BOOKSTORE MANAGER TO REPRESENT WARD 4 STEWART ELECTED TO CITY COUNCIL

by Linda Scales

U.P.E.I. bookstore manager Russell Stewart was among five aldermen newly elected to city council during Charlottetown civic elections Monday.

Mr. Stewart and R. Wilson Ross, an employee of the department of labour, will represent ward four on the council.

Mr. Stewart said in an interview with this paper Tuesday, his decision to run for an alderman position was aided by his recently expired position on the Unit Three School Board.

He said working on the school board stirred his

interest in community affairs such as with the school safety patrol program.

With time to devote and an interest in civic politics, Mr. Stewart said he executed a door-to-door campaign throughout his ward-- Grafton, Kent and Fitzroy Streets.

This type of campaign enabled him to find out what the people of his ward really wanted, changed, or improved in their city.

"I am non-committal about changes yet," said the new alderman. He said to set out with a distinct purpose was useless

as to have them work, the people have to be involved.

Mr. Stewart said though, he would like to see improvements made to sidewalks, lighting and streets in the city

plus a more effective method of snow removal for the winter.

If given the choice to what committee he'd like to work on, Mr. Stewart said he'd choose either the

police or recreation committee. The interest in these areas were influenced by his work with the school board.

J.P. MACINTYRE NAMED ATHLETE OF THE MONTH

It should come as no surprise to college sports fans that Jon Paul MacIntyre has been named the October winner of the McDonald's UPEI Athlete of the Month Award.

MacIntyre received the award in an afternoon ceremony at McDonald's on Tuesday afternoon.

The presentation was made by the donor of the award, Frank Johnston of

McDonald's restaurants.

MacIntyre was picked over five other aspirants for this month's award, including three people who had been nominated during the month of September.

The other nominees were Joanne MacLean (field hockey), Don Cameron (soccer), Mike Lyriotakis (football), Wilfred MacDonald (hockey) and Dave Arsenault (basketball)

JON PAUL MAC INTYRE

MacIntyre's month was certainly impressive from a statistical standpoint.

He racked up seven touchdowns and over four hundred yards along the

MEINCKE ADDRESSES STUDENTS AT 2PM

Thursday, Nov. 10 Dr. P.M. Meincke, the president-designate of U.P.E.I. will be attending a general meeting for the students in the Duffy Amphitheatre at 2pm

Before the general meeting, the Student Union is sponsoring a luncheon for Dr. Meincke at the Rodd Motor Inn. It will be attended by Dr. and Mrs. Meincke; Jim Larkin, president of the Presidential Search Committee; the Student Council executive; Mickey Place, the

ground in the five Atlantic Universities Football Conference games

the Panthers played. He also was recipient of two Rick Kiraly passes for touchdowns. But, it is also possible to measure MacIntyre's month in another way as he played on offence and defence for much of the month when injuries hit the Panther defensive secondary.

His efforts during the month went a long way towards his selection as an all-conference running back. His unanimous selection at that position made him only the second Islander to be named to a football All-Conference team.

Student Union business manager; and their guests. A mini-reception for these people will be held in the Barn.

Dr. Meincke, who was picked from 34 other candidates, has been on campus before but this is the first time since his appointment that he has been available to the student body for questioning.

Dr. Meincke has a doctorate in physics from the University of Toronto. He is a professor of physics at U. of T., as well as being on the staff of Erindale College and of the Centre for Culture and Technology.

I WITNESSED...

Two female sophomores very innocently attempting to enter a dressing room at the Rink before the skate Monday afternoon. They weren't even inside the door, when the first sophomore's mouth dropped, and she nearly tripped over the second, trying to get from the room. There were peals of laughter as they raced through the Rink. The reason? It is not certain, but it is presumed their blushes were caused by the obviously embarrassed male standing stark naked on a bench in the otherwise empty dressing room. It has always been conceded that the males at this university are "hot", but really, guys!!!
