SEPTEMBER 8, 1893.

SIR CHARLES HIBBERT TUPPER.

The Minister of Marine and Fisheries prepared the British case for the Behring Sea Arbitration so carefully and so well that he won the special commendation of Sir Charles Russell and the special recognition of the Crown.

NOVA SCOTIA FINANCES.

The Herald of Halifax, is criticizing, with deadly effect, the financial mismanagement of the Brit administration. It points out that when the Brit took office in Nova Scotia the net interest charged against the province was only \$378, while for 1892 it was \$125,982.

LECTURES ON CHEESE MAKING.

The continued and practical interest which the Dominion Government are taking in the cheese industry of this Province must be pleasing and gratifying to men of all classes and parties.

Miss Phelps. Miss Lillian Phelps comes to this city earlier than advertised. She will speak in the First Methodist Church on Sunday evening, after service.

OUR ORCHARDS.

A short time ago, we had great pleasure in directing attention to the successful attempt of Mr. Richard Burke to cultivate large quantities of turnips and other seeds for our enterprising seedsmen, the Messrs. Carter Brothers.

We have now, for similar good reasons, a like pleasure in calling attention to the extensive nurseries of young trees, situated in the neighborhood of Southport, belonging to Messrs. Henry and James Burke.

We hope that the expectations of Messrs. Burke in respect to these nurseries will be fully realized. Our farmers will do well to devote more attention to their orchards.

Change of Business!

For nearly fourteen years we have conducted business in this city in the lines of SEEDS and GROCERIES to the satisfaction of our patrons, as is evidenced by the fact that a large proportion of our present customers have dealt with us regularly from the start.

A COMPLETE BOOK STORE,

in which the sale of Agricultural Literature will be a specialty.

Our former Store in MONAGHAN'S BRICK BUILDING, on QUEEN STREET, is now being completely refitted and prepared for the proper carrying out of the above named plans.

We have now cordially tender our sincere thanks to our many friends and customers in both the city and country for their liberal patronage, and beg to inform them that we have sold out our STOCK OF GROCERIES and the good will of our Grocery business to MESSRS. BEER & GOFF of this city, and we bespeak for them the patronage of our customers in the Grocery line, and we feel confident that MESSRS. BEER & GOFF will endeavor to please all our old customers by giving them GOOD GROCERIES AT LOW PRICES and prompt attention, such as we have ever tried to do.

GEO. CARTER & CO.

Referring to the above, we shall make every effort to give Messrs. Geo. Carter & Co.'s former Grocery customers, who may favor us with their patronage, the attention and satisfaction which we are sure they have received in the past, and thus prove that we merit their confidence in recommending their customers to deal with us.
