IMPORTANT.—Don't miss the regatta tomorrow. Gates open at 8 o'clock, races to start at 9. The Artillery Band has been procured and will furnish choice selections during the day.

POLICE COURT.—Yesterday a young lad charged with the larceny of two heads of cabbage from a garden on Fitzroy Street east, was given 14 days imprisonment; and four drunks were fined $30 or 30 days, $4 or 20 days, and $1 or 4 days respectively.

THE following wholesale houses have agreed to close on Thursday at one o'clock:
Geo. H. Toombs,
Weeks & Beer,
F. T. Newbery,
Carvell Bros.

Visitors to the Exhibition will find a large assortment of all they require from a Druggist at Watson's Drug Store.

NICE FAT OFFICES.—There are 122 sheriffs, registrars, county attorneys and county clerks in Ontario whose salaries and fees average over $4,000 each. One of these receives $18,000; two who receive $17,000 each; three who get $10,000 each; four who get $9,000 each; seven who receive $8,000 each; nine who average $7,000 each; fourteen who get $6,000 each, and twenty-one who get $5,000 each.

THE BISLEY TEAM.—An Ottawa special to the *Empire* says: Although the Bisley meet of next year is a long way ahead, military men are already discussing the chances for the commandantship. It is held to be Nova Scotia's turn for the honor, and the names of Major Weston, senior major of the 66th battalion, and Major Garrison of the Halifax Garrison Artillery are mentioned in connection with the position.

NEW STEAMER.—We understand from Mr Ings, president of the Charlottetown Steam Navigation Co (Ltd.), that they have contracted with Messrs. Wigham, Richardson & Co., Newcastle-on-Tyne, to build for them a steel twin-screw steamer of the following dimensions: Length, 225 feet; beam, 33 feet; depth, 21 feet; draft of water, 11½ feet; speed, not less than 15 knots, loaded. She is to be delivered, afloat, on 30th April, 1891.

Country Merchants visiting the Exhibition should go to W. R. Watson's—Headquarters for Patent Medicines, Wholesale.

THE STAFF OF LIFE.—Just baked, a fine lot of plain and fruit pound cake; also a large assortment of cakes, buns, rolls, pies, chester cake, cream of tartar biscuit, sponge cake, etc. Baked every day, our loaf bread, best in city, try it. Bread and cakes will be delivered when required every day by team. Please leave your orders with D Stewart, Eclipse Bakery, Kent Street, Watts' old stand. sep 29 tl fri

FROM ONE TUBER.—An exchange says: Five pecks of potatoes from one tuber—how is that for high? Well, that is the exact altitude, and this is how it came about: Last spring Henry Green, of Upper Woodstock, carefully cut up one seed-potato and planted it in his garden. The other day he dug the hills and found to his wonder that he had one bushel and a peck of large, smooth potatoes as the product of the one. Such an extraordinary yield is but seldom obtained.

ANTIGONISH WATERWORKS.—The contractor for the construction of the Antigonish waterworks is rushing the work. Already he has about a mile of pipe laid, and has done considerable work on the reservoir. From 100 to 150 men are employed, and it is expected that the work will be finished this year. The reservoir is situated in a ravine between two high hills. The dam will be about 300 feet wide and 18 feet high. The work will cost about $40,000. Antigonish is a town of about 2,000 inhabitants.

THE BALMORAL CHOIR.—The Balmoral Choir is fortunate in its conductor, Mr. Walter Bruce. Himself an artist of the very highest order, his beautiful baritone voice having won him the highest encomium of critics in both hemispheres, he is equally popular as a composer, and some of the part songs sung by the Choir were arranged by him. As a conductor he has supreme command over the Choir and they respond to his baton with the regularity of automatons. His mastery of detail is wonderful and the high degree of proficiency which the Choir has attained in the singing of part songs is due as much, possibly to his training and direction as to their own beautiful voices.

Exhibition Advertising.—W. R. Watson has some effective advertising about the town in the form of large colossal pictures advertising standard Patent Medicines.

THE REGATTA.—The regatta to be held to-morrow forenoon promises to be a grand success, as from three to five entries have been made in nearly every event. The New Glasgow crew arrived here last evening, and brought with them their four-oared shell and four-oared lapstreak boats. These, no doubt, will be hard fought races, and the crew that passes the winning line first will not have time to "suck a lemon." Walter Connell, of Pictou, also arrived last evening to compete in the single scull shell race, and he will, no doubt, find a worthy opponent in the South End's representative. Exciting contests may be looked for in every event, as the South End and Hillsborough Boating Clubs are well represented.

SPECIAL DESPATCHES TO THE EXAMINER.

The Birchall Case.

"GUILTY" THE VERDICT.

WOODSTOCK, Ont., Sept. 29.

Birchall was found guilty of the murder of N. Benwell at 11.30 this evening. At 10 o'clock, Blackstock, the prisoner's able counsel, began his address to the jury. He spoke five and a half hours, and made a magnificent effort. Osler, Q. C., followed for the crown, and for four and a half hours reviewed the evidence in such a telling manner against the accused that for the first time since the trial Birchall appeared to be completely overcome. Judge McMahon spoke two and a half hours and charged agsinst the prisoner. The jury retired at 9.53, and while out Birchall regained his former appearence and seemed to be the most unconcerned man in the courthouse. At 11.30 the twelve jurors filed into the court room. Their looks plainly indicated their decision, and Birchall steeled himself for the verdict as given above. The crown prosecutor, having moved for sentence, Judge McMahon sentenced Birchall to be hanged on the 14th of November next.

The Methodist Conference.

MONTREAL, Sept 29.

Owing to so many delegates having left without leave, it was ordered to call the roll and publish the names of absentees. Some had only been in attendance a short time, had drawn their expenses and gone off on business or pleasure. Such conduct was strongly condemned.

Instead of one delegate to the General Conference for every ten members of the annual conference, the number is to be one in twelve. Laymen are not to be members of stationary committees, but may appear as representatives of quarterly boards before the said committee in circuit interest. Assistant sabbath school superintendents are not members of quarterly board. Regular attendance on the means of grace is necessary to the continuance of church membership, and pastors were empowered, after due notice, to drop from the registry those failing in this respect. In the order of public worship, responsive reading of the scriptures is permitted when so desired in the morning service. The secretaries of districts are to answer for all ministers in their districts on disciplinary questions instead of answering in detail.
