RALPH CALLBECK & COMPANY'S S-E-N-S-A-T-I-O-N-A-L

Grand Opening

SALE

During the past four months our firm has been rearranging and remodeling the various departments of our store. We realize that this operation has resulted in a certain amount of inconvenience for our customers — and we wish to thank them, one and all, for their co-operation during this period. We have now practically finished the work, although our hardware department will not be completed to a later date. We thank you for your patronage in the past . . . and we extend a most cordial invitation to you to come in and take advantage of these many, many grand re-opening specials.
