**Allison Gill Is President Of P.E.I. Deanery AYPA**

The annual meeting of the Prince Edward Island Deanery A.Y.P.A. was held at the Anglican Church Centre in Crapaud. The President, Mr. Lloyd Profit conducted the meeting which was opened by prayers led by Rev. A.E. Piercey. Carrie Thompson was appointed as recording secretary in the absence of the secretary Horace Coles. The minutes of the last annual meeting were read by Carrie Thompson. The treasurers report was presented by Doreen Dennis.

Carrie Thompson gave a very encouraging report on the progress of the recent Bible Reading Fellowship campaign which is being sponsored by the Deanery. She stated that this is a most worthwhile project and that considerable interest has been shown by A.Y. members. Only by the full support of all young people can this campaign be a complete success.

It is the aim of the Deanery Local Council that in the near future every A.Y. member will be a faithful user of this guide to Daily Bible Reading. In the absence of the Sunday School by post and air, individual groups reported having given money to the amount of \$48.25 to this worthy cause.

The Drama report was given by Lloyd Profit in the absence of the convenors. This report showed that the 1956 Drama Festival had been a success. Several members at this time expressed their desire that A.Y.P.A. groups take a more active part in dramatics and that drama material be purchased earlier in the future, so that the necessary time could be given to practicing plays before the finals.

The deanery Presidents Report was presented by Lloyd Profit, who expressed a hope that more A.Y.P.A. Members would attend the Windsor Conference, which is to be held on June 30 to July 2, 1956. The Deanery President reported a fairly successful year, but urged A.Y.ers to be more active in their groups in the future.

The following Branch Presidents then gave their reports: Kensington, Lloyd Profit re-

**You cant go ALL-OUT**

**If you feel ALL-IN**

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, nervous, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take DODD'S KIDNEY PILLS. DODD'S stimulates the kidneys to normal action. Then you feel better—sleep better—work better. Ask for DODD'S KIDNEY PILLS at any drug counter.

At a well attended Annual School Meeting, held in the School here on June 5, under the Chairmanship of Mr. John Rogerson, the regular items of business brought before this meeting were efficiently carried out. Mr. Earle

Callbeck was the trustee elected to fill the vacancy of the outgoing trustee. Supplement voted to remain the same as last year, i.e. \$500.00 for each teacher.

Mr. Russell MacLean is the recent purchaser of the farm of the late Mr. Chester E. Shaw, of Desable. The dwelling house and out-

buildings has been reserved for the use of his widow, who makes this her summer residence during the summer months.

Relatives and friends in large numbers were present to convey final tributes of respect for the late Mr. John H. MacQuarrie, whose death occurred at his late residence, on June 7, from which funeral services were conducted by the Church Pastor on June 9. Interment was made in Argyle Shore Cemetery.

The Church Auxiliary here have reported a very successful cake sale at Holman's Charlottetown, on June 8.

Mr. Preston Campbell has arrived home on a visit among relatives and friends residing at Cape Traverse and DeSable.

Relatives and friends of the late Mr. Arthur Ferguson, whose death occurred in Charlottetown, on June 8, assembled in large numbers at Hampton United Church, on June 10, where funeral services were conducted by Rev. R.H. Baxter. Hymns sung under leadership of the Church Choir, were: "Shall we gather at the River," and "The Sweet By and By." Interment was made in Crapaud Cemetery. The late Mr. Ferguson was widely known and respected by his many friends.

Many members and adherents of the Church of these districts united with those from other sections of the congregation in extending farewell wishes to Rev. Donald Nicholson and Mrs. Nicholson, at Clyde River Manse, immediately previous to their leaving to undertake their duties at Belfast, where Mr. Nicholson has been called, on June 3.

Vicious dogs, running at large, have been molesting cattle in the fields at night throughout this district, making it necessary for farmers to use their rifles and shot guns to destroy these animals.

Mrs. C.M. Acorn, R.N. left here on June 4 to join her husband in the Province of Ontario. Mrs. Acorn has been on the nursing staff of the P.E.I. Hospital, and is a daughter of Mr. and Mrs. Boyd MacQuarrie, of Hampton.

While residents here shivered by reason of freezing temperatures, and veteran weather observers have been racking their memories to recall similar conditions (with some snow and heavy frost in the valleys) during the second week in June, milder weather has followed, and behind the cloud is the silver lining.

We are advised that R.C.M.P. have been rendering good services in locating motor vehicles and having them returned to the respective owners, stolen but returned in apparent good condition.

At the home of the bride's parents, on June 9, relatives and friends assembled in large numbers to witness the marriage of Miss Nanette MacKinnon, eldest daughter of Mr. and Mrs. Lloyd MacKinnon, New Haven to Mr. Donald Simmons of Charlottetown. At the bride's reception, gifts of beauty and value were presented, testifying to the esteem in which this young couple are held. Following a motor visit among friends residing in the maritimes, they will reside in the City.

Weekend visitors here, included: Mr. and Mrs. Robert Ince, and son; Mr. and Mrs. Glen MacFadyen and twin sons, Everett and Curtis; Misses Roma Sherren, Marjorie Ferguson, Barbara Dunsford.

**Pasturing Of Market Hogs**

OTTAWA. — "Will there be any saving of feed by raising the market hogs on pasture?" This is a common question of swine producers who already know that it is economical to pasture the brood sows and that less labor would be involved in pasture feeding of their market hogs.

A study was made at the Central Experimental Farm, Canada Department of Agriculture, Ottawa, in which groups of pigs self fed a balanced ration indoors were compared with pigs self fed the same ration on pasture. There was no apparent difference in the amount of grain mixture required in the two methods. Further, while the pigs on pasture required an extra week to reach market weight, there was no noticeable difference in type, condition, or carcass quality between the pigs fed indoors and on pasture.

From these results it might not pay to use pasture for market hogs where land is valuable and can be used advantageously for the growing of other crops. On the other hand, where pasture is plentiful and barn space is limited, pasture raising of hogs may be the answer. Less labor will be required in pasture feeding, particularly the labor of cleaning out the barns. However, careful attention to the pigs is just as important on pasture as with feeding indoors and a full meal ration is essential for rapid development of the pigs.
