The mother who would be horrified at the thought of letting her daughter wander away to a strange country without guide or counsel, yet permits her to enter that unknown land of womanhood without counsel or caution. Then, in her ignorance, the maiden must meet physical problems whose solution will affect her whole future life. Dr. Pierce's Favorite Prescription has been well named a "God-send to women." It corrects irregularities and imparts such vigorous vitality to the delicate womanly organs, as fits them for their important functions. Many a nervous, hysterical, peevish girl has been changed to a happy young woman after the use of "Favorite Prescription" has established the sound health of the organs peculiarly feminine.

You pay the postage. Dr. Pierce gives you the book. The people's Common Sense Medical Adviser, 1008 pages, 700 illustrations, is sent free on receipt of stamps to defray cost of mailing and customs. Send 21 one-cent stamps for the paper bound book, or 50 stamps for cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

--Well, the orchestra at the rink last night was a success, is the verdict of most of our patrons. Some say it was not quite loud enough; many say it was plenty loud; everybody says the music was very sweet and beautiful. We think that the orchestra in the rink, being in its experimental stage, and that two of our players, one cornet and one clarinet, were unavoidably absent, we say the orchestra is a decided success and is come to stay. Tomorrow evening we will have all our players present. This, with some changes in the positions of the players, and a selection of suitable music, we are sure will make a great improvement. By tomorrow night's performance we want to be judged. Please bear this in mind--we will never rest until everybody is pleased. That is the way we intend to run the rink this winter. Come and have a skate tomorrow night,--The Managers.

Local and Other Items

---"War Sketches" for sale at all bookstores.

---Carol service tonight in First Methodist church at 8 o'clock. Public invited.

---The Minto left Charlottetown for Pictou this morning. She will be due on return to-morrow forenoon.

---The rink will be closed until to-morrow evening so as to ensure good ice for the skaters. Hockey boys please take notice.

---The first edition of "War Sketches" is selling rapidly. Intending purchasers should buy at once. Price 30 cents.

---This is Declaration day in King's and Prince Counties. The official statement of the vote did not come to hand in time for insertion to-day.

---This time last year the Island boys were at Belmont in Cape Colony. Read "War Sketches" and see how they enjoyed the Christmas season.

---The Stanley made the round trip between Summerside and Cape Tormentine yesterday. She leaves Summerside for Cape Tormentine to-morrow morning.

---In case anyone should get confused between the two concerts in the First Methodist church, the one tonight is the Carol Service by the choir. Don't forget tonight (Wednesday).

---The funeral of the late Dr. Macleod was held this afternoon. It was a very large one. The deceased was a prominent Mason, and there was a good turnout of the brethren. The attendance of medical men was also large.

---The protests entered by Messrs. Wood and McLean, to which reference is made elsewhere, were required into to-day, and two of the votes polled for Mr. Forbes were struck off. This reduces Mr. Forbes' majority to six.

---The outward cargo of the Minto today included 350 bags oats, 75 cases condensed milk and cream, 1,184 cases canned meats, 100 bbls. pelts, 87 barrels pork, 95 packages beef, 166 drums fish, 50 pkgs poultry, 150 dressed hogs, 2 sleighs and sundry smaller shipments.

---Attention is directed to the advertisement of Edwin R. Turner, which appears elsewhere in THE EXAMINER. Mr. Turner has opened a photographic studio on Grafton St. in the premises occupied for so many years by the late Mr. Cyrus Lewis. He is known to be an artist in his line of business and may be depended upon to give the fullest satisfaction to all who patronise him.

---The Festival seasons at the First Methodist Church are usually marked by musical services of interest and value. To those who enjoy rhythmic, pleasing melodies the carols will specially appeal. Vocal solos, concerted numbers and instrumental pieces have their votaries, while the student of music and even the professional will find pleasure in such fugal work as "And the Glory" from the Messiah, or the orchestrated work "Gloria Patri" by Barnby.

---Mr. Dawson, the Liberal organizer for Ontario, has appealed to the Liberals of that province to vote in the coming municipal elections upon purely party lines. The Montreal Witness says: "Our advice to the Liberals of Ontario is to vote for the best men they know of for municipal councillors, whatever their politics, and if they can see their way clear to give a Conservative the preference as a rebuke to this effort to saddle and bridle them, so much the better." This is good advice. The Witness is not unreasonable--after the parliamentary elections!

LIQUOR HABIT CURD.

A Clergyman's Testimony.

On the occasion of a lecture delivered before a large and appreciative audience in Windsor Hall, Montreal, in honor of the Father Matthew anniversary, Rev. J. A. McCallen, S. S., of St. Patrick's Church, and President of St. Patrick's Total Abstinence Society, paid the following grand tribute to the value of Dr. Dixon's new discovery for the cure of the alcohol and drug habits.

Referring to the PHYSICAL CRAVE engendered by the inordinate use of intoxicants, he said: "When such a crave manifests itself there is no escape unless by a miracle of grace or by some such remedy as Mr. Dixon's Cure, about which the papers have spoken so much lately, and if I am to judge of the value of The Dixon Remedy, or by the cures which it has effected under my own eyes, I must come to the conclusion that what I have longed for twenty years to see discovered has at last been found by that gentleman."

Full particulars of this new medicine are sent, sealed, free to all applicants. Address Mr. Dixon, 81 Wilcocks Street, Toronto, Ont.
