

Hayden Takes Decision Over Stover At Arena

Gaston Roy Beats Tiger Steele In Semi-Final

A large crowd witnessed one of the most exciting boxing cards seen on the Island for some time last night when promoter Ivan Doherty presented his first card of the season.

Jackie Hayden of Westville, N.S., punched out a unanimous decision over Edgar "Shadow" Stover of New Glasgow, N.S., in the 10 round main event.

In the other bouts Gaston Roy earned himself a decision over hard punching Roy "Tiger" Steele in the semi-final. Ritchie Hill of New York and Henry Nelson of New Jersey fought in a six-round draw, and young Bobby Quinn of Charlottetown defeated Jimmy Gillis of New Glasgow, N.S., in the four-round curtain raiser.

The bout between Quinn and Gillis was fast and furious all the way, with Quinn doing most of the punching. Quinn's nose started to bleed midway through the fight but he paid it no heed and kept on slugging and eventually came out the winner.

The first six rounds of the night, which was between Hill and Nelson, opened with both fighters feeling each other out. This continued through the second round with the only difference being the pace which was speeded up in the final four rounds the two fighters stood toe for toe and traded punches. Nelson seemed to tire a little bit in the third round but regained his fighting power again in the fourth and kept the action going. Both boxers had a tendency to clinch a lot and referee Wilfred McCluskey had to separate them quite often.

SEMI-FINAL

The semi-final bout of the evening turned out to be just what the crowd was waiting for. This bout was predicted to be the show stealer and it really lived up to expectations. The fight fans didn't seem to have any favorite in this match as they cheered lustily for both fighters.

The first round opened with Steele making some bluff rushes and wild swings like ex-middleweight champion Gene Fulmer is reputed to do. Roy went down for an eight-count early in the first round when he ran into one of Steele's hard punches and went down again a little later in the round although no count was made by the referee. In the second round Tiger kept up his mad rushes but was missing on half the punches he threw. Roy took ad-

DOWN THE BACK STRETCH

The first official for harness racing officials ever held in Canada, Maritimes, or possibly in Brunswick, was staged at the Brunswick Hotel, Moncton, N.B. Saturday, May 4th. It had been arranged for by Don R. Millar, Executive Vice President of the United States Trotting Association who had promised such a school when asked by horsemen who attended the annual meeting of district II at Moncton in February.

Millar arrived by plane from Columbus, Ohio, the evening previous and looked very fit and well as he called the meeting to order at ten o'clock. He thanked those present for attending, he knew many of them and was confident that they would receive benefits from the meeting. He mentioned the good relations which existed between the officials here and the head office in Columbus and said he was very proud indeed of the way harness racing had progressed in the Maritimes and the splendid programs offered at the nine night racing plants.

He stressed the importance of having the rules carried out firmly and properly and he was sure that the present meeting would result in a better knowledge of those rules. A questionnaire distributed to those present which was requested to fill in. This occupied the time until luncheon and after luncheon Mr. Millar went through the rule book, reading the principle rules and inviting those present to ask questions about rules that could be differently construed. There was quite a lot of discussion.

QUICK ANNOUNCEMENTS

He emphasized the necessity of quick announcements. He said the public did not like to be kept waiting when something occurs to hold up a start or cause any delay. Bad acting horses were dealt with and he said they should not be allowed to interfere with the performances of the good actors. Such a horse may cause trouble at any part of a race and the public who have their money on the favorite and see it burn up do not appreciate such an occurrence. He said we must always keep in mind the fact that the public attend the races expecting to be performed according to the rules and to give every horse and driver a fair opportunity to display his best.

He warned starters to carry out the speed instructions in the rule book and not to change their speed just to accommodate a horse that has not kept up with the gate. He said often a bettor's money could go down the drain when a starter makes such a mistake.

The lapped on breaking rule he interpreted as follows: If a contending horse on his gait is lapped on the hind quarter of the breaking horse at the finish, the breaking horse shall be set back. If one horse is lapped the breaking horse shall be placed second. If two horses on their gait are lapped the breaking horse shall be placed third. He pointed out that the horse should be lapped on the other horse's haunch, not on the sulky, his tail or hind feet. Study the photo finish and make sure it is a lapped-on finish.

He said the judges should keep a careful eye on the drivers to satisfy themselves that there is no dishonest racing. Following the above talk Mr. Millar was asked questions and gave answers for an hour or two and the meeting finally broke up about five o'clock with a vote of thanks being tendered to Mr. Millar which was enthusiastically joined in by everyone present.

Track managers, presiding judges, associate judges, starters, classifiers and other officials from the three provinces attended and Charles L. Clarke of Moncton acted as secretary, and as usual was a very satisfactory one. Mr. Clarke has given us insightfully of his time through the years in promoting good relations among harness horsemen. Up to a few years ago he owned and drove horses and is on the record books as having set up the pacing horse on his gait in N.B. with McKillop Cash 2:02, on July 30, 1947. Time 2:08.

Following is a list of those who were present: Don R. Millar, Executive Vice President of the U.S. Trotting Association, Lt.-Col. D.A. MacKinnon, Charlottetown, George W.O. Blemis, S. Johnson, N. Janson, R. Nicholson, L. Stephenson, G. Alexander of Saint John, Dr. Delaney, Edgar Mitton, Moncton, W.R. Crowder, Fredericton, Frank Acorn, Charlottetown, R. B. Brown, Charlottetown, R. Dickenson, Sydney, Ron Willis, Moncton, H.B. Flemming, Fredericton, W. Walker, Halifax, J.C. Cruikshank, Halifax, Pat Lahey, Dartmouth, F.H. Jones, Lower Kars, N.B., W.G. Baker, St. John, Paul Woodcock, St. Stephen, A. J. Kelly, Woodstock, E. Chartrand, Moncton, Hector McKay, Truro, A. S. Bryenton, Truro, James MacGregor, Charlottetown, Don Seaman, Charlottetown, A.R. Favis, Fredericton, W.R. Stewart, Gerald Giberson, George Woodside, Fredericton, Otto Stevenson, Moncton, C.R. Nelson, D. Lawson, D.B. Flowers, A.L. Hastings, Saint John, Ronald Goguen, Francis Breen, Moncton, Frank Power, Halifax, J.C. Rankine, Summerside.

Knights Win Semi-Finals

A terrific comeback in the final proved to be a winning one for the Knights as they came back from a 26-15 deficit at half time to win 35-30 over the Legion.

The win gives the best of three semi-finals to the Knights advance against the Firemen in the final.

Mel Walsh paced the Knights attack with 19 points while Ralph Paquet was high for the Legion with 14 points.

Lineups: Knights, P. Wood 7, Paquet 3, M. Walsh 19, P. MacPhee 1, D. Townsend 14, J. Gallant 8, J. Lutz 2, K. Macdonald 2, Macdonald 2, total 30. Referee was E. Clinton.

Milwaukee Snaps Losing Streak

ST. LOUIS (AP)—The first place Milwaukee Braves snapped their losing streak Friday night, backing rookie Juan Pizarro with a 14-hit, three-homer assault led by Johnny Logan and Eddie Mathews for a 10-5 victory over St. Louis Cardinals.

Logan batted in five runs with four hits—a solo home run, a pair of run-scoring singles and a pair of run-scoring doubles. Mathews smashed a two-run homer, doubled and added a two-run producing single.

Pizarro, picking up his first major league victory, had a homer of his own and added a single. The fast balling Puerto Rican yielded nine hits, one a three-run homer by Wally Moon and another a solo homer by Ken Boyer.

GREAT SORE

Guy Abbey, the last of a quintette of great Standardbred stallions that stood at Walnut Hall Farm, Lexington, Kentucky, passed away recently at the age of 32. Others preceding him were Spencer, Protector, Volomite and Scudder. The old horse was buried in the cemetery at the farm where Volomite, Scotland, Protector and Guy Day are also buried. Guy Abbey was not used as a sire since 1951 and his last crop of nine foals came in 1952. He is the sire of the world's greatest trotter, Greyhound 1:55, that is still in splendid health and is brought out to be sold by auction at Maywood Park in Chicago. Guy Abbey is also the sire of the double-gaited Calumet Evelyn, 1:59 1/2 on the trot and 1:59 on the pace. He had 49 in the 2:05 list and about 160 in the 2:10 list. Walnut Hall foals sired by Guy Abbey have earned almost \$2,000,000.

SULKY BUILDER

Horsemen who use the Jerald sulky or carts will regret to learn of the death of Stanley E. Jerald, president of the Jerald Sulky Company, Waterloo, Iowa. He was born there in 1903 and in 1926 he came a partner with his father in the Jerald Sulky Company. His father started the business about 1909 and he made a trip to the Old Glory Sale in 1912 where he displayed one of the sulky men were not interested in trying out a new sulky and near the end of the sale Mr. Jerald still had it on display unsold. The writer liked the look of it and asked for it. He said he was very disappointed with the reception his sulky was getting and he didn't want to take it back with him so sold it to me for \$35. It turned out to be all Mr. Jerald said it was and since then we have bought other Jerald sulky and so have horsemen all over Canada and the United States.

CHARLOTTETOWN

Over 130 horses are being trained daily at the Charlottetown track and the fastest mile trotting to date was stepped by Jerry A. Hanover 2:06 1/5, owned by Roy Bevan. Jerry was nicely handled by Rankin McLaine, who was also exercising other horses for Roy. Jerry's mile was in 2:30. The Harold Stead stable is expected in early next week and the total number in training by the end of next week should run close to the 150 mark. The Association is doing everything possible to put the track in good shape and they expect to have their first race meet Saturday afternoon, June 1st. The full season's program will appear in this paper.

Two new ones, a trotter and a pacer, have arrived in Halifax having been brought there by Neil Campbell, a young driver who has made good in the past few years. The pacer is South Dakota 2:06 1/5, that has won over \$27,000 and is eligible to the 2:14 class. The trotter is Cedar Augustus 2:11 3/5, that has earned \$2,765 and is eligible to the 2:14 class trot.

Queen Charlotte High Wins Interscholastic Hoop Title

Queen Charlotte High School defeated Queen Square School 22-27 Friday afternoon to win the city interscholastic basketball championship. The game was played at the Q.C.H.S. gym.

Queen Charlotte won the first game of the best of three series at the Community Centre by a 38-34 score.

Queen Square won the regular City League with P.W.C. second and Queen Charlotte third. Queen Charlotte defeated P.W.C. in the league semi-finals.

Friday's game followed the pattern set by both clubs throughout the season. It was a close-checking, fast breaking game with the lead see-sawing several times before Queen Charlotte finally took the deciding lead with but three minutes left to play.

George Phillips and Ray MacLean lead the black and gold attack while Wayne MacDonald and Ron MacDougall paced the Q.S.S. attack.

Lineups: Q.C.H.S.—George Phillips, Ray MacLean, Rod MacLean, Dave Mills, Alan Bowness, Dewar Harper, Dick Matheson, Ralph Russell, Ralph Beaton. Q.S.S.—Wayne MacDonald, Joe Cumiskey, Ron MacDougall, Harry Callaghan, Bert McWade, Colin MacMillan, B. Richards, P. Murphy, J. Leightizer. Referees were Wendell Gillis and Don MacLean.

Mays Sparks Dodgers To Win

NEW YORK (AP)—Willie Mays, just six hours out of the hospital, had two singles and a triple, driving in one run and scoring the other as New York Giants defeated Brooklyn Dodgers 2-1 Friday night.

The largest crowd of the Polo Grounds season—34,435 paying customers—saw Ruben Gomez give perfect control pitching performance. The Puerto Rican right-hander yielded seven hits, walked none and struck out two to register his fourth victory against one defeat.

The Giants finally gained some measure of revenge on their old buddy, Sal Maglie, pelting their former teammate for six of their nine hits and scoring both runs of him before he was taken out or a pinch hitter in the fourth. Both runs came in the third, marked against Maglie in 15 innings. The 40-year-old righthander held them scoreless in two outings in 1956, covering 12 2-3 innings.

Big League Ball For West Coast?

NEW YORK (AP)—The owner of New York Giants talked with the mayor of San Francisco Friday about moving big league baseball in the west coast city but commissioner Ford Frick decreed a virtual news blackout on the results.

Walter O'Malley, owner of Brooklyn Dodgers, also met with Mayor George Christopher of San Francisco, president Horace Stoneham of the Giants and Francis McGarty, chairman of San Francisco's major league baseball committee. However, O'Malley said he lunched with the men and then left for another conference.

After meeting for nearly two hours, the mayor read a prepared statement on behalf of the three men.

"We had a discussion about the possibility of bringing major league baseball to San Francisco," he read.

Stoneham then read from a copy of a wire, sent to O'Malley by Frick, but applying to all owners. "I must call your attention to the fact that wide publicity and newspaper discussion of any franchise transfer at this time is harmful to baseball," it read.

Before the conference, a story in the New York World-Telegram and Sun had reported a move by the Giants was imminent because the lease on the polo grounds expires soon.

In talking of the San Francisco situation, the mayor said the community had made a "contingent" appropriation of \$5,000,000 (based on the ability to get a franchise) that figure.

When a reporter asked the mayor if he would prefer the Giants or Dodgers, he replied, "we can take either one. Whichever one we get, will trounce the other."

The Brooklyn club has hinted of moves to Los Angeles, surveying stadium sites and talking with local officials, while talking of a new stadium in Brooklyn.

Chicago White Sox Take Over Top Spot In A.L.

DETROIT (AP)—Gerry Staley came to Billy Pierce's rescue and put down a ninth inning Detroit threat in preserving a 6-4 Chicago White Sox victory before 26,384 spectators Friday night.

Pierce was raked for four straight hits by the first four batters in the opening inning. Then he had smooth sailing until the ninth when three straight singles put him in a spot. Staley retired Harvey Kuenn on a bouncer back to the mound and put the Sox into undisputed possession of first place in the American League.

New York lost to Baltimore and the White Sox victory gave them a full game advantage over the Yankees.

Pierce allowed only one hit—Red Wilson's first home run at

Pitcher's Eye Is Impaired

CLEVELAND (AP)—Herb Score, Cleveland Indians' pitcher who was hit in the right eye by a line drive last Tuesday, continued to improve today.

The 23-year-old star southpaw still didn't know if his injury will affect the vision in his right eye. Doctors may be able to make the tell-tale examination today.

"His condition continues to improve," reported Dr. Charles I. Thomas and Don Kelly.

Meanwhile, Indians' general manager Hank Greenberg put Score on the disabled list for 30 days "to give him plenty of time to recover."

The season—after the second inning until the Tigers struck together singles by Bill Tuttle, Willie Mays and Reno Bertoia to come within two runs in the sixth inning.
