

Vessel With Produce Cargo Sails From Murray Harbor

The "C. A. Roland", owned by Lea and Irving, sailed Saturday from Murray Harbour for Belle Isle and Carbonear, Newfoundland, under the command of Captain George White of Grand Banks, Nfld. She is carrying a cargo of 2,500 bags of potatoes and 700 bags of turnips and was loaded for Carvell Brothers of Charlottetown. This is the second cargo out of Murray Harbour in March, and is thought to be a record for ships sailing at this date from this port.

Funeral Held Of J. H. Yorston

The funeral of the late John H. Yorston of Montague, which was very largely attended, was held yesterday afternoon from Trinity United Church, Montague, with the Rev. J. M. Fraser conducting the service.

Students Are Congratulated On Fine Showing

Students of the Montague schools who participated in the provincial ice meet held recently in Charlottetown are again being congratulated on their fine showing. They brought home 12 firsts, four seconds, and three thirds. Brother Peardon again won firsts in each race he entered, which were his own class, quarter mile, and half mile.

boards again April 7 and 8 when they will be playing a Woodstock team in Woodstock for the Maritime Senior B title. The winners here will advance to the Canadian Finals being held in Montreal.

GREAT CENTRE
New York City's major exhibition hall, the New York Coliseum, opened in 1956, cost the city \$35,000,000.

More Action Expected After Easter Holidays

Greetings. We have been absent a few weeks, but things were fairly quiet, as we took a short holiday. Things have picked up a little, so here we are again. Easter exams have started this week, and will conclude some time next week, so activities will be almost at a standstill. Then comes the Easter holidays. After that social action will pick up and sports resumed.

RED CROSS
A meeting was held on Wednesday afternoon with Ted Roach in the chair. Fred Roach retired as chairman of the Woodworking class and was replaced by Douglas White. It was decided that the girls would knit squares for an afghan blanket for Europe. Claire Gallant and Elysa Hennessey have been placed in charge of this project.

It was also decided to make a tape recording of songs and speeches about Canada. All students will take part in this project, which has been placed in the hands of Marie Mullally, Frances Clinton, Douglas White and Ann Hughes.

SPORTS
Souris High has withdrawn from the Island High School Basketball League. Some of the top players have found themselves unable to continue. Lack of public interest was another factor in the decision to retire. The three team of locals will be revived after Easter.

BOWLING CHAMPIONS AT SOURIS

The Perfectionists, champions of the Souris Mens' Bowling League took the cup the hard way. Barely making the last playoff shot, they eliminated the Federals in straight games. In the semi-finals they knocked off the Lobster Kings in three games. In the finals they defeated the Ramblers three games to one to take the cup. Members of the team are FRONT ROW (LEFT):

THE WEEK AT S.D.U.

Student Elections Are A Bit Overshadowed

The twilight days of winter and the dawning days of spring seem to have suspended St. Dunstan's in the silent, inactive days of an in-between midnight world at least since last Thursday evening. From then up until now all activity at the College apart from that of our First Team Basketball group has been dormant. On last Thursday evening the Model Parliament was dissolved by its Conservative Prime Minister, Don MacDougall, in order that an election be called, affording the people an opportunity to

return his government with a greater working majority. This reason was given by the Prime Minister because the parliament from its start to finish followed as closely as possible Canada's Twenty Third Session of Parliament opened on Oct. 14, 1957 and at its dissolution a similar reason was given by Prime Minister Diefenbaker.

STUDENT ELECTION
Few if any need reminding that election day for Canada's twenty fourth parliament is Monday, March 31. There are, though, undoubtedly, a great number who are not aware that March 31 is the date set for another election as important to the student body of St. Dunstan's as the federal election is to the people of Canada. This is the election for the president, vice-president and secretary-treasurer of the Students' Union. The deadline for nominations for these three positions on the Students' Union executive is set at 10.30 p.m. of Friday, March 28th.

The few days prior to this important election in previous years has always been marked by vigorous campaigning on the part of the various candidates' supporters. And in nearly every instance Campaign Managers have been appointed to drum up interest and take the responsibility of extolling the virtues and future plans of their candidates. There is no reason to expect that this will not be the case this year.

QUALIFICATIONS
There are a few qualifications that must be filled by the nominees for Monday's campus election. Those nominated for the position of president must be members of the incoming Senior Class; those nominated for Secretary-Treasurer must be members of either the incoming Senior or Junior Class and those nominated for

Vice-President must be members of the incoming Junior Class. Basketball's First Team returned to S.D.U. last Sunday from the port city of Halifax and with them they brought the N.S.-P.E.I. Senior "B" Basketball title. Their opponents in the contest for the title were the H.M.C.S. Stadacona "Sailors". They defeated Stadacona by one point in the two game total point series, both games of which were played on the Navy squad's court.

HIGH SCORERS
The first game held on Friday evening ended in 41-41 tie. Lorne MacGuigan and Gerry Tingley, both of whom have put in a very productive year as far as basketball is concerned, led the Saint's in scoring each accounting for seventeen points. The second match according to all reports was a nerve wracking thriller from the start to the final whistle. The S.D.U. quintet held a narrow three point edge at the end of the half with the score board reading 16-13.

With less than a minute of playing time left they had slipped behind three points. But luck and skill, in no small part was with them. Tingley made good two foul shots and Captain Lorne MacGuigan a lay-up to pull ahead by one point as the time ran out. Bob Pearson and MacGuigan took scoring honours on Saturday night each having a 14 point performance.

First Team will be on the

UNGRADED EGGS

Our paying price to producers for ungraded eggs delivered Charlottetown today is—

- Grade A Large 39c
- Grade A Medium 36c
- Grade A Small 24c
- Grade B 24c

COME TRY THE SMOOTHEST CHEVY THAT EVER WHISPERED "BUY"!

Silence says volumes about Chevrolet! Quieter engines tell of super smoothness never bettered by any car at any price.

And Chevrolet moves from a standstill to cruising speed like greased lightning without the thunder. Then ride Chevy—and be even more amazed: One of two new suspensions smooths your way like broadloom — while 23 kinds of insulation in its Fisher Body all but swallow sound completely. Absolute newness from road to roof supplies the answer!

First, on a 30% stronger X-built frame, Chevrolet's stylists placed the sleekest, roomiest and most luxurious body they'd ever planned. But not before Fisher engineers saw to it that Chevrolet's "Sound Barrier" body matched its beauty in practical protection.

Next, Chevrolet increased its power range with the most efficient V8's ever built . . . radically new, with machined-in-block precision for pace-setting performance and economy. Total engine choice is now six, with four cream-smooth transmissions. It's the widest selection ever — available in every Chevrolet made!

Talk about smoothness! Chevrolet tops it off with a choice of two new rides: Standard on all Chevrolets, completely new Full Coil suspension means a big advance in riding comfort. Deep steel coils at all four wheels soak up road

shocks like a sponge! And Chevrolet engineers went even further to bring you the suspension news of the year — Level Air Ride — the lowest-priced air ride available!* You just have to try it to know how easy a ride can be!

Yet, with all its newness, this smoothest of all Chevrolets comes to you at its traditionally low price. Little wonder that Chevy's whispering "Buy!" to more Canadians than ever before. Come try 1958's most popular car at your Chevrolet dealer's soon!

*Optional, at small additional cost, on V8 models with automatic transmission.

See the Chevy Show . . . an hour of musical variety every Wednesday evening. Check your local TV listing for times.
