Weekend Record - Wins, 0 Losses, 4

This being, if nothing else, a most democratic society we have decided, after long cogitation, to defer to the wishes of "A female who is NOT like the rest" who, last week, protested against our usual leading for this column. We trust that she is pleased. We assume that, because of jolly times at last week's Winter Carnival, made at U.P.E.I. will look back with pleasure at the weekend just past. Those of us who are avid Panther posters have no such happy recollections and would prefer to forget the whole thing. To go back to our Brooklyn days, "we shoulda played in bed." Wins 0 Losses 4.

First, we'll go back to the Ladies' Basketball where the Pantherettes were home to the Axettes. Although our girls were 10 points behind very early in the game they rallied toward the latter part of the half and trailed only 23-26 at the break after actually enjoying a two point lead one point. However, in the early stages of the second half, our shooting went sour and the final result was a 64-46 win for the Axettes. Janet Trainor played an outstanding game and was our leading scorer with 20. We'd like to add that, we note, from official league stats, Sheri Stearns leads in rebounds and Sandra Dumsford is #2!

Directly following the girl's game, we had high hopes of winning what we thought would be a close one, from Acadia in the men's Basketball action. However, after their first attempts at scoring, we trailed 10-2 very early and very never really very close. The first half ended

51-29 for them and the game ended 91-64 with us on the really short side. Mark Vickers, Gary Young, and Art Laffin were our high scorers with 11 each. We did not have a good game and Acadia did. We wondered how, in both games, the ball seemed to defy gravity and bounce around the hoop seemingly trying to get out. Of course, it always succeeded, apparently without reason. At other times (for them) the ball acted as though there were a magnet in the centre of the hoop. Once, on Saturday an Acadia throw hit the rim and bounced four feet high, finally dropping through. Gary Heald tells us the reason is an inexplicable and elusive thing called "Touch" and when you have it you're good. When you don't you're hopeless. We did not have it. Next action will be in Sackville on Friday and Mount A. will be here on the 10th. With Saint Mary's and Acadia assured of first and second places, the scramble for the remaining ones will be between the Panthers, Mount A. and St. F.X. 'X' will be here on 22 February. Gordon MacAlpine, one of the Athletic Department's demon statisticians has asked if student union will sponsor a bus to these games and Woozy MacDonald, S.U. Prexy says 'Yes', providing 40 students come trooping in to Jane Mac Cormac in the S.U. Office with \$4.00 by Wednesday noon!

In hockey we were bombed quite unexpectedly, in Moncton 11-3... we thought it would be close but 11-3??? On the immense ice surface Les fast skating Aigles Bleu jumped into a quick 4-0 lead before our boys got accustomed to the op-

pulent Louis Levesque Arena and found it was too late to get into the game. Our three goals were scored by Wayne Bernard, Dave Murnaghan and Joe Fillopin (Watch that spelling, everybody else gets it wrong). The game was halted midway in the third period by a Donnybrook resulting in our Gerry McCarron's being awarded, at least, a two game vacation for making like one of King Arthurs Round Table Knights and engaging in a jousting match with an opponent. (In Sunday's game some press-box wags looked across at Gerry sitting placidly beside this GORGEOUS blonde and remarked "If that's his alternative to playing hockey, I don't blame him").

After last November's hockey game in Halifax, in which we outshot Dalhousie 36-24, only to lose 3-5 we expected that Sunday's return match here would certainly go into our "Win" column. Alas, this time we outshot them 54-39, and the result was the same 3-5 this, in overtime. (We might add that the goal post score was 4-0 for U.P.E.I. but where is that recorded?). WE sometimes wonder what it is that seems to make U.P.E.I. Opponent's goalies act like Tretiak? Great credit (or blame?) must go to their goalkeeper Jim Palmer. For example, on one shift our hard-working Ray O'Donnell got three point blank shots on goal, from close in, that were low and away from Palmer... but he caught all three and left Ray shaking his head in disbelief. Scoring for us were Lennie Kelly (Who is playing his best ever we think) D'Arcy Murphy and Joe Fillopin (Watch that

spelling;...everybody else gets it wrong) who got what we thought would be the winner but the rascals scored the tying goal midway in the third and two in overtime. John Neville, the other of the statistical whizzes assures us that there are several ways we can still make one of the remaining playoff spots... chief requirement being that we MUST beat Mount A. in the two games we still have with them... the first will be on the 3rd in Sackville and the home one here next Tuesday the 10th. Regrettably, only four persons expressed interest in a bus trip so the project was dropped. We do hope to get some Panther Roosters there for the Mount A. support is vociferous in their home rink.

Next week, we hope, "Jock Talk" will return.
