Saint Anne, Ottawa River.
Notice to Contractors.

SEALED TENDERS, addressed to the Secretary of Public Works, and endorsed "Tender for Canal and Lock at St. Anne," will be received at this office until the arrival of the Eastern and Western mails on FRIDAY, the 10th DAY OF OCTOBER next for the construction of a Lock and the formation of approaches to it on the landward side of the present lock at St. Anne.
A map of the locality, together with plans and specification of the works to be done, can be seen at this office and at the Resident Engineer's office, at St. Anne, on and after SATURDAY, the 27th DAY OF SEPTEMBER next, at either of which places printed forms of tender can be obtained.
Contractors are requested to bear in mind that tenders will not be considered unless made strictly in accordance with the printed forms, and, in the case of firms, except there are attached the actual signatures, the nature of the occupation and residence of each member of the same, and further, an accepted bank cheque for the sum of \$2,000 must accompany the tender, which sum shall be forfeited if the party tendering declines entering into contract for the works at the rates and on the terms stated in the offer submitted.
The cheque thus sent in will be returned to the respective parties whose tenders are not accepted.
For the due fulfillment of the contract satisfactory security will be required by the deposit of money to the amount of five per cent. on the bulk sum of the contract; of which the sum sent in with tender will be considered a part.
Ninety per cent. only of the progress estimates will be paid until the completion of the work.
To each tender must be attached the actual signatures of two responsible and solvent persons, residents of the Dominion, willing to become sureties for the carrying out of these conditions, as well as the due performance of the works embraced in the contract.
This Department does not, however, bind itself to accept the lowest or any tender.
By order,
F. BRAUN,
Secretary.

CATARRH.
Constitutional Catarrh Remedy
CURES CATARRH.
Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., Brockville, Ont.:—
DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since until of late I have taken some for a cold in my head. A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper Yours truly,
W. TINDALL, Methodist Minister.
