MAIL SERVICE at 120.  
Daily at Market Hall this evening.

THE CITY SMALL DEBT COURT was in  
session to-day.

AND he that hath no Columbia bicycle, let  
him sell his garment and buy one.

**DANGER.**—We are informed that the well  
at Ings' corner, from which the pump has  
been removed, is not properly protected—that  
there is nothing on the top but a loose board.  
This matter should be attended to at once,  
before an accident occurs.

THE WESLEY CENTENARY celebration was  
continued in the Upper Prince Street Meth-  
odist Church last evening. Addresses suit-  
able for the occasion were given by Rev.  
Messrs. Brewer, Kirby and Fisher, and there  
was a very pleasing service of anthem and  
song.

**PRIZE.**—An excellent life size por-  
trait of Sir John A. Macdonald is present-  
ed as a premium to every new subscriber  
of the Weekly Empire—Canada's great  
paper. Only one dollar per year. Sub-  
scribe at the Diamond Bookstore.

**MISSIONARY MEETING.**—A missionary  
meeting will be held in Pownall church this  
(Wednesday) evening at 7 o'clock by the  
Pownall Auxiliary to the Women's Mission-  
ary Society of the Methodist Church of  
Canada. A good programme has been pre-  
pared.

**SOCIAL.**—The Wesley Mission Band  
Social in the basement of the Methodist  
Church last night was a great success.  
The attendance was large and the different  
fancy tables were well patronized. The  
programme of vocal and instrumental  
music prepared for the occasion was cap-  
tally carried out.

**SPRINGHILL FUND.**—At a meeting of the  
Executive Committee of the Springhill Re-  
lief Fund, held in the Mayor's office on  
Monday afternoon, the chairman reported  
the copies of the subscription list had been  
forwarded to the different city clergymen. It  
was decided also to leave a copy of the list  
at each of the city drug stores and request  
the proprietors to kindly solicit contribu-  
tions.

**THE SINEWS OF WAR.**—Following is a copy  
of an order given by the rural distric-  
tories yesterday by a prominent grit worker:  
Mr. H—  
Please give bearer 2 b's of the same as be-  
fore. This is the last!

G. T.—  
The man with the order struck the wrong  
shop. However, he got the "2 b's" all the  
same—but paid for them out of his own  
pocket. He now threatens to go back on the  
"party of purity."

**BOARD OF TRADE, MONTREAL.**—The  
competition for the Montreal Board of  
Trade building, which is to be an enormous  
structure and to cost over \$275,000, has  
just been decided, the various plans having  
been examined by Professor Hunt, of New  
York. The building is to be erected after  
the plans of Messrs. Shepley, Ruttan &  
Coledge, of Boston, the successors of the  
celebrated architect, Richardson. Mr.  
W. C. Harris, of this city, took part in the  
competition, and received yesterday the  
following letter:

Board of Trade,  
Montreal, Feb. 26, 1891.

W. C. HARRIS, Architect, Charlottetown,  
P. E. I.,  
Dear Sir,—I beg to inform you that while  
your plan "Cambria" was not that finally se-  
lected by the committee, it was reported by  
this expert as the best Canadian plan, and  
therefore, under the conditions of competition,  
you are entitled to the sum of three hundred  
dollars, cheque for same being enclosed.  
I am, dear Sir, yours truly,  
GEO. HADRILL,  
Secretary.

**POLICE COURT PROCEEDINGS.**—A stranger  
named George McKay was arrested yester-  
day for the larceny of two silk handker-  
chiefs and a breast pin from the resi-  
dence of Mr. Gallant, Great George Street. McKay  
slept at Gallant's Monday night, and with  
him next morning disappeared the articles  
in question. One of the handkerchiefs and  
the pin were found on his person when ar-  
rested, and the other handkerchief was  
recovered from a person to whom he  
gave it. McKay appeared before His  
Honor this morning and was given one  
month's imprisonment with hard labor.  
He said he was drunk on Monday night,  
and did not remember taking the articles  
in question.

William Murray, tobacconist, charged  
with assaulting a young man named Fer-  
guson and afterwards threatening to do  
further damage to him with an iron bolt,  
was sentenced to twenty days in jail. Mur-  
ray said he was drunk at the time and had  
no recollection of the affair.

A countryman named John Cummings,  
arraigned for discharging firearms, was fin-  
ed \$3 or 14 days. Cummings' excuse was  
that he had only fired at the ground to  
lighten off some persons who had assailed  
him. The revolver was confiscated.  
One drunk, a countryman, was fined \$2  
or 8 days.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER.

THE TUNNEL.

What Sir Richard and the  
Globe Say about It.

"GIGANTIC AND IMPUDENT  
ROBBERY."

A Very Pretty Sentiment!

FARRER'S RIDICULE.

Toronto, March 4.  
Speaking in the west, Cartwright de-  
nounced Sir Charles Tupper as the high priest  
of corruption, going up and down Canada de-  
bauching people. He had bought Nova  
Scotia with railways, ship canals and coal  
bounties. He had promised Quebec a present  
of a million dollars and a bridge over the St.  
Lawrence.

"Now he is on P. E. Island,  
promising a handfull of fisher-  
men to spend ten or twelve mil-  
lions in building a tunnel. A  
more impudent and gigantic  
robbery could not be conceived.  
The Island exported less than a  
million dollars annually, and its  
whole contribution to the Do-  
minion revenue since Confedera-  
tion would not pay the cost of a  
tunnel."

The Globe says:  
"The connection of Canada's  
provinces by bands of steel is  
very pretty sentiment, but as  
regards a tunnel to P. E. Island,  
the Liberal party have not yet  
included Jules Verne's romances  
among their political text books."

RALLY at Market Hall this evening.

Political Probabilities  
for To-morrow.

St. John, N. B., March 4.  
New Brunswick is all right.  
Advices from all parts of the province and  
Nova Scotia show Conservatives eager for the  
fray and confident of victory.

Toronto, March 4.

The Toronto Empire, yesterday, says: It  
is now only a question of what majority  
will be.  
Its correspondents in the provinces give  
carefully prepared estimates of what the re-  
turns will be. All due precautions have been  
taken in this matter. The fullest possible in-  
formation has been obtained and sifted, and  
the forecast may be relied upon as being as  
accurate as any forecast can be. In Ontario,  
too, the situation has been gone over carefully  
with abundant means at hand for a practically  
correct diagnosis.

British Columbia stands in this position,  
that there is no doubt whatever of the re-  
sult. The entire delegation will be Con-  
servative, and this is admitted by Reform-  
ers and Conservatives alike. Allowing the  
doubtful constituencies to go as they were  
before, this is the result reached for them:

Province.	Gov.	Opp.
P. E. Island	3	3
Nova Scotia	15	6
New Brunswick	12	4
Quebec	36	29
Ontario	56	36
Manitoba	4	4
Northwest Territories	4	0
British Columbia	6	0
	138	82

Conservative majority, 56.

Sanford Fleming Will  
Vote This Time.

OTTAWA, March 4.

Sir John Macdonald will vote to Ottawa  
to-morrow in time to vote.  
Sanford Fleming, eminent civil engineer,  
after a residence of 46 years in Canada, will  
give his first vote to-morrow. He has never  
taken part in politics but cannot remain  
silent in this crisis, and he says thousands of  
other Canadians will do so. He votes for  
Conservatives.  
Laurier is sure of defeat in Richmond and  
Wolfe.  
Prospects in Quebec are much improved.

The Truth Affirmed.

TORONTO, MARCH 4.  
The Globe having denied the correctness of  
young Cartwright's attack on Edward Blake,  
Hon. Geo. Kirkpatrick and other Kington  
men, positively affirm its truth.

Canadian Horses in England.

MONTREAL, March 4.  
As evidence of the favor with which Canadian  
horses have been received in Great  
Britain just announced, a company has been  
organized in London for the purpose of im-  
porting Canadian horses. Capital placed at  
half a million dollars, and expects good  
profits to be realized.

Weather Bulletin.

TORONTO, March 4.—10 a. m.  
Strong winds and gales from the east-  
ward; cloudy, with snow, turning to sleet  
or rain in some localities; higher tempera-  
ture.
