., JAMES BARRETT. Ch'town, July 30, 1878—pat eod

CARD.

To the Electors of Ward 5.

GENTLEMEN,—Having been waited upon by a large number of prominent electors of Ward 5, and requested to offer as a candidate in the coming Civic Elections, I therefore place myself in your hands for election.

As I am doing business and living in Ward 5, I have a knowledge of the wants of the Ward.

From a close observation of Civic affairs, I have come to the conclusion that retrenchment and reform are necessary, and if elected will do my utmost to carry out the wishes of electors in this respect.

As the time of canvassing is short, it will be impossible for me to visit all the electors of the Ward, but I feel certain that all who are in favor of curtailing the City expenditure will give me their hearty support.

I remain your ob't servant, ALEXANDER HORNE. Ch'town, July 30, 1878—pat eod

A Bye-Law for Levying an Assessment on Real Property in the City of Charlottetown. (Passed by the City Council 19th July, 1878.)

WHEREAS, it is necessary and expedient to pass a By-Law for the purpose of levying an Assessment on the rental of Freehold and Leasehold Property in the City of Charlottetown, for City and School purposes, for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine,—

Be it therefore enacted by the City Council of the City of Charlottetown as follows:—

1. There shall be paid by the occupants or owners of Freehold or Leasehold Property within the City of Charlottetown, for City and School purposes, the following sum, that is to say, the sum of Twelve Cents on every Dollar of the rental for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine, according to the valuations entered against the names of each and every person in the Valuation Book of Real Property made by the Assessors of the City of Charlottetown, and returned by the said Assessors to the said City Council on the twelfth day of July, in the year of our Lord One Thousand Eight Hundred and Seventy-eight.

2. In cases where the occupant named in the Assessment Book of real property, made by the said Assessors of the City of Charlottetown, shall have left the premises so assessed before the time of giving the notice of assessment required by law, such notice shall be served upon the person or persons actually in possession; and, if the premises be vacant, then such notice shall be served upon the owner or owners thereof, or his or their agent; and such owner or owners shall be deemed, for the purposes of this law, the occupant or occupants; and such occupant or occupants, owner or owners in the cases aforesaid, shall be severally liable for the payment of the sum entered against the name of the original occupant or occupants in the Assessment Book of Real Property made up by the said Assessors of the said City, and deposited with the City Clerk, subject to the same right of appeal as the person or persons originally assessed was or were entitled to.

3. In cases where tenement houses containing two or more occupants, and where either the owner or one occupant was originally assessed, the City Collector shall have power and authority to divide and apportion such assessment between the several occupants in proportion to their several or respective rents, in order that the notices for assessment may be served on such occupants in due form.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
