DDF PLAYERS VISIT WOODLEIGH

Despite the heavy pace demanded by the 1964 Dominion Drama Festival now underway in Charlottetown, some of the members of the Les Compagnons De Gil of Montreal yesterday found time to make a tour of the P.E.I. National Park. One stop on the tour was at the site of the Woodleigh Replicas constructed by Col. E.W. Johnstone on his farm at Burlington. Here Odette Blouin a member of the group's backstage staff and actor Pascal Rollin examine an exact replica of the birthplace of William Shakespeare.

Hiring Freeze Is Announced By Thatcher

REGINA (CP) — Saskatchewan Liberal Leader Ross Thatcher, who takes over as premier Friday, has announced a freeze on the hiring of civil servants, effective at midnight.

Mr. Thatcher said in an interview the freeze applies to all positions in the public service and in boards, agencies, commissions and Crown corporations of the government, except those positions to which individuals are appointed by the cabinet. It will not apply to hiring of casual labor.

Mr. Thatcher said the freeze was to enable his government to reduce the ranks of the civil service if that is recommended by a Glassco-type commission to be set up to determine how "fat and waste" can be eliminated in government operations. He said he hopes to set up he Glassco - type commission shortly.
