FROM a number of certificates which have been received from time to time, testifying to the efficacy of "Skinner's Vegetable Stomachic Pills and Stomach Renovator," the following is selected for public information.

DEAR Sir,—I had been ailing for upwards of two years from some complaint of the stomach. I tried several remedies, but all to no purpose. My complaint seemed to gain ground; for three or four times daily I was compelled to leave off work, and lay down from excess of pain in my stomach. When in Town, one day, I made my condition known to you (although almost in despair); you told me you would cure me. You gave me a Box of Vegetable Stomachic Pills, also a Bottle of your Stomach Renovator, or Appetite Drops, prepared by yourself; and as many persons may be suffering as I have done, I think it is not only necessary, but an act of justice, to make known where so efficacious a remedy for stomach complaints may be obtained, as I have been most effectually cured by it after so long a period of intense suffering. I can also testify that two of my neighbors, who were similarly affected, were likewise cured by so much of the medicine as had been left unused by myself. I remain, Sir, your very obdt. servant, Lot 49, Jan. 21, 1857. ALEXANDER MACDONALD.

No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK. The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS. These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antiseptic to pain and inflammation.

KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, leeches, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scrofulic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS. The effect of this unvalued external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.

Both the Ointment and Pills should be used in the following cases:— Bad legs, Chieftain's foot, Pustules, Sore-throats, Bad Breasts, Chilblains, Gout, Skin disease, Burns, Chapped hands, Glandular Swellings, Scoury, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mosquitoes, Contracted and Rheumatism, Ulcers, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 241, Strand, (near Temple Bar) London, and 89, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. each Pot. There is a considerable saving by taking the larger size. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT.

CHERRY AND LUNGWORT, FOR THE CURE OF Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and CONSUMPTION.

DEATH CAN be and has been prevented in thousands of cases by this nature's own remedy. JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT. This medicine, unlike most of the patent remedies of the day is the result of the careful study and experiments of a scientific and experienced Physician. The two principal ingredients have long been known and celebrated.

WILD CHERRY BARK. When the strength of this is properly extracted is the best medicine known for curing the worst Coughs and other Pulmonary diseases, it loosens the phlegm and enables the sufferer to expectorate easily, and alone will cure the worst cold or cough, which if neglected always leads to Consumption.

LUNGWORT. This is a plant the virtues of which are known to but few, it has been said by the most learned men of all times, that "nature has provided a remedy for each and every disease," and the discoveries that are daily made, go to prove its truth. Lungwort is doubtless the remedy designed by nature for Consumption. Its healing properties are truly wonderful, and the rapidity with which it cures the worst cases of Ulcerated Lungs, soothing and subduing all irritation, almost immediately, is a proof of its adaptation to this disease.

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallible cures, but which have proved only palliatives, but this medicine is not only palliative but a cure for ulcerated lungs. It contains no deleterious Drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs and Liver, such as Spitting of blood, Coughs, pain in the side and chest, night-sweats, &c. &c.

CAUTION.—To protect our own as well as the interest of the Consumptive sufferer, we are obliged to caution all to find the signature of COMSTOCK & BROTHER on the wrapper, without this it is a worthless counterfeit. Remember this.

The great changes of weather and season, with the change of use and food, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c.; all of which will be prevented by giving one of these Powders twice or three times a year, and will at any time cure when any symptoms of disease appear, if used in time.

One Powder will cure the Horn Distemper in Cattle without boring the horns, or doing any thing beside, and every Cow should have one given to her after calving.

CAUTION EXTRA.—A Medicine like this is always counterfeited by some. There are counterfeits in the market. Beware of imposition. Never buy "Carleton's Condition Powders" without you find the full fac simile signature of J. CARLTON COMSTOCK on the wrapper.

Youtt's celebrated Gargling Oil, for Man and Beast, OR UNIVERSAL FAMILY LINIMENT.

The most wonderful External Application ever discovered! Better than any other Pain-killer, Liniment or Gargling Oil ever invented.

This Oil is made from a recipe procured at great expense from a relative of "Youtt," THE CELEBRATED ENGLISH FARRIER and AUTHOR of "YOUTT ON THE HORSE," who used it invariably when he required an external application.

Therefore we feel justified in saying that we believe all who try Youtt's Gargling Oil will find it better than all other Gargling Oils or Liniments.

The use of this penetrating Fluid has been attended with unparalleled success in all the disorders of Horses which require an external application; such as Coughs, Chafes or Galls, Cuts, Wounds, Sprains, Film in the Eye, Scratches, Cracked Heels, Strains of the shoulder, Stifle, Hough, Knee, Whirlbone, Fetlock, and of the Pastern and Coffin Joints, &c., &c.

We might add many Certificates from all parts of the country but we simply ask all to TRY this remedy for any of the above complaints on Man or Beast, and they will be convinced that it is the most wonderful Liniment ever known.

The YOUTT'S GARGLING OIL was at first intended only for the diseases of Horses; but experience has shown that it is a most efficacious and certain remedy for any of the complaints humanity is heir to, where an external application is necessary; and one trial will fully convince you that we do not exaggerate when we say, that its Pain-Killing, Healing and Strengthening properties are beyond any thing ever known.

Give this Article one trial, and you will never again be without it. It is put up in large bottles, at 25 cents per bottle and is the BEST and CHEAPEST remedy ever invented.
