DON'T MISS Rev. Mr. Cassidy's "Japanese" lecture tonight at 8 o'clock in Upper Prince Street Methodist Church.

A CURIOSITY.—One of the rose bushes in the garden of His Worship Mayor Dawson is in full bloom. This is quite a curiosity at this time of the year.

WELL PATRONIZED.—The Christmas Tree held at Summerside at the 11th and 12th, in Market Hall, by the ladies of St. Mary's Academy was well attended by citizens.

"I WANDER what Rev. Mr. Cassidy looks like in Japanese costume?" You can see to-night for 10 cents in the Upper Prince St. Methodist Church and also enjoy an excellent lecture.

PORT LA JOIE ENCAMPMENT.—The regular monthly meeting of Port la Joie Encampment, No. 4, I. O. O. F., will be held this evening (Wednesday) at 8 p. m., in odd-numbered Hall. Conferring degrees.

THE STANLEY arrived this forenoon from Cape Tormentine and Tyron. Since leaving Charlottetown she landed Cape Tormentine about at the breakwater at that place, and brought the Tyron automatic buoy to Charlottetown.

MERCURY IS DOWN.—Some person or persons removed the glass tube containing the mercury from the large thermometer outside the Central Drugstore. If the parties will call they may have the board—it might be of use to them.

ARRIVED.—The bright, Hattie Louise, Capt. King, arrived at Demerara on Saturday last, 9th inst., after a longer passage than usual, from this port. From Demerara she goes to Trinidad to load molasses for home.—Journal.

HE WILL TRY AGAIN.—Geoffrey Copeland, a colored man, attempted suicide Saturday night by cutting his throat with a razor, but was not a deep one. Copeland says his next attempt will be made with poison.—Halifax Herald.

DR. TANKER OUTSIDE.—The news comes from St. Barnabe, Que., of a young woman named Decheux, who has taken no food for 65 days, the only thing she can swallow being a little water or tea. Although very weak, she is still able to move about, and the doctors are puzzled over the case.

HER FRIENDS WERE ANXIOUS.—The Boston correspondent of the St. John says that Louise Maudsl, a Summerside girl, who was missing from Brookline for over two weeks, has been found by the police. She had simply left and found employment in the New York Hospital without informing her friends of it.

WINTER COMMUNICATION.—At a meeting held at Summerside last evening, to consider the matter of winter communication, a resolution was passed to the effect that the Minister of Marine be requested to try the Stanley between Summerside and Cape Tormentine and after the board is formed, between Cape Traverse and Cape Tormentine.

A DARING BURGLARY.—A few nights ago a burglar entered the residence of Mr. Caleb Polley, of Muddy Creek, and stole therefrom \$500 in notes which he kept in a tin box in an old fashioned leather trunk. The burglar entered the house through a window, after cutting the glass with a glazier's diamond. He took the trunk outside and broke it open to get at the money. Mr. Polley did not hear the burglar in the room or miss the money until next morning. He ought to be this time to know better than to keep so much money in his house.

KNIGHTS TEMPLAR.—Prince Edward Commandery of Knights Templar was installed here last evening by J. B. Nixon, as the Deputy of the Supreme Grand Master of the Great Priory of Canada, assisted by Mr. Pollard, of St. John, N. B. Mr. Forgan's brother, J. B. Forgan, holds a similar position in the First National Bank, Chicago.

The Summerside Journal understands that Mr. Joseph Rogers, of North Bedouque, contemplates leaving for the old world in March or April next, to be absent probably a year, the time to be spent in visiting places of historic renown, including the field of Waterloo, Rome, Naples, Constantinople, and possibly Egypt.

While in England Mr. Rogers will pay his respects to Canadian High Commissioner, Sir Charles Tupper, and this reminds the Journal that among the buildings which constitute Mr. Rogers' home-tread, is the house in which Sir Charles was born nearly eighty years ago.

GYMNASIUM MEETING.—There was a large attendance of students at the gymnasium meeting in the Drill Shed last evening. Lieut.-Colonel Longworth presided.
