

Convair Nearly Breaks The Track Record On Friday

Only the rain stopped Convair from beating the track record at the Charlotteville Driving Park last night, as he swept the three dashes of the Free-For-All. Convair won the first dash away but in front of Newport Chief (holder of the present track record of 2:05) in the fast time of 2:06.

He got ahead of the Chief again in the second dash and almost beat the track record when he came under the finish line in the speedy time of 2:05 2/5. Newport Chief chased the Mauger driven all the way to the wire in the third and final dash but Convair put on a burst of speed and finished some two lengths ahead in the good time of 2:07 1/5.

Rain started after the fifth race and helped make the miles slower, when Convair went in 2:07 1/5 it was spilling rain compared to dry weather when he came so close to the record. The first mile that Convair paced was announced to be the fastest paced in the Maritimes this year but Convair beat that mark by winning the second dash.

In the other races on the program Tommy Shanter took a twin win in the D Trot with Bud's Echo and Thair's It coming second at the finish. Eric's Peg won both dashes of the D Pace while Parker's Pick won the single dash of the Classified Pace.

DOWN THE BACK STRETCH

Old Home Week, with its glitter and glamor and the excitement caused by the spirited finishes with trotters and pacers, brings back to memory the first conception we had of such a venture. It was in the summer of 1940. The exhibition had been discontinued because of the outbreak of war. Things were going very badly in Europe; the Germans had occupied a large part of France and were threatening the invasion of England, where Canadian troops were stationed. Was president of the Exhibition Association and the thought occurred to me that it would be a good thing to put on a program of entertainment and harness racing and brighten up the picture.

I made up a petition to have an Old Home Week and called on the Honorable George D. De Blois, and explained my ideas. He signed it, and with that potent signature, hundreds more were added, and Old Home Week was on its way, and advertised extensively with the quotation: "Mid pleasures and palaces though we may roam, be it ever so humble, there's no place like home."

The best acts procurable were obtained from George Hammid, New York. One of Canada's leading singers was engaged, and these acts were interspersed with the program of harness racing in the afternoons, and the best horses in the Maritimes were brought here and given freight assistance and good pasture, until finally the midway was one of our best features on the outer grounds, and his assistance through the years was a great help to us.

FIREWORKS
 The night shows were concluded with fireworks, and considerable money was spent to make these worthwhile spectacles. The Charlottetown Riding Club also gave performances with beautiful, well-trained horses and expert lady and gentleman riders. Old Home Week continued to grow bigger and bigger, until finally the writer and Mr. Boulter decided to sell our shares to the present gentleman who is conducting the association's affairs. Judging by the crowds and enthusiasm, this year's Old Home Week comes to keep in step in the public's confidence with its predecessors.

STILL TOPS
 Monday night's opening program drew between 3,000 and 4,000 spectators who saw one of the best night's racing ever held (Continued on page 7)

HUNTER'S CORNER

Thousands Of Nests Are Robbed By Predators

It is now a matter of record that the kill of game birds by predatory birds and animals last winter reached alarming proportions. It was a grim winter. Storm followed storm and intense frosts sealed marine food under a thick coating of ice. Black ducks clustered in open springs and creek mouths and managed to find food enough to keep them alive. Many of them were in such a weakened condition they fell victims to ravens, hawks and other winged predators. Predators, both furred and feathered, take a heavy toll of wildlife all through the year. The non-game birds get by fairly well as do not have the hunter to contend with. In fact if it were not for the predators many species, robins for instance, could become too numerous.

Ravens, crows and bronzed rattle rob thousands of robin nests every spring and summer and yet they manage to maintain their population in numbers. Robins have been known to rear four broods of young in a season and if Nature had not devised their brakes on their increase they'd soon over populate the countryside with death by starvation in the end. It is not so with our ducks, geese, huns, pheasants, ruffed grouse, etc. They are under heavy hunting pressure for approximately two months each year and during the predators and hunting for sport they can, at times, be caught in a dangerous squeeze play. Ravens took a heavy toll of black ducks during January, February and March of this year. A young observer reported an incident at the mouth of Nines Mile Creek last winter.

RAVENS GUILTY
 Two weeks he saw a flock of ravens hanging about this open water from daybreak until dark. They were doing a lot of harsh croaking among themselves and cutting aerial acrobatics. He knew there were quite a few black ducks wintering there but didn't think for a moment but what the ducks were able to look out for themselves. One day he strolled down for a look-see out of curiosity more than anything else, and found out what the ravens had been doing on. Black duck feathers scattered all over the place and patches of blood stained snow told the tale plain as words. An eye witness related how ravens killed a black duck at Basin Head Run east of Black Pond Sanctuary in Kings county Eight or nine of them cornered it in a patch of open water.

The observer told me he probably could have saved the duck, temporarily at least, by wanted to see how they worked the trick. They concentrated on this particular duck and paid no attention to the others who flew away at their approach. When this duck attempted to take off they'd bump her out of the air and after she landed on the water they'd dive bomb and keep her under until she was waterlogged and half dead.

It was then they pulled her out of the water on the ice and tore her to pieces. On other occasions he had found where black ducks had been killed on ice edge at open springs but blamed it on foxes as their tracks were all around the spot. The foxes were only cleaning up on the frame or what else the ravens left behind. Ravens have an uncanny sense of knowing when a victim is ripe for plucking.

HAWKS TOO
 Fox hunters who roam the woods, on skis or snowshoes when the going is tough, often saw a flock of hawks hanging about this open water from daybreak until dark. They were doing a lot of harsh

Bernard the driver of Downtown was thrown to the ground but was not hurt, as Downtown galloped around the track with no driver. Myrtle's Boy's carriage suffered a twisted wheel but no damage was done to the driver, Don MacNeill.

Cards Defeat Milwaukee As Brooks Beat Pirates

JERSEY CITY, N.B. (AP) — Relief pitcher Ed Roebuck came on in the ninth to get the last two outs Friday night as the Brooklyn Dodgers defeated Pittsburgh's last-place Pirates 4-1 for 10th victory.

Podres had a five-hitter until the ninth and had blanked the Bucs on two for six frames. But when he gave up his second walk and Bill Mazerowski's second single with one out, manager Walt Alston, whose Braves never have won only four of their last 11 called in Roebuck.

MILWAUKEE (AP) — Del Ennis slammed a three-run homer and Walker Cooper doubled for two runs Friday night as St. Louis Cardinals ended their nine-game losing streak with a 6-2 victory over Milwaukee Braves. The loss snapped Milwaukee's ten-game victory string.

Lindy McDaniel won his 10th victory against seven losses, giving up eight hits in 6 2/3 innings before he was replaced by Hoyt Wilhelm.

Starter Gene Conley of the Braves suffered his sixth loss.

NEW YORK (AP) — A blooming pinch single by George Kell in the 11th inning brought the Baltimore Orioles a 4-3 victory over New York Friday night as Bill Wright, a 35-year-old lefty, beat the first place Yankees for the third time without defeat.

The fourth place Orioles, who counted a pair of unearned runs on errors by left fielder Elston Howard, finally nailed it when Billy Goodman led off with a triple in the 11th against Art Ditmar, stayed put as Willie Mir-

anda walked and then scooted home as Kell popped a hit over a drawn-in infield.

Yori Berra's pinch home run, with two out in the ninth, tied it 3-3 after Wright rolled along with a six-hitter.

PHILADELPHIA (AP) — Ray Jablonski's ninth-inning home run with one man aboard ruined Robin Roberts' four-hit shutout and gave the New York Giants a 2-1 victory over the Philadelphia Phillies Friday night. Earlier, New York dined the Phillies 8-7 in the 2 1/2-inning completion of a game suspended last spring.

Jablonski's homer, his seventh of the year, was the 31st of Roberts' 16th loss against nine wins.

Willie Mays had singled to pave the way for Jablonski's smash, which sailed on top of the left field roof.

Bob Bedard In Tennis Finals

By GEORGE FRAJOK
 Canadian Press Staff Writer
MONTREAL (CP) — Ramana-thran Krishnan of India and Bob Bedard of Sherbrooke, Que., entered the mens' singles finals of the Canadian Tennis Championships Friday.

Bedard sweated out a 4-6, 6-2, 6-1, 6-2 victory over Armando Vieira of Brazil and Krishnan, the tournaments' favorite, took Australia's Bob Howe 6-1, 6-4, 9-7.

Krishnan used a steady precise game and kept the ball in control nearly all the time except in the first set, when the two-fisted Australian began to get into smashing volleys.

In the other match, both opponents seemed less sure of themselves.

Both Vieira, 32, and Bedard, 25, played patty-cake tennis throughout the match, with Vieira occasionally getting aggressive and committing more errors.

Be concentrated on returning deep and waiting for the breaks. Vieira scored heavily by playing to Bedard's backhand, which the Canadian often netted. Neither made many placement points.

In the long run, Vieira out-erred Bedard. Vieira rushed the net and attempted to take the initiative more often, but wound up by putting his cross-courts out or his short chops into the net.

Finalists were also decided Friday in the women's singles event. Mrs. Louise Brown of Toronto, top-seeded Canadian entry had a surprisingly easy time disposing of young Susan Butt of Victoria 6-3, 6-1.

Miss Butt, a Canadian junior champion last year, showed

tramck club as Canadians were cleaned out of the tournament's 15 open championships. Seifert beat out Mike Belkin, 12, of Montreal Thursday for the juvenile boys' singles.

The closed tournament finished last weekend.

Miss Hesse defeated clubmate Jean Johannes, 14, for the girls' singles crown 6-2 and then joined Jean to win the junior women's and girls' doubles.

They eliminated Ann Barclay, 17, of Vancouver and Pat Ryan, 16, of Ottawa in the women's doubles 6-0, 6-3 and trimmed Carrie and Julie Heldman, another Hamtramck pair, in the girls' doubles 6-1, 6-0.

Virginia and Pancho Castillo, 15, of Hamtramck won the boys' and girls' doubles with a 6-3, 6-1 win over Miss Johannes and Fred Drilling, 14, of Detroit, also a Hamtramck pair, in the girls' doubles.

Minutes later, Miss Hesse joined with Ray Senkowski of Hamtramck to win the junior mixed doubles, beating out Miss Johannes and clubmate Gerald Dubie 6-3, 6-4 in the final match of the tournament.

Mrs. J. G. MacDonald Wins Local Ladies' Golf Ch'ship

Mrs. J. Gordon MacDonald won the championship for the Ladies Division of the Charlottetown Golf Club. She met Mrs. Alan Macmillan in the final round last week-end.

The qualifying round was played July 29 with 25 ladies participating, this being the largest entry in several years.

The championship consolation division winner was Mrs. Ivan Horne with Mrs. J. Mustard runner-up.

The first division winner was Mrs. Ronald Norman. Mrs. James Cery was runner-up.

The consolation first division winner was Mrs. P.W. MacNeill with Mrs. Wendall MacDonald runner-up.

Michigan Girl Collects Her 6th Junior Tennis Ch'ship

OTTAWA (CP) — A brunette from Hamtramck, Mich., collected her sixth title of the Canadian junior tennis championships Friday, duplicating her performance of last year.

Hard-hitting Virginia Hesse, 15, collected five of the crowns as the open and closed tournament swung through its 10th and final day.

Virginia played seven matches in rapid succession, six of them for doubles championships. She won the girls' singles Friday and the junior women's singles title Thursday.

Ron Seifert, 12, of South Bend, Ind., was the only entrant to take a championship from the Ham-

City Softball League Finals To Open Sunday

The best of seven City Softball League finals between Barry's Lions and Ross Burner and Electric will open on Sunday afternoon on the old Diamond with a single game scheduled for two o'clock. The second game will be played on Memorial Field Monday and the remainder on the old Diamond.

Barry's won their way to the finals by defeating the Junior B.Y.C. in the semi-finals while Ross Burner were eliminating the B.Y.C.

The Rossmen will likely have Wilf Sheppard on the mound for them Sunday. Sheppard, called in as a replacement for Teddy Strain, who suffered a hand injury in the semi-finals, is an old Parkdale tamer of years back, in the days when he hurled for the L.Y.C.

Sheppard, who has returned home this summer from Ontario, did not take part in League play this year. However,

under a League clause enabling a team to secure a replacement for an injured player, he can lineup with Ross Burner.

Big Lorne Israel, unbeaten in City League play this year is the likely starter for the Lions.

The Island League finals will begin on Wednesday, August 28 with the R.C.A.F. playing the Charlottetown winner at Charlottetown in a game to start at five o'clock.

The second and third games of this series will be played at Summerside on Saturday, August 31 and the fourth and fifth games if necessary at Charlottetown on Sunday, September 1. The visiting teams will supply the umpire-in-chief for these games and the home teams will provide the base judges.

Collections will be taken up at all final games. Coach Len Arsenault of Barry's has called for a practice for 6.15 this evening on the Parkdale Diamond.

Bob Hazle Is Hottest Pitcher

MILWAUKEE (AP) — The "other player" in the trade that sent George Crowe from the Braves to the Redlegs early last season is the hottest hitter in the major leagues right now.

He is 26-year-old Bob Hazle, a husky 190-pound outfielder, who was clubbing the ball at a .545 clip for the National League-leading Braves going into Friday night's game with St. Louis.

Cincinnati sent Corky Valentine, a pitcher, and Hazle, considered by many as simply a throw-in, to Milwaukee in exchange for Crowe, first baseman.

Crowe, of course, has given the Braves many anxious moments, particularly with his bat. When Valentine failed to make the grade, the trade had all the earmarks of another bad one for Milwaukee.

In recent weeks, however, Hazle's changed all that. As a Andy Pafko, who became a regular after Billy Brutto was injured, Hazle has collected 18 hits in 33 trips, including five doubles and two home runs. He has driven in 11 runs since being recalled from the Braves' Wichita, Kan., farm team in the American Association July 27.

Guns Bluebird II To 240 M. P. H.

CANANDAIGUA, N.Y. (AP) — Donald Campbell gunned his Bluebird II to a top speed of 240 miles an hour Friday, but he damaged the jet-powered hydroplane and failed to set a water-speed record in his final attempt on Canandaigua Lake.

A swell from a nearby pleasure boat sent Campbell's boat hurtling through the air for about 200 feet at high speed during his first run. The mishap damaged the craft's blading and put it out of commission for months. Campbell estimated that it will take about \$40,000 to repair the damage caused in the pounding received Friday and in earlier runs on the lake.

Campbell was able to complete two runs in his final effort to better his own record of 225.83 miles an hour. He averaged 220.83 on the first run and 198.97 on the second for an official average of 209.75 for the required two runs over the measured course.

Next week Campbell plans to

Abbies S'ic'a Play Sunday

Sunday at Memorial Field at 2:30 p.m. Charlottetown's Maritime baseball champion Abbies will be at home to the Summerside Pontiacs in the opening game of a best of seven series for the Island Senior Baseball Title and the right to advance to the Maritime playoffs.

Coaches Johnny Carroll and Fiddler MacDonald haven't as yet announced their starting hurlers but it is a safe bet both clubs will be out of grab the all-important opener so fans can count on both coaches starting their top-flight pitcher.

The Summerside club is a star-studded outfit which should, after the past few week's workouts, really give a real battle to any club in the Maritimes.

Abbies this year present a well-balanced squad which contains the pep of youth and the cannyness of age. It should be a bang-up series, particularly so if the gasps get back of the teams and encourage them asthey so well deserve.

Officials of the Island Branch of the A.A.U. of C. have appointed Charlie Ryan, Hank Landry and Ted Strain to handle the entire series so players and fans alike are assured of competent officiating.

With two smart clubs, competent officials and a nice setting for a baseball game, fans are assured of a real afternoon's entertainment Sunday. Remember the place and time—Memorial Field, Sunday at 2:30 p.m.

Baseball Practice Little League

On Thursday morning the Little League Abbies will hold a practice. On Friday the series for the island title will begin when the Abbies take on Summerside.

Optician Wins Ottawa Shield In Shoot-Off

CONNAUGHT RANGES, Ont. (CP)—Nelson Colville, 52-year-old Winnipeg optician, Friday scored his second shoot off win of the week-long Dominion of Canada Rifle Association matches at these ranges 11 miles west of Ottawa.

He beat out Lieut. David M. Leson, 26, of the Camp Borden, Ont., Royal Canadian Armored Corps school in a dusk tie-breaker to take the City of Ottawa match.

Both Colville, a veteran of five Blesley teams, and Leson had scored 97 points of a possible 100 in the main match, shot at 200 and 900 yards in difficult weather conditions for shooting.

A 16-year-old Victoria cadet, Peter E. Roche, was named winner of the newcomers' aggregate, scoring 594 of a possible 625 points in seven major matches to beat all other first-year competitors here.

Lieut. Peter E. Page, 31, of Calgary, was runner-up in the newcomers' with 592 and QMS Kinn Kilburn of New Glasgow, N.S., third with 590.

Lawrence L. Fish of Oakville, Ont., won top position in the grand aggregate, beating out Russell G. Potter, a 17-year-old Hamilton cadet, in another shoot off.

Edson L. Warner of Sherbrooke, Que., a lieutenant in the Sherbrooke Regiment, shot 651 for third place in the aggregate. He won the lieutenant-governor's silver medal for top Quebec scorer.

Balmoral Castle, residence of British royalty in Scotland, was purchased by Queen Victoria in 1848.
