

Shamrocks, Barry's Lions Battle Way Into Finals

Meet your City Softball League finalists, B.S. Shamrocks and Barry's Lions.

These teams won their way into the coveted championship round Saturday afternoon with thrilling victories over Junior Basileia Youth Club and Rollaway Aces. Each of Saturday's tussles was the fifth in best-of-five semi-finals.

Shamrocks and Lions now meet in a best-of-seven series with the winner being crowned City Softball League champion and advancing against the New Brunswick tidist in the Maritime playoffs.

The Irish scored a 7-4 win over the Juniors in what must be regarded as the biggest upset of the season. Juniors had finished first in regular league competition and the Shamrocks had barely been able to gain the final playoff spot.

Lions bested Rollaway Aces 11-9

although the Aces outthrew the Parkdale gang 12-9. The game was loosely played but the Aces contributed greatly to the Lions' win with an exhibition of some very poor base running.

Joe Thistle was the winning hurler for the Irish. It was Joe's second victory over the Juniors in the semi-finals. Saturday he held the opponent to mere four hits, and out of the 15 final batters that faced, only one, pinch hitter Merrill Flynn, managed to reach first base.

John Hughes was the loser, yielding eight hits but eight bases on balls contributed to his downfall.

In the Lions-Aces contest five pitchers saw action. Lorne Israel who relieved Art Ballem in the fourth was the winner. Will Shepherd was the loser. His success was due to Ralph Pineau and Henry Hartinger.

Keith Dalziel, pinch hitting for

Joe Pineau with the score tied 4-4 in the eighth and men on second and third poled a long triple to right to put the Irish ahead 6-4. Joe Revell put the icing on the cake with a long home run in the ninth.

Paddy Shepherd duplicated Revall's feat in the second game with a four base knock in the ninth.

Aces fought gamely after the Lions had opened a 5-0 gap in the first two innings. They scored four in the third but that's the closest they were able to get. They had the same margin of difference in the sixth when Lions led 9-8. However the Men of the Aces had the only answer. Barry got singletons in the sixth and seventh and the only answer the Aces had was Shepherd's homer with no one on base in the ninth.

Lions and Shamrocks will open their best-of-seven finals tonight at 5:30.

Outsider Wins W. Park Race

CHICAGO (AP) — Clem, a 9-to-1 outsider, Monday defeated Round Table by four lengths to win the \$139,650 Washington Park handicap.

Mrs. Adele L. Rand's four-year-old chestnut colt led most of the way under jockey John Sellers to shatter Arlington Park's track record for one mile on the main course in 1:34.

The previous mark was 1:34 2/5 by Equipse in 1932.

Round Table, owned by Travis M. Kerr and ridden by Willie Shoemaker, was third with an eighth of a mile to go and finally moved up in the stretch to beat out Claiborne Farm's Nadir, only three-year-old entered, in a photo finish for second.

SHORT OF GOAL
Round Table fell short in his

goal to become the top money winner of all time, setting for second prizes of \$25,000 which boosted his three-year record to \$1,240,114. This left him \$48,451 short of the retired Nashua's mark.

At Belmont, N.Y., Mabel C. Scholtz's Warhead ran off and hid from a field of 11 three-year-old rivals in the 89th running of the \$30,250 Jerome before a season's track record crowd of 47,512.

The son of Battle Morn-Head first, ridden by Eddie Arcaro, stepped home by five lengths in the moderate time of 1:37 1/5 for the mile.

Second money went to Walter M. Jeffords' Piano Jim, the favorite who finished 2 1/2 lengths ahead of George D. Widener's Jester.

Als Dispute Ticats Claim To U.S. Player

HAMILTON (CP) — Hamilton Tiger-Cats of the Big Four Football Union say they have acquired import guard Aurelius Thomas, but Montreal Alouettes dispute their claim.

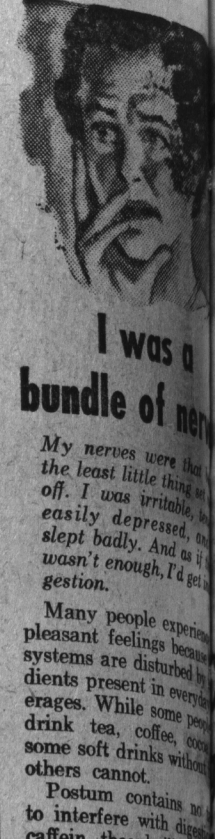

Thomas, an all-American guard from Ohio State, was cut by Pittsburgh Steelers last week and practised Sunday with Ticats here.

But Sunday night, Montreal Alouettes placed him on their import players' list required by Canadian Football Council rules.

Alouettes general manager Gordon Kennedy said Thomas "agreed to terms with us on Friday" and that he was expected in Montreal Monday.

Ticats coach Jim Trimble said, however, he placed Thomas' name on Hamilton's negotiation list Thursday when he learned of his availability.

In Montreal, The Alouettes said Monday Thomas had not yet reported to them and they did not know where he was. He had been expected to report Sunday night.

Ch'town Juniors Capture Series From Summerside

Brian Lewis's Charlottetown Legionaires came out on top in their best of seven series with Summerside MacLellan Pontiacs, capturing the sixth game yesterday afternoon 3-1 at Memorial Field and grabbing the series four games to two.

It was the first win for the Legionaires on their home diamond, all other victories coming at Queen Elizabeth Park in Summerside.

It was tall Roger MacLeod that hurled the Charlottetown Juniors to their triumph yesterday and it was the same MacLeod that had been the winner in all other Legionaires' victories. Yesterday he held the visitors to six hits, three

of them coming in the opening inning when the Pontiacs scored their lone tally. After that he was master all the way.

John Bethel, who was the winner over the Legionaires in both Summerside victories, tried it again Monday but gave way to Garth Harris in the fourth. Off the two Summerside hurlers Legionaires collected eight hits, scoring a single marker in the first and a brace in the fourth.

Only extra base blows were Harry Callaghan's double in the first and Len Bagliole's two base knock in the fourth. Donnie Leclair was top batsman with three singles in five attempts.

Saturday and Sunday the two

teams split a pair, with Legionaires winning at Summerside 9-7 and losing 6-2 at Charlottetown. MacLeod was the winner at Queen Elizabeth Park with Garth Harris taking the loss. Harry MacGuigan was loser at Charlottetown and John Bethel grabbed the victory.

Legionaires now meet Mount Stewart Juniors for the Island Junior crown.

Braves, Baby Bears Split Bill; Reds' Win Streak Snapped

By THE CANADIAN PRESS
Bob Buhl, making his first appearance since May 13, gave a fine pitching performance for the National League-leading Milwaukee Braves and enabled them to get an even break in their Labor Day twin-bill with Chicago Cubs.

Buhl scattered eight hits to register a 2-1 win after which the Cubs' shelled Bob Rush to win the nightcap 9-3.

Reinstated from the disabled list after a long seige of shoulder trouble, Buhl outpitched young Bob Anderson to win his fifth of the season. He has lost two games.

In other National League action, Cincinnati Reds split with St. Louis Cardinals, losing the first game 1-0 and winning the second 9-3.

ERRORS HELP CARDS
Reds' errors in the first game helped end their six-game winning streak, even though Card hurler Vinegar Bend Mizell was in hot water. He gave up nine walks and five stolen bases, but still got the nod over Joe Nuxhall. Both pitched four-hitters.

Philadelphia Phils exploded for three runs in the third and fifth innings to whip Pittsburgh Pirates 9-0 in the second game of a twin-bill. The Bucs won the opener 5-2 behind Vernon Law.

Southpaw Curt Simmons limited the Pirates to four hits in the nightcap. He fanned seven and didn't walk a man in gaining his seventh win against 13 losses.

Whitey Lockman's second home run of the season and two Dodger errors in the 16th inning brought San Francisco Giants a 6-5 victory Monday in the major league's longest game of the season. The Giants defeated their West Coast opponents from Los Angeles 6-5 in the first game of the twin-bill.

TIGERS SWEEP TWO
In the American League steady pitching by Al Cicotte and Paul Foytack plus timely hitting by their mates gave Detroit Tigers 7-4 and 5-1 victories over Kansas City Athletics in their morning-afternoon twin-bill Monday.

Cicotte scattered 10 hits and along with some ninth inning help from Billy Hoelt, chalked up his third win.

Foytack limited the Athletics to four hits in the afterpiece, striking out four and walking two. The result gave him an 11-11 record.

Frank Bolling was the hitting star of the twin-bill, lacing two homers in the late game, after driving in a pair of runs in the morning game.

Cleveland Indians slashed Chicago White Sox's second-place margin over Boston to one game Monday by blasting the Sox twice, 6-5 and 7-1.

Three-run homers played a big part in the wins. Minnie Minoso hit his 21st with two men on off Billy Pierce in the opener. Vic Power belted his eighth off Bob Shaw in the nightcap. Two were on at the time also.

ANOTHER LARY?
At New York, Boston rookie Ted Bowfield of Penitentiary, B.C., hurled his third straight victory over New York Monday as the Sox and Yanks exchanged 4-2 wins.

Bowfield, who hasn't beaten anybody else since he was brought up in the middle of July, handcuffed the Yankees with a four-hitter in the opener. He fanned nine and walked three.

Duke Maas overcame a wobbly start and pitched his first complete game as a Yank in the nightcap.

The other American League twin-bill saw the fourth-place Baltimore Orioles sweep both games from Washington 2-0 and 10-1.

Jack Harshman pitched a four-hitter in the opener, with Jim Busby giving him a lot of help with a pair of triples and a single.

Gus Triandos and Dick Williams homered in the second game.

Ferree Captures B.C. Cen. Open

By JACK SULLIVAN
Canadian Press Staff Writer
VANCOUVER (CP) — Jim Ferree from Winston-Salem, N.C., won the \$42,000 British Columbia Centennial open golf championship Monday with a 18 under-par 270. He finished one stroke up on Billy Casper of Apple Valley, Calif.

The 27-year-old native of Winston-Salem, N.C., who shook the golf world with an 11-under-par 61 Friday to romp into a four-stroke lead over the class field, shot a one-under-par 71 on the last round.

Billy Casper, was second with a tremendous six-under-par 66.

Dow Finsterwald of Tequesta, Fla., and Ken Venturi of San Francisco, Calif., ended in a third-place tie at 273, one stroke up on Vancouver's Stan Leonard whose putter got red-hot to give him a seven-under-par 65, the best 18 of the day. That made Leonard leading Canadian with 274, 14 strokes under par on the 6,505-yard Point Grey course.

SHAKES CHALLENGERS
The bespectacled, five-foot-nine-inch Ferree shook off one challenger after another in the final 18.

First it was Fred Hawkins, tall Texan from El Paso who started four strokes behind in second place, narrowed the margin to just one shot after 62 holes and three over on the treacherous 14th hole. Hawkins came in with an even-par 72 for sixth place and a 275 total.

The victory gave Ferree \$6,400, the largest first-place money in a 72-hole tournament in Canada's history. Casper picked up \$3,600. Venturi and Finsterwald \$2,350 each and Leonard \$2,500—\$1,900 for his fifth-place finish and an

additional \$600 as top Canadian. Hawkins, a regular at the pay window who has won only one tournament in 12 years of campaigning — the 1956 Oklahoma open—pocketed \$1,700.

Man, oh man, do those folks in King's County take their baseball seriously.

We should know after spending six hours with them Sunday at Morell where Peakes won the County title by splitting a twin bill with Morell. Peakes had won the first in a best of three a week earlier on their home diamond.

No sir, never were we anywhere where fans back their darlings like in this section of P.E.I. We figure there was an attendance of approximately 2500 persons and we think just about every one of them was in on the act.

Talk about your college cheering sections—these rooters in King's make them look like pikers. They never let up and instead of decreasing in volume as the day turned into evening (you'd expect they'd get tired sometime) they took on a new force such as we have never heard.

The game was at Morell but as far as fan reaction was concerned that made no difference. Every resident of Peakes must have journeyed to the twin bill. Not only that, but folks who long since have moved from Peakes and are residing in Charlottetown and other parts of the province were on hand to make sure that their boys got the vocal support that means so much.

This wild acclaim for the favourite team was not, by any means, caused by male rooters only. The ladies were there by the hundreds and if we are any judge, we would say they were just about twice as enthusiastic as the men. How those girls can howl.

It's a terrific demonstration these folks put on year after year in this ball-conscious part of the Island and we doubt if any place in Canada could come near matching it. If anyone ever tells you that baseball is dead in this province, just take him or her to a game in the King's County league. Then they'll eat those words.

So hats off to the baseball people of King's. If ever folks deserved the finest kind of competition, they are the ones. We never expect to meet their equals.

Two Mainland Entries Win 2-Year Old Event

Lady Lakeburn, 4-year-old brown mare stepped the fastest mile of the night in the Futurity Stakes at the local Driving Park last evening. The mare, formerly from Fredericton, N.B., and now owned by the Mapco Stables and George Brookings, on her second time out, went the mile in 2:09.1. She did the first mile in 2:11.3.

Palacena, the only other horse in this class was very close on both occasions, and in the second dash was also under the 2:10 mark. The chestnut gelding is owned by G. Henderson and H.B. Willis of Charlottetown.

After the second race in this class a cooler was presented to the winner by Jack Ameer, President of the P.E.I. Harness Racing Club, and the Lt. Col. D.A. MacKinnon trophy, was presented to the driver Myron MacArthur, by Col. "Dan".

Eleven horses went in the three-year-old pace. They were split in two divisions, the 7th and 9th dashes. A raceoff was held in the 11th dash with horses from both those heat part-cipating.

Izzie Reynard, owned by G.A. Callbeck of Summerside captured this event. The bay horse won the 9th dash and in the raceoff did the twice-around the oval in 2:14.1 thus taking a new mark.

Again the presentation of a cooler was made by Mr. Jack An-

Many a fellow has been "taken to the cleaners" by the horses, but this time it's a ball club that is moaning about the ponies.

Cleveland Indians have been a miserable flop at the box office this season and their position is so alarming that it looks like the Tribe will hunt for greener pastures.

If the Indians are forced to quit Municipal Stadium and transplant themselves in another city, you can blame it on the horses, the club's board chairman states. He maintains horse racing is ruining baseball in Cleveland.

Well any talk that Leo Durocher may wind up as manager of the Cincinnati Redlegs should be dispelled by this utterance of Gabe Paul, Cincinnati's general manager.

Says Paul: "I consider Durocher one of the soundest baseball men who ever lived but knowing Leo as I do, I don't think he would be happy in Cincinnati even if he would agree to come. It would not be fair to him or to the club to consider him as a manager."

That should let the Lip out.

Los Angeles Dodgers are not going to let 1958 be a repetition of 1957 if they can possibly help it. Walter O'Malley wants a real pennant contender and he won't sit idly by and watch the other clubs drub his Dodgers.

Fresco Thompson, Los Angeles farm director, gives out with these words which proves the Dodgers don't intend to fool around.

"We're certainly not going to sit still while the 'makings of a good club disintegrate before our very eyes. If the veterans can't get the job done, there are a lot of pretty fair ballplayers standing around begging or a chance to show what they can do. There is no telling how many new faces we will have when we open next season. You know, it's a strange thing. Most people regard the Dodgers as a bunch of doddering veterans who are only a couple of jumps shy of collectin their social security cheques each month. Actually, that's not the case. People think of our ball club in terms of Pee Wee Reese, Carl Furillo, Duke Snider, Carl Erskine and the like. But you take these men out and we've got the youngest club in the National league. Gil Hodges is only 34. He ought to be right at the peak of his career. Instead, he's havin his worst season in baseball and talks like he's a fugitive from a wheel chair."

We shall see what next season holds for the Dodgers. The cause is hopeless for 1958.
