CONTRACT BRIDGE

By B. JAY BECKER

TEST YOUR PLAY

1. You are declarer with the West hand at Three Notrump. North leads the three of diamonds and you win the jack with the queen. How would you play the hand?

	♠KQ63 ♥AK85 ♦AQ4 ♣AJ	
♠105 ♥742 ♦7652 ♣KQ94	N W E S	

2. You are declarer with the West hand at Six Hearts. North leads the king of diamonds which you win with the ace. How would you play the hand?

	♠K852 ♥AKQ86 ♦32 ♣A	
♠A643 ♥J1097 ♦8 ♣AQ109	N W E S	

1. There are several ways to play the hand and the problem is to find the method that has the best chance to succeed. You start with seven immediate tricks — two hearts, two diamonds and three clubs — and have to build up two more.

The proper play is to lead a low spade towards dummy at trick two. This offers the best chance of establishing two more tricks (in spades). It succeeds if North has the jack— a 50 per cent chance—and still maintains a possibility of making the contract even if South has the jack. No other line of play is as promising as this one.

2. This is a sure-thing proposition bound to win against any distribution of the opponents' cards. Obviously, the only danger is that the spades are divided 4-1 (or 5-0), and the thing to do is to guard against that distribution. (If the spades are divided 3-2, you give up a spade trick and make the contract.)

After winning the ace of diamonds, cash the A-K of hearts and A-K of spades. If it turns out that North has the four spades, play a club and finesse the nine. Even if South wins with the jack, he is forced to give you the rest of the tricks.

He must return a club, permitting you to discard both spade losers, or else return a diamond, permitting you to discard one spade on the diamond return and the other on the ace of clubs.

Now suppose it develops that South has the four spades. At trick six, play a club to the ace and lead the queen back. If South follows low, discard a spade, thus endplaying North. He must lead a club or concede a ruff-discard.

If South covers the queen with the king, ruff it, cross to dummy with a trump, and lead the ten of clubs. Discard a spade if South follows low, and ruff the jack if South covers. Either way, you are sure to establish the nine as the twelfth trick.

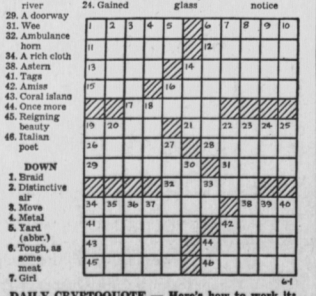
Yesterday's Answer



DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R B
is LONGFELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

TNE XQK ICNHP ENEH LC TNAE MAB XQK INHP ENEH LC ICP.—LXXPD

Yesterday's Cryptoquote: A GOOD HOPE IS BETTER THAN A BAD POSSESSION.—ANON
