N. Y. Stocks

NEW YORK, (AP)—For the second straight session, the stock market eased a little lower Wednesday.

It was just a week ago Wednesday that the market broke sharply after the federal reserve board raised credit requirements for buying stocks as a curb on speculation.

The break lasted two days, and then a two-day rally wiped out most of the fall.

Tuesday and Wednesday the market slipped a little on reduced volume.

The Associated Press average of 60 stocks lost 30 cents, the same as Tuesday. It closed at $153.90. Volume was down to 3,400,000 shares, lowest in nearly three weeks.

Electric and Musical Industries was the day's most active issue up ¼ at 4¼. Total volume was 161,000. Just before the close it was announced that EMI had purchased control of Capitol Records.

Armour and Co. was second up 1 at 15¼. It was followed by Montgomery Ward up 1 at 85½, New York Central off ¾ at 35, and Pennsylvania Railroad off ⅝ at 23⅞.

Pfizer gained 2¼ at 41⅛ as the tenth most active issue on news that it had obtained a patent on tetracycline, an antibiotic. Bristol Myers, which also had sought a patent, dropped 4⅛ at 28⅝.

Others higher were International Business Machines, Crucible Steel, Bethlehem Steel, Chrysler, American Smelting, Alaska Juneau, Allis-Chalmers, Westinghouse Air Brake and American Airlines.

Lower were U. S. Steel, General Motors, Douglas Aircraft, Radio Corp., American Telephone, Anaconda Copper, Allied Chemical and Westinghouse.

Canadian stocks were mostly lower. Canadian Pacific and Distillers Seagram both dropped ½, Dome Mines was off ⅛ and International Nickel slipped ¼. McIntyre, alone on the upside, added ½ and Hiram Walker remained unchanged.

Royalite Oil climbed ⅞ on the American stock exchange while Lake Shore and Giant Yellowknife both remained unchanged.

British Firm Buys U.S. Record Company

HOLLYWOOD (AP) — A British firm entered the American record producing field Wednesday by purchasing Capitol Records, Inc., for $8,500,000.

The Capitol Records office here announced sale of the company to Electrical and Musical Industries Ltd., of Middlesex, England, a large electrical and recording concern.

The announcement said the British firm purchased the stock of Capitol president Glenn E. Wallichs, Johnny Mercer and the B.G. de Sylva estate. The Capitol management will be retained and Wallichs will continue as president.

NOVEL PLANT

VERMILION, Alta. (CP) — Canada's first turbine electric generator powered by natural gas is in operation at the Canadian Utilities Ltd. plant here. Standing by— in Emergencies

Ever been away or ill for any length of time and worried about neglect of your investments, collections, bills and other financial matters?

How would you like to know that someone, completely reliable, and properly authorized, was always standing by ready to act for you in an emergency? This satisfaction can be yours for the asking—or rather, the signing.

By appointing The Royal Trust Company your Standing-by Attorney, you are assured that your financial affairs will not be neglected while you are unable to attend to them yourself—and there is no charge, unless and until the need for our service arises.

You are invited to ask us for further details.
