

### Landy Predicts Victory In Race Against Time, Delany

SAN FRANCISCO (AP) — Australia's John Landy, the mile record holder, predicted Tuesday he will win his race at Fresno Saturday against a field including Villanova's Ron Delany, but he said there is a risk involved.

Basically the risk is that Delany will come up strong and beat him, but there is more to it than that. Landy believes he will be expected to set the pace, trying for a time under four minutes and so naturally won't be able to watch Delany.

All recall last Saturday at Los Angeles where fellow Australian Jim Bailey of the University of Oregon overtook Landy in the last 120 yards and upset him in the fastest mile ever run on United States soil—3:58.6.

"I'll be running against Delany as well as against time, which in itself is a risk," Landy said in an interview. "If Delany does as Bailey did, I might lose again. But I'll have to take the risk."

Landy explained his theory that in running a race against time for a record it is best to have each of the four lap times about equal, but, in running against an opponent, you must have something for a final winning burst on the last lap regardless of the time.

Besides Landy and Delany, the field includes Danny Schweikart and Jerome Walters of Los Angeles and Mike Stanley, formerly of Yale.

### Former Canadian Football Star Dies In Sleep At 40

WINNIPEG (CP) — One of the many footballers who was born 20 years too soon swashbuckling Chester McCance died in his sleep here Tuesday. He was 40.

A star halfback with Winnipeg Blue Bombers and Montreal Alouettes in the 1930s and '40s, McCance was a member of three Grey Cup championship teams.

Big Ches, who loved life and everybody in it, was a natural athlete. He was a curler and basketball player of outstanding ability and better-than-average at soccer and lacrosse.

McCance lived in an era especially in football where the salaries were small compared with today and the decorum in the Western Interprovincial Union not so demanding, but he will be remembered as one of the finest Canadian-born placement kickers and pass catchers.

RETIRED IN 1949

Ches left football after the 1949 season, winding up in a blaze of glory as he contributed seven points to Alouettes' 28-15 Grey Cup victory over Calgary Stampeders.

The old-time Bomber crowd will remember him best as a fun-loving fellow, and the despair of the coaches off the field as the leader of many fancy antics.

Few of the fans, executives or players who travelled west during league games or east for the Grey Cup will forget Ches frying bacon and eggs in a Pullman car or his walking barefooted through a diner, climbing up on the table and dipping his toes into a passenger's soup, then shouting to the waiter: "Bring this man another bowl of soup this one's cold."

McCance joined the Bombers in 1937 and was on two of their Grey Cup championship teams in 1939 and 1941.

He was twice a member of Quebec teams in the Canadian curling championships.

McCance, sixth highest Grey Cup scorer of all time with 17 points—all from his accurate kicking too—played in eight Canadian finals—a record shared by only three other players.

Survivors included his widow and two children.

### Hoad And Davidson Blast Opposition To Take Crowns

ROME (AP) — Australia's husky Low Hoad blasted Sven Davidson off the courts in a 70-minute straight set match and lanky Althea Gibson of New York won her 12th overseas tournament Tuesday as they took the men's and women's singles titles in the Rome international tennis tournament.

Hoad, the Australian champion who generally is regarded as the world's No. 1 amateur player, overwhelmed the Swedish star, considered Europe's best, 7-5, 6-2, 6-0.

Miss Gibson was just as effective in a 6-3, 7-5 victory over Suzie Kormoczy of Hungary, a short, buxom veteran of more than 15 years of tournament play. It was her fifth tournament victory in Italy and her 12th on a tour that began in India last December.

### Push "Z-Z-Z" For Zuverink

MALTIMORE, (AP) — "I have a little red light and when it goes z-z-z, I push a button and Zuverink comes out of the bull pen," says manager Paul Richards of Baltimore Orioles.

Richards has pushed the fragrant button 12 times out of 20 games this season. Eight times, the relief pitching of George Zuverink has won or helped win only one more without him.

Monday night, he threw only twice and was credited with his second victory. Harvey Kuenn hit the second pitch into a double play with the scored tie in the ninth and the Orioles scored their time at bat.

Zuverink has pitched a total of 24 1/3 innings, fourth most work by an Oriole hurler.

### Vanderbilt To Auction Off Race Stable

NEW YORK, (AP) — Alfred Gwynne Vanderbilt announced Tuesday he is disposing of most of his vast racing stable but will keep the great Native Dancer in stud "for future seasons."

The sportsman said he would offer at auction May 21 at Belmont Park his entire crop of two, three and four-year-old race horses six years or older.

He also will continue to operate Sagamore Farm in Maryland, where his famed Native Dancer, three-year-old champion of 1953 and one of the top money winners of all time, is quartered.

The sharp cutback in his racing interests, Vanderbilt said, is made necessary by his duties as president of the World Veterans Fund an other charitable interests.

Vanderbilt said he would keep Social Outcast, Find and three other of his older horses, not named.

### RIFLE SCORES

Following are scores of Charlottetown Rifle Club:

Class I:

R. E. Jenkins	98
P. J. Landrigan	96
A. Mutch	96
Raymond Andrews	96
