

# Ellerslie Man Named President Of Prince Co. Fish And Game Ass'n

Mr. Dick Found of the Federal Department of Fisheries, Ellerslie, was last night elected as president of the Prince County Fish and Game Association at the annual meeting held in the Town Hall, Summerside. Mr. Omer Bernard of Tignish was elected vice president and Mr. Norman E. MacLeod was re-elected secretary treasurer. On motion it was decided that the secretary henceforth be paid the sum of seventy five dollars per annum for his services.

The meeting opened with the singing of the national anthem. Mr. E. N. MacQuarrie in the chair. He submitted his annual report on the activities of the association during the past year. Mr. MacQuarrie said that it seems impossible to get the necessary support of the association in this county. There is a large number of fishermen and hunters who do not join. First they want to see something big done and then, they say, they will join. But Mr. MacQuarrie pointed out that until a large membership is obtained that many of these things cannot be attained. In his report he also referred to the necessity of having proper law enforcement of the Fish and Game Act and suggested that there should be at least one officer in each county as a protection for fish and game and to prevent infractions of the act.

The secretary read a letter from the Dominion Wild Life Service regarding a survey being made in the Maritime Provinces on the decline or increase in the rabbit population. This department is primarily concerned with migratory birds but are also concerned with the rabbit population. The letter requested information on the increase or decrease of rabbits in this Province.

Considerable discussion was held on the matter of infractions of the Fish and Game Act and Mr. M. M. Bell said that he was of the opinion that until there are law enforcement officers appointed, nothing definite can be done to curb these violations.

Mr. Kave Hansen said that he believed that the violations of the act by young people, for instance, could be to a great extent curbed by proper youth education. He be-

lieved that the Provincial Government should make it part of the school curriculum to have instructors visit the schools giving lectures and instructions on the preservation of wild life.

The meeting went on record as supporting the move that an effort be made to have Mr. Spurgeon Jenkins of Charlottetown appointed a field man for Prince Edward Island and thus to form the nucleus of a complete protective service for the Island.

The meeting unanimously decided to support the movement by the other two counties to have the hunt season and the pheasant season coincide in this Province, the suggested dates being October 15th to the closing of the hunt season.

It was decided that this association would hold a crowd contest this year as a means of eliminating to some extent these destructive birds and it was left in the hands of the executive to attend to the details of the contest.

The secretary brought to the attention of the meeting the matter of hunters and fishermen who carelessly overrun private property and cause damage to property and stock in many cases. He impressed on those present the necessity of extending to the property owners the courtesy of a request to either fish or hunt on their lands which as he pointed out is a privilege to which the owner is entitled.

The president, Mr. Found, said that if this courtesy was extended there would be a general feeling of good will and cooperation between the sportsmen and the farmers. He said that in all the years he had fished and hunted in this Province that only on one occasion had he been refused permission by the owner.

The meeting appointed the following members as the executive for the coming year: Frank Platts, Tyne Valley; Fred Semple, Kensington; R. C. Dennis, O'Leary; Reginald Rogers, Borden; D. H. Gallant, Miscouche; Edward Milligan, Alberton; Camille Chaisson, Tignish. Messrs. Morley M. Bell and George Bonness of Summerside were appointed as the directors from the local branch to act on the Provincial executive. — S

## LITTLE SPORT

PAGE SIX

THE GUARDIAN, CHARLOTTETOWN

MAY 18, 1951

Officials of the Charlottetown Tennis Club are looking forward to a banner year of activity. President Ned Wran said yesterday: "We are planning on a number of tournaments this year and with the added facilities of a new clubhouse for social activities as well, we are looking forward to one of our best seasons in years." Ned also said that the club will place special emphasis on junior development this year and that many of the senior players have already offered their services in coaching the youngsters along, which will also include senior members who are just taking up the game.

Although no dates have been set for tournaments as yet, the local club and officials of the R. C. A. F. station at Summerside are negotiating with one another to arrange a number of exchange tournaments, and that another Provincial tourney is in the making for this summer. For the first time last year, such tourneys between the local club and the R. C. A. F. were carried out and proved a great success. The airport club produced some excellent players last year and were one of the biggest factors in making the provincial championships one of the keenest in years.

Other tournaments planned will include the Charlottetown club's annual inter-club competitions for seniors and juniors and it is understood that a provincial junior tourney is also under consideration. The latter competitions will be carried out under the direction of Jimmy Palmer, former Maritime junior utility and one of the Island's leading players of the racquet wielding sport. Jimmy plans to organize a school for the development of interscholastic players here this summer and the provincial tourney will be part of his programme.

Work on the courts and grounds of the local club has been going on for the past two or three weeks under the direction of G. D. FitzGerald, chairman of the grounds committee, and excellent progress has been made. It holds every promise of all six courts offering perfect playing facilities. The new clubhouse, which was commenced last fall, is nearing completion, with just painting and other odd jobs left to be done before it is officially opened.

In reply to the many inquiries as to when the courts will be ready for play, officials stated yesterday that at least five of the six courts will be in readiness by the 24th of May but that the annual opening ceremony will not be held until a later date to coincide with the official opening of the new clubhouse.

President Wran stated yesterday that "We are at present conducting an all-out drive for membership and that every effort is being made by the executive to make things as attractive as possible for the new members as well as the regulars who have been the backbone of the club year after year. Special attention will be given to new members and beginners to make them feel at home and many of the more experienced players will be on hand to play with and instruct those who wish to learn or improve their game." The regular Saturday afternoon teas, put on by the lady members of the club, will be in vogue again this year, and with a new clubhouse at their disposal, many other features of social entertainment are being planned.

In view of the apparent lack of interest in getting junior and senior ball rolling for the season, Department of Physical Fitness officials announced yesterday that

## Islander On Winning Team

Members of the Huron Division boxing team which won the Inter-Divisional Boxing Trophy at H.M.C.S. Cornwallis, the R.C.N.'s new entry training base near Digby, N.S., smile for the camera after their triumph. Representing seven provinces of Canada, the sailor-boxers are, front row, left to right: Ordinary Seaman Edward Carter, Kamloops, B. C.; John Walsh, St. John's, Nfld., and Alexander Griffin of Kingsmere, Ont. Centre row, left to right: Ordinary Seaman Herbert West, Edmonton, and Fred Clair of Moncton, P.E.I. Back row, left to right: Ordinary Seaman Carl Kaizer, of Halifax and Kenneth Johnson, Windsor, Ont., PO Raymond Ellison, of Cornwallis (manager of the team), Ordinary Seaman John and Ronald Geary, brothers from Windsor, Ont. — (RCN Photo).

## Gavilan Is Favorite For Bout Tonight

NEW YORK, May 17 — (AP) — A flood of money on the challenger boosted flashy Kid Gavilan to a 2 to 1 favorite today to whip National Boxing Association welterweight champion Johnny Bratton in their 15-round title bout in Madison Square Garden tomorrow night.

The odds rose 1 1-2 points from the 3-1-2 to 5 odds favoring the Cuban yesterday. Interest in the bout has zoomed up with the weather and this may turn out to be the biggest betting fight of the year.

Although the 10 P.M. (EDT) bout is being broadcast and telecast, the promoting International Boxing Club expects its largest crowd and gross of the Garden season.

Officials predict a turnout of from 12,000 to 14,000 and a gross gate between \$50,000 and \$60,000. The Garden record for the year is the 11,504 crowd and \$44,188 gate for the heavyweight championship fight between Ezzard Charles and Lee Oma in January.

New York will recognize the winner as champion. Thus the victor will be hailed as king everywhere but in Britain and parts of Europe. The British insist Eddie Thomas, the European and British welterweight champ, must get a chance before anyone is named successor to Ray Robinson, the current middleweight champion.

Both Bratton and Gavilan have signed to meet Billy Graham in July. And the confident Bratton says: "I'll settle the whole thing by beating Gavilan, Graham and Thomas."

"The odds against him doesn't faze The Brat in the least. 'Gavilan is a lot of flash,' said Johnny. 'He's smart and makes a lot of moves. But he can't hit. I'll beat him.'"

"I've seen," said the equally confident Kead. "He good hitter but not like Robinson and Robinson he never knock me down."

## West End Cardinals In Two-Game Lead In City Bantam Baseball League

The West End Cardinals took a two-game lead on the City Bantam Baseball League race at the K. of C. diamond Wednesday afternoon when they drubbed the second place North End Royals by a lopsided 22-7 count.

It was the third straight victory for the Cardinals who took both ends of a double bill last Sunday. Cards now have four wins and one loss in five starts while Royals have two wins and three losses. The third team in the loop, North End Yankees are in the cellar with one win and three losses in four scheduled games.

Striking out 12 batters and allowing only five hits, young Donnie MacDonald went the full route for the Cards to be the winning moundsman. Royals used four pitchers, Skippy Thompson, Bobby Dillon, Donnie Dunn and Frank Roberts, who were bingled for 19 hits by the larruping Cards. Bernie Gallant did the receiving for Cardinals while John Kane was the other half of the Royals battery.

Shortstop Ronnie Stanley of Cards was the long hit artist of the day when he slammed a high fly into deep right field for a home run in the third inning. Harry McGee of Royals swung the other heavy bat of the day when he tripled to right field in the second. Both batters had one man on base at the time.

Cardinals chalked up their big score with four in the first, and a big 10-run spurge in the second, scored doubles in the fourth and sixth and four in the fourth. Royals were limited to two runs in the second and again in the fifth with their biggest rally coming in the fourth with three. Royals were credited with six errors and Cards one.

The next game of the schedule will be played this evening at the K. of C. diamond when the Royals and Yankees clash. Officials for Wednesdays game were: Arnold McCallum (plate); Harold Pineau and Lund (bases).

LONDON, May 17 — (CP) — Ninety-six thoroughbreds from six countries were entered today for the richest event in the history of British racing—the £20,000 (\$50,000) added King George VI and Queen Elizabeth Festival of Britain Stakes. The 1 1/2-mile race for three-year-olds and up will be run at Ascot July 21.

**SNAP SHOT FINISHING**  
Rolls of film developed and printed and sent out the same day. Prints double size at no extra cost. Any 8 exposure roll 35c. Mail Film Service, Charlottetown.

## ATTENTION RIFLEMEN

Rifles for members of the P.E.I. Rifle Association will be available for issue at H.M.C.S. Queen Charlotte at the following times:

Friday—1.00 p.m. to 4.00 p.m.  
Saturday—9.00 a.m. to 12.00 a.m.

Lt. Col. W. J. MacDonald,  
Secretary-Treasurer.  
P.E.I. P.R.A.

## NOTICE

The Annual Meeting of the Shareholders of the Charlottetown Forum Limited called for the 23rd of May, 1951, is postponed, and will be held at the FORUM AT 7 P.M. on TUESDAY the 29th of MAY, 1951.

D. I. SINCLAIR,  
Secretary-Treasurer.

## LEGION NOTICE

There will be a meeting of the members of the Charlottetown Branch Canadian Legion at 8 P.M. FRIDAY, MAY 18th.

All members are urgently requested to attend.

## New Regulations For Harness Race Betting

OTTAWA, May 17 — (CP) — Betting at pacing and trotting races meets in Canada is being brought under government supervision. A bill amending the horse-racing sections of the Criminal Code to make pari-mutuel regulations apply as they do on running horse races today was introduced in the Senate and given first reading. Senator Wishart Robertson, Government leader, indicated it will be debated early next week.

A spokesman for the Agriculture Department, which administers pari-mutuel betting, indicated growth in popularity of trotting and pacing meets, particularly in Ontario, engendered the move. He said it was sought by Trotting Associations.

The bill lays down the same regulations as set out for running races — no more than 14 days of racing and eight races daily. It sets out the percentage of the total amount staked which may be retained by the Association. The Association take ranges from nine per cent on the first \$20,000 on a sliding scale down to five per cent on stakes of more than \$50,000. The main portion of the pari-mutuel betting pool goes back to the bettors. In addition to the percentage taken by the racing association there is a Provincial tax which varies from Province to Province. Provincial taxes totalled almost \$6,000,000 last year.

The official said some trotting and pacing associations have been conducting pari-mutuel betting. However, it has not been supervised and was small in comparison with thoroughbred racing which totalled more than \$53,000,000 in Canada last year.

He did not think more than a

half dozen associations would be affected, most of them in Ontario. Pari-mutuel betting is supervised by the R. C. M. P. at tracks in all Provinces except Quebec. The Agriculture Department employs civilian inspectors there and the cost is charged against the tracks. The Federal Government gets no tax out from racing meets.

## 18 Race Horses Lost In Fire

MONTREAL, May 17 — (CP) — Eighteen valuable race horses were burned to death or had to be destroyed when fire swept through a barn at Blue Bonnets racetrack last night. Two persons suffered slight burns.

Only four of the 22 horses stabled in the structure were saved. Fifteen horses died in the flames. Three had to be shot later because of extreme burns.

The horses were valued at around \$50,000 and the barn at about \$15,000.

General manager Lucien Chart-rand said the 42-day meet will open tomorrow on schedule.

## Boxing Promoter Wins Case Against Ike Williams

LOS ANGELES, May 17 — (AP) — Boxing promoter Joe Lynch today won a \$400,000 breach of contract judgment against lightweight champion Ike Williams.

Lynch contended that Williams reneged on an agreement to fight John Thomas here in May, 1947. Williams pleaded a broken hand, but Lynch's lawyer, Ronald Walker, showed that the champ fought five times between February, when he turned down the Thomas, bout, and May of that year.

## One Set of Golf Rules Planned For Whole World.

LONDON, May 17 — (AP) — One set of golf rules for the whole world has been agreed upon, it was announced tonight by representatives of the United States Golf Association and the Royal and Ancient Golf Club of St. Andrews, whose rules are followed almost everywhere except in the U. S.

The recommendations, which still to be approved by the executive committee of the U.S.G.A. and by the membership of the R. and A., include:

1. Abolition of the stymie.
2. Allowing the small British ball to be used in the United States.
3. Allowing the goose neck and other legal American putters to be used in the rest of the world.
4. A standard penalty of strokes and distance for a ball lost, unplayable or out of bounds.

If they are approved, the new rules probably will go into effect Jan. 1, 1952.

## Three Teams Threaten Dodgers' Leadership In National Baseball League

By The Canadian Press  
The National League race was tight today, with Pittsburgh, Boston and Chicago within a game of the leading Brooklyn Dodgers.

The Pirates and the Cubs charged into a threatening position yesterday, Chicago throttling the Dodgers 7-0 and Pittsburgh downing New York Giants 12-7. The Dodgers' vaunted power was short circuited by Frank Hiller who shut out the Brooks with seven hits. Hank Sauer boomed a three-run homer and Ransom Jackson also homered off loser Erv Palca.

Ralph Kiner lowered the boom on the Giants with his sixth home run yesterday. Interest in the race has zoomed up with the weather and this may turn out to be the biggest betting fight of the year.

Although the 10 P.M. (EDT) bout is being broadcast and telecast, the promoting International Boxing Club expects its largest crowd and gross of the Garden season.

Officials predict a turnout of from 12,000 to 14,000 and a gross gate between \$50,000 and \$60,000. The Garden record for the year is the 11,504 crowd and \$44,188 gate for the heavyweight championship fight between Ezzard Charles and Lee Oma in January.

New York will recognize the winner as champion. Thus the victor will be hailed as king everywhere but in Britain and parts of Europe. The British insist Eddie Thomas, the European and British welterweight champ, must get a chance before anyone is named successor to Ray Robinson, the current middleweight champion.

Both Bratton and Gavilan have signed to meet Billy Graham in July. And the confident Bratton says: "I'll settle the whole thing by beating Gavilan, Graham and Thomas."

"The odds against him doesn't faze The Brat in the least. 'Gavilan is a lot of flash,' said Johnny. 'He's smart and makes a lot of moves. But he can't hit. I'll beat him.'"

"I've seen," said the equally confident Kead. "He good hitter but not like Robinson and Robinson he never knock me down."

## Would Cost \$8,000 Or More To Light Memorial Field

It will cost between \$8,000 and \$10,000 to light Memorial Field for night baseball or other athletic events carried on at night, it was learned here yesterday from Brigadier W. W. Reid, Director of Physical Fitness. That is the estimate received on the installation cost of an up-to-date lighting plant to meet the requirements.

The lighting plant calls for the installation of eight units including ten poles and 126 light bulbs, each of 1500 watt capacity. That makes a total lighting power of 189,000 watts. The plan is patterned after Lansdowne Park in Ottawa. That's the park used by the International Baseball League clubs.

The plan calls for the installation of four units in an arched row at the end of the field behind home plate. Two of the units would consist of double poles with a total of 24 lights on each. The other two would each have 13 lights on them.

The four units at the outfield end of the field each carry 13 lights. The centre of the outfield arc of lights would be approximately 390 feet from home plate, according to the tentative plan that is now available.

The poles for the light approximately seventy feet in height. The Brigadier suggested that possibly some of the local organizations, service clubs, etc. that have concessions in connection with Festive Week here this year might turn over a part or all of their profits to the cost of equipping the field with lights.

Such a development would pay a part of the cost.

## Baseball Standings
