C. W. L. Membership

Continued from page 1

Queen Elizabeth's coronation.

Mrs. Frank Bussieres of Sillery, Que., submitted the report on social action, social welfare, child welfare, health and nutrition. She reported that a total of $49,823 was spent on welfare work in such categories as food, clothing and fuel to the sick and needy, overseas and flood and fire relief, aid to missions, spiritual aid and health aid. Social service work done by the league is in co-operation with social welfare workers, the report said.

Isabel Hutton of Ottawa, who submitted the report of the laws commitee, stated that the committee had been re-appointed and that by-laws of the organization were to come up for revision at the national convention in 1953.

Resolutions on the spiritual care of immigrants to Canada and on parental rights in education were adopted.

The resolution on immigration urged C. W. L. members to "offer the hand of Christian fellowship to new Canadians". Bishop John C. Cody of London, Ont., said the resolution was "carrying out the mandate of the bishops of the whole country."

Miss Hutton emphasized follow-up work.

Montague Town Council Meeting

...*The regular monthly meeting of the Montague Town Council was held last evening in the council room with Mayor B. H. Yeo presiding. Present were Councillors Hessian, Nicholson, McGowan, and Reynolds.

Following the reading of the minutes, the clerk, Mr. Arnold Wightman, presented the monthly bills which were approved. He also showed a combined general account and building account bank balance of approximately $3500.00. Slightly over 30 percent of the current taxes had been collected, he said, and a $500.00 bond on the Main Street concrete pavement had been retired. The balance to be retired is now $1500.00. He also said that the arrears presently totalled about $800.00, the bulk of which was unpaid poll tax.

Mayor Yeo presented approximately $20.00 paid in by those who had received some of the surplus gravel used on the paved streets. The clerk was instructed to bill those still outstanding.

Considerable discussion took place regarding license fees, and it was moved that all license fees from non-resident contractors, labourers, carpenters, electricians, plumbers, painters, masons, etc., will be collected according to Section 172 of the town by-laws.

Several complaints were received respecting damage being done by children using air rifles, and after discussion it was moved that the police should seize and destroy any bow and arrow, catapult, or air-gun in any street or public place in the town.

Concillor Nicholson reporting for the Fire Department said that the equipment had been checked, and was now considered in perfect working order. Councillor Reynolds said that the library in the Town Building had been painted and the floor varnished. Councillor McGowan, chairman of the street committee, reported that the streets were in good condition, but that some work would have to be done on Locust Street before the late fall season.

Montague Home, School Meeting

A meeting of the Montague Home and School Association was held last evening at the Montague School. The meeting was presided over by the vice-president, Dr. Archie Hilchie in the absence of the president, Dr. G. S. A. Inman.

The minutes of the previous meeting were read by Mrs. J. D. MacLeod, in the absence of the secretary, and were approved as read.

Following the reading of the minutes, considerable discussion ensued respecting the proposed activities for the Hallowe'en parties.

It was decided to call a special meeting in the near future to appoint special committees to look after the different parties.

The great necessity of a bookcase and filing cabinet for the teachers' room was stressed, owing to the fact that it was practically impossible to retain the school records. It was decided to leave the question in abeyance till a later meeting.

There being no further business, the meeting adjourned.

When Children's Eyes Are Bigger Than Their Stomachs . . .

There is no need now to administer drastic, old-fashioned laxatives which may shock a child's system and leave them feeling weak and listless. Try the new modern help—Children's Own Tablets—made especially for children, from 3 to 15 years, by the makers of Baby's Own Tablets—your assurance of a reliable product. They go to work at once to help sweeten the stomach, relieve distress and bring about a thorough performance of the bowels in a *gentle* manner. Get a package today at your druggist. Only 50¢.

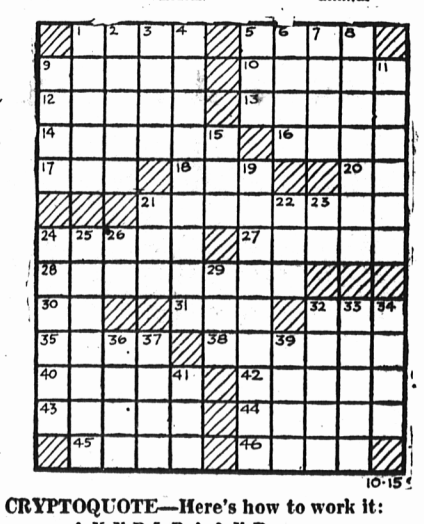
Yesterday's Answer



DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L R A A X R
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
