Nobody misses you more than we.

NEW YORK

NEW YORK (AP)—Rails led an industrial advance that Tuesday pushed the stock market to another record high, its third in a row.

Late buying carried the list upward. The market was mixed for most of the day as profits were taken on five straight days of advance. Only the rails stood out as gainers from start to finish.

Excellent earnings and vastly improved reports of carloadings have provided reasons for an upturn of rail stocks. New York Central leaped to the top of the most active list, gaining 1¾ to 30¾.

General Motors, up 3⅜ at 58¾, was the second most active stock. All motor stocks except Studebaker-Packard, which dropped a fraction, were on the upside after a weak start.

The Associated Press 60-stock average rose $1.30 to a record $233.50.

On the Canadian list, Aluminium Ltd. rose 1⅛, Canadian Pacific ½ and Distillers Seagrams ⅝. Dome Mines, Granby Mining and Hudson Bay Mining lost ⅛ each, International Nickel and Walker Gooderham ¾ each.

American stock exchange prices were mixed. Canadian Marconi lost ¼.

TORONTO

TORONTO (CP) — Western oils were the big losers Tuesday on the stock market in light trading while base metals were down a few decimal points.

In golds McIntyre was off ¼ at 90⅛ and Kerr-Addison gave up ⅛ at 21¼. Hollinger gained ¼ at 31½.
