
FREEDOM DASH IS SHORT

The two convicts, Billy Joe Wright, 26, and William Werner, 24, who escaped from San Quentin prison today and held a woman hostage for six hours at end of fishing pier, are shown facing camera as they talk it over with newsmen just before surrendering. At right in checkered shirt, white cap is hostage Douglas Harrison, who acted as a go-between. Long focus lens makes official in foreground appear close to newsmen and convicts, when actually they are 50-feet away.
