

IN MEMORIAM

HILTZ - In loving memory of Roy Hiltz, who passed away June 3, 1957.

God only knows how much we miss him. Never will his memory fade. Wandering thoughts will always wander To the spot where he is laid.

Sadly missed and always remembered by mother and brothers, Reg and Arnold.

YOUNKER - In loving memory of Mrs. Bertram Youngker, North River, who passed away June 2nd, 1956.

"To us she has not gone away, Nor has she travelled far, Just entered God's eternal home And left the gates ajar."

Remembered by husband and family.

SHERREN - In loving memory of my dear husband and father, Henry Sherren who passed away June 2, 1947.

"Often and oft our thoughts do wander To a grave not far away, Where we laid our husband and father Just eleven years ago today.

We miss you Henry at every turn, Along life's weary way, And home has never been the same.

Since you were called away A happy home we once enjoyed, How sweet the memory still, But death has left a loneliness The world can never fill.

None on earth can take your place.

Lovingly remembered by wife and family.

McCAFFREY - In loving memory of a dear husband, Michael A. McCaffrey, who died June 2, 1947.

I do not forget you, or do I intend - I think of you often and will go to the end.

Gone and forgotten by some you may be, But dear to my memory you ever will be.

Lovingly remembered by wife Catherine.

MAMYE - In loving memory of my dear brother, Mr. Joseph Mamye who passed away June 1st, 1943.

Always remembered by his sister, Mrs. Frank Reid and family.

Eldorado Firm Reports Profit

OTTAWA (CP)—Eldorado Mining and Refining Limited, the government agency that supervises Canada's uranium program, Tuesday reported net profit on 1957 operations of \$5,055,920.

The profit figure was sharply higher than the \$3,519,807 in 1956, despite provision for \$2,680,000 in income tax compared to \$1,575,000 in 1956.

The higher 1957 tax was due partly to increased earnings from expanded operations at the company's mine holdings in the Beaverledge area of northern Saskatchewan.

Another reason was that 1957 was the first full year in which the company paid income tax on profits from the Beaverledge operation. A three-year tax-free period granted the mine operation ended Oct. 31, 1956.

The company, in its annual report tabled in the Commons, said it now has contracts to buy uranium from 16 producing companies and has sales contracts to match these. Total value of the contracts is about \$1,425,723,000.

Most of Eldorado's uranium sales will be to the United States Atomic Energy Commission. But between July 1 and the end of March, 1958, about \$220,000,000 worth also will be sold to the United Kingdom Atomic Energy Authority.

Low Confirms Quitting Politics

OTTAWA (CP)—Solon Low Monday night confirmed he is retiring from politics.

In his last speech as national leader of the Social Credit party he said he is handing in his resignation this week.

Next September he returns to Raymond, Alta., to resume a teaching career he dropped 23 years ago when the Social Credit movement surged to provincial power.

His last speech as a political figure was made, ironically, to Ottawa Young Progressive Conservatives. Social Credit representation in Parliament was wiped out by the Conservative sweep to power in the March 31 election.

CRASH KILLS SEVEN

RANGER, Tex. (AP)—A flaming car-truck crash killed seven persons Saturday — a young couple, four of their five children and the truck driver. The collision occurred on a narrow bridge 10 1/2 miles east of here in north central Texas.

OTTAWA (CP)—Prime Minister Diefenbaker will be the main speaker at the annual convention of the Canadian Good Roads Association at Montreal Sept. 30.

Oct. 3, it was announced Saturday. Some 2,000 delegates are expected.
