

Mr. J. H. FLETCHER has purchased the "North Star" and now issues a very neatly printed paper called the "Island Argus." Mr. F. has taken a heavy responsibility on himself, and if he succeeds in pleasing every body, or if he does not, we wish him every success.

THANKSGIVING DAY.—On Thursday next, services on Thanksgiving will, by Rev. J. W. Winterbottom, as follows:—At Cornwall, in the morning, 11 a.m.; South Wiltshire, in the afternoon 3 p.m.; North River, in the evening, 7 p.m. A collection for charitable purposes will be made at the close of each service.

Thursday next being Thanksgiving Day, the services at St. Peter's will be—morning prayer, 10.30; solemn celebration of the holy communion at 11. The intention with which it will be celebrated will be as a special act of thanksgiving for the mercies of the year. Evening prayer (ecumenical) with sermon at 7. Immediately after evening prayer a solemn Te Deum will be sung.

We are requested to state that on the evening of Thanksgiving Day the Sons of Temperance will hold a Public Temperance Meeting in the Division Room, (free to all) to commence at 8 sharp.

THURSDAY, the 18th instant, has been set apart by our local Government as a day of "General Thanksgiving" for the "inestimable blessing of an abundant harvest."

AYER'S AMERICAN ALMANAC for 1870, has been received by W. R. Watson, for delivery gratis, to all who call for it. This number contains proofs to show that some of the stars have existed for SIXTY MILLIONS OF YEARS. We had supposed such proof possible, but the Doctor gives it in a shape which seems indisputable. His witnesses have long made his book accessible; his medical advice makes it indispensable to families, and now he adds the most startling problems of abstract science to its attractions.

We often see large stocks of cattle which do not seem to thrive, and come out "springing poor," all for want of something to start them in the right direction. One dollar's worth of "Sheridan's Cavalry Condition Powder," given to such a stock occasionally during the winter, would be worth more than an extra half ton of hay.

THE SON OF MEDICINE DR. MORGAN'S INDIA ROOT PILLS.—If you are suffering with disease get this medicine. Gradually but surely it will eradicate the seeds of disease, and by removing the cause render sickness impossible.

Get the "Rescue of Tala Almanac."

DEATH TO WORMS. Among the many preparations to be found on the shelves of Drug-stores for relieving children of those troublesome and irritating companions, Worms, we are sure none will be found as effective as "Watson's Scolioidin"—a new remedy, advertised in our columns this evening, and one that may be relied on. Mothers! try it. It is about the size of a whole egg. Candy you can give your little ones. 3m

Ship News.—The S.S. "Island Home," Capt. G. Mutch, arrived here last evening. The S.S. "Kitt," West Indies, Capt. Mutch was detained in port for several days with the great storm of October last, and after the put to sea experienced calm weather. We congratulate Capt. and Mrs. S. Mutch on the arrival of their son, for whose safety great fears for some days have been entertained.

The brig "Jesse Lind" from Liverpool, to Mr. James Douse, of this city, arrived here on the 6th inst.

The brig "George," Finlayson, from Cork, arrived here on the 6th inst., to Messrs. Page & Owen.

Married.—At Charlottetown, on the 11th inst., by Rev. Thomas Duncan, Mr. John McDougall, to Miss Ann McDougall, both of Argyll-shire.

At Summerside on Tuesday, the 2nd inst., by H. C. Green, J. P., Mr. Ronald McDonald, of Summerside, merchant, to Miss Johanna Power. (L. 14.)

Died.—At "Waverley House," Bedfordshire, England aged 73 years, beloved wife of Captain Swabey I. A., for many years resident in this Colony. A small funeral on Tuesday, the 2nd inst., by H. C. Green, J. P., Mr. Ronald McDonald, of Summerside, merchant, to Miss Johanna Power. (L. 14.)

In this city, on the 8th inst., after a few days illness, Mary Jane, eldest daughter of Mr. Francis Watts, aged 24 years, deeply regretted by all who had the pleasure of her acquaintance.—Newfoundland papers please copy.
