Hockey School Concluded

The provincial department of education's annual hockey school came to a close with a lecture at the YMCA last night. The school had a record high of 75 persons registered for the session which featured Leighton 'Hap' Emms, former NHL star and present owner of the Niagara Falls junior 'A' hockey club, as chief instructor for the clinic.

We attended an informal dinner at the Queen Hotel with Mr. Emms, last night, and we found this renowned hockey figure to possess some very original ideas on the world amateur situation along with his vast knowledge of the game. 'Hap' told us he believes the Canadian National hockey team is knocking its head against a brick wall in attempting to win the world amateur hockey championship; until they go to the National Hockey League for some much needed help, Emms figures they're out of luck.

Mr. Emms told this observer that he awoke at 3.00 a.m. a few mornings ago with the Canadian National Hockey team on his mind. 'Hap' says the solution to the problem is relatively simple. Emms believes the CAHA should go to the NHL and ask for six of its best players, one from each team, for the period of the tourney; than the American League and do the same think and likewise in the United States pro loop.

Mr. Emms said, "take this team to Europe with a couple weeks of practice sessions and play the Russians or any other European team under any rules they want." Then and only then does 'Hap' believe that Canadians will be able to regain supremacy in the world amateur tournament.

This move is going to take co-operation from both the National Hockey League and the CAHA, but Mr. Emms says until this is done Canada's hopes of regaining the position it once held in the world amateur hockey tournament are next to nil.

As it stands now they (Canadians) are expecting second rate hockey players to play as a first class team. 'Hap' said he even had his first line picked out of his dream team: "Henri Richard at centre, Gordie Howe on right wing and Bobby Hull at the left wing spot, which is a fair forward combination". We are in full agreement with Mr. Emms and we can only hope that some of his logic will rub off on some of the people who are in a position to do something about the situation.

'Hap,' his wife, and Gilles Marcotte will be leaving the province today. Marcotte is one of the stars of his Niagara Falls junior 'A' club and 'Hap' brought him along in the capacity of demonstrator for the ice sessions. We think it was an excellent idea as it is good for the students to see how certain parts of the game are executed as well as being told. Mrs. Emms apparently enjoyed her brief stay on the Island as 'Hap' told us she mentioned returning to P.E.I. during the summer months. We are sure they would be made most welcome, by all Islanders.

This columnist has seldom seen a keener student of the game of hockey than 'Hap' Emms and we feel the local hockey clinic was most fortunate in having such a fine man conduct their annual clinic.

Best of luck to 'Hap' Emms in what ever task he takes up next.

Tid Bits From Here And There

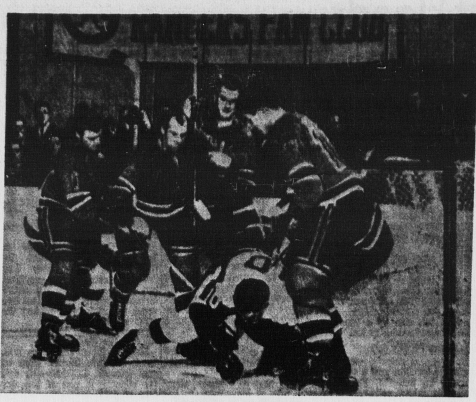
Rogers Rangers continued to lord it over the Charlottetown and District junior hockey league, as they blasted North River juniors 13-3 at the Charlottetown Forum, Tuesday night. Although, this may be good for Rogers Rangers it certaintly isn't good for the Charlottetown and District junior hockey loop.

We feel the solution to the problem lies with the players and management of the St. Dunstan's High School hockey team. This columnist thinks that a solution to the problem would be for each of the other three teams in the junior loop to be allowed to pick up one line and one defenceman from the High School team; and in this way give the league some balance along with providing the SDHS players with a league to play in.

The objective of this league under the presidency of Brig. Al Rogers is to provide junior hockey for as many youngsters as possible and we think it has been serving its purpose well, but it needs balance if it is going to capture the interest of the local hockey fans.

Congratulations to the Lakehead All-Stars in their performance against the Russian national hockey team. We could be wrong on this but to the best of our knowledge this Lakehead squad isn't accustomed to any better competition than our Maritime Senior League. So the Russians aren't as close to the NHL as they thought, if this is the case.

Kevin Smith has been suspended from the Charlottetown and District junior league for protesting to vigoriously with league officials. Smith will sit out two games in the junior schedule.



SURROUNDED

Nationals Top Combines; Gerard Roberts Gets Three

SUMMERSIDE — Paced by three goals by Gerard Roberts and two by playing coach Jim MacLeod, Borden Nationals bombed Enman Drug Combines 9-4 in a Prince County Hockey League game here last night. The Nationals are now within four points of leading RCAF Eagles.

The Nationals took advantage of the Combines bogged down defence aided by the absence of a corps of suspended rear guards, Dave MacLeod, Leroy Clow and Dennis Clow. All three sat out the **one game.** Combines forward Allie DesRoches was the lone bright spot for the Combines as he scored two goals and assisted on another.

Combines goalie MacGuigan was hurt and was replaced by sub Tony Rivard for the final period. The game was relatively clean as only three minor penalties were handed out.

The Nats took a 2-0 first period lead on goals by Game Keough and Dale MacWilliams, scored another two in the opening 40 seconds of the middle period and led 7-2 going into the final 20 minutes

Black Hawks Nip Boston Gordie Howe Scores Twice

CHICAGO (AP) — Goals by Phil Esposito and Bobby Hull in the final period gave Chicago Black Hawks a 7-5 victory over Boston Bruins in a loosely-played National Hockey League game Wednesday night.

The victory, their fifth in a row, moved the Hawks into a tie with Toronto Maple Leafs for third place.

The last-period markers were the second of the game for both Hull and Esposito.

Hull's was his 25th of the season and No. 250 for his career.

Esposito's two goals were his 10th and 11th of the year.

Hull also was credited with three assists and boosted his league-leading point total to 38 points.

Doug Mohns of the Hawks scored twice in the first period against his former mates to help Chicago build up a 3-2 lead. Chico Maki was the other Chicago scorer, while Johnny Bucyk and Wayne Maxner of Halifax beat Chicago gaolie Denis DeJordy for the Bruins.

BRUINS STORM BACK

Esposito's first goal pulled the Hawks out front 4-2 early in the second period, but the last-place Bruins stormed back with goals by Dean Prentice and Maxner, his second, to pull Boston even at 4-4.

Hull then converted on a pass from Esposito to put the Hawks ahead 5 - 2, but Bill Knibbs lashed a rebound off Reg Fleming's shot past DeJordy and the Bruins were even again at 5-5

The goals by Prentice, Maxner, Hull and Knibbs came within one minute, 24 seconds.

Esposito's winning goals, on a goal-mouth pass by Maki, hit Bruins goalie Ed Johnston's pads and just trickled through. Hull's final goal went into an empty net after the Bruins had pulled Johnston in favor of a sixth offensive player.

DETROIT 7, NEW YORK 3
BULLETIN

NEW YORK (AP) — Gordie Howe snapped a 12-game scoring drought with two goals as Detroit Red Wings whipped three fast second-period shots Paille and went on to beat New behind substitute goalie Marcel York Rangers 7-3 in a National Hockey League game Wednesday night.

Howe's first score, which came while he was killing a penalty, capped the three - goal spurt in a span of four minutes and 15 seconds of the second period after Paille replaced Jacques Plante, who twisted a knee and had to leave the game.

Bruce MacGregor and Eddie Joyal scored the other Red Wing goals which snapped a 2-2 tie that existed after the first period.

Rod Gilbert's power - play goal at 18:04 of the opening period had tied it after Detroit clicked twice inside of a minute while the Rangers were shorthanded to take the early lead.

Ron Murphy and Norm Ullman, both converting passes from Howe and Alex Delvecchio, scored the goals.

Jean Ratelle's first goal of the season opened the scoring at 7:03 of the first period. Then Lou Angotti and Harry Howell both were penalized, giving Detroit a two - man advantage. Murphy scored first and then, with New York still one man short, Ullman hit.

The Rangers pressed early in the second period, but Plante got hurt and the game was delayed 10 minutes while Paille dressed to replace him.

MacGregor's 10th goal, off a pretty pass from Parker MacDonald, gave the Wings the lead. Then, 43 seconds later, with Paille partially screened, Joyal clicked. Howe's goal finished the flurry.

The goal snapped the longest scoring slump in Howe's 19 years in the NHL. Gordie scored again in the third period as did Delvecchio.

Vic Hadfield scored for New York in the third period.

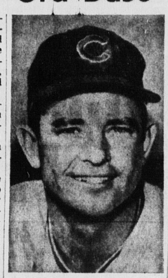
Colts Aspromonte Sets Record For 3rd Base

CINCINNATI (AP)—Bob Aspromonte of Houston set a National League record for third basemen and joined teammate Eddie Kasko among the circuit's fielding leaders in 1964, the official averages showed Wednesday.

Pitcher Larry Jackson of Chicago Cubs and second baseman Bill Mazeroski of Pittsburgh established major league records and the Cincinnati Reds led in club fielding with a .979 average.

Houston and Milwaukee Braves were the only clubs to place more than one player among the individual pace-setters. Aspromonte headed the third basemen with a .973 mark and Kasko the shortstops at .978. The Braves' representatives were second basemen Frank Bolling .985 and catcher Joe Torre .995.

Aspromonte committed only 11 errors in 405 total chances. The previous mark for fewest errors by a third baseman was 13 set by Stan Hack of the Cubs in 1937.



LARRY JACKSON

The other percentage leaders were first baseman Bill White of St. Louis and outfielder Tony Gonzalez, Philadelphia, each with a .996 slate, and Chicago's Jackson, whose record-breaking performance was accomplished by handling 109 chances without an error.

Bolling paced the NL second basemen for the third time. Gonzalez and Jackson each led at his position for the second time.

Mazeroski, although he finished sixth in average, led the second basemen in participating in double plays for a record fifth consecutive year. He took part in 122 last season.

Gonzalez committed only one error in 249 chances. Curt Flood of St. Louis and Johnny Callison, Philadelphia tied for second with .988 marks.

Bills Place 5 Players On AFL All-Star Team

NEW YORK (AP)—Buffalo placed six men on the Associated Press' all-star team of the American Football League and Boston and San Diego each earned five positions in the voting of the 24-man panel, three from each league city.

The Buffalo team that dominated the league in early season play while reeling off nine straight victories put tackle Stew Barber, guard Billy Shaw and fullback Cookie Gilchrist on the offensive unit and tackle Tom Sestak, linebacker Mike Stratton and safety man George Saimes on the defensive team.

Boston's contingent includes quarterback Babe Parilli and guard Billy Neighbors plus defensive end Larry Eisenhauer, middle linebacker Nick Buoniconti and safety Ron Hall.

San Diego spotted flanker Lance Alworth, running back Keith Lincoln and offensive tackle Ron Mix on the first club along with defensive end Earl Faison and Ernie Ladd, the 6 -foot - 9, 321 - pound defensive tackle.

Kansas City's Fred Arabanas won the tight end position by a landslide vote and cornerback Dave Grayson of the Chiefs also made the first team.

New York's lone representative was corner linebacker Larry Grantham. Houston placed flanker-end Charley Hennigan, the league's leading pass catcher. Jim Otto, an all-star centre in every year of the league's existence, was Oakland's only contribution, and corner back Willie Brown of Denver was the Broncos' only representative.

Flyweight Champ Has Until Jan. 1

TORONTO (CP)—Pone Kingpetch, world flyweight boxing champion from Thailand, has until Jan. 1 to sign for a match in defence of his title, L. M. McKenzie, World Boxing Association president, said Wednesday.

"If he does not, he will be removed as champion and a tournament will be arranged to find a successor," McKenzie said in an interview.

He explained that in all weight classes except heavyweight, a title-holder may wait six months before fighting one of the first six contenders. He may wait another six months before fighting the first-ranked contender. Heavyweight title-holders have a year's interim before a challenge fight.

McKenzie named Salvatore Burruni of Italy first-ranked flyweight contender, followed by Royuko Ebihara of Japan, Horacio Acaullo of Argentina and Alacran Torres of Mexico.

Simpson Doesn't Agree With Smythe's Theory

WINNIPEG (CP) — Stafford Smythe must be kidding with his suggestion to pit the National Hockey League old-timers against Czechoslovakia, coach Gordon Simpson of Canada's national hockey team said Wednesday.

"The NHL old-timers would get a shock from the Czechs," Simpson said in an interview.

Smythe, president of Maple Leaf Gardens in Toronto, said he would ask the Canadian Amateur Hockey Association to allow the old-timers instead of the national team to meet Czechoslovakia at the Gardens Jan. 10.

If the CAHA refuses the switch, Smythe said he would have to consider calling off the Canada - Czechoslovakia game and refunding ticket money. He criticized the quality of the Canadian team, which lost 4-0 to Russia in Toronto Sunday.

SEES BAD PUBLICITY

Simpson said Smythe is stirring up a lot of bad publicity.

Simpsons said the NHL oldtimers were good in their day but they would be unable to stay with Czechoslovakia or Russia for 60 minutes.

The Winnipeg-based national team, comprising players from the Winnipeg Maroons, last season's Canadian senior champions, and the Canadian Olympic team, meet the Russians again here Thursday night.

Simpson said earlier the Canadian team will revise strategy for the second meeting, deemphasizing forechecking.

Rangers Meet PWC Tonight

Tonight at the Charlottetown Forum Rogers Rangers, undefeated in league play, will face Prince of Wales College Welshmen at 8:30 p.m.

The Rangers fresh from their 13-3 romp over the Juniors from North River will be heavily favored to win, but the Welshmen have been showing signs of a fighting team in their last few games and could pull an upset.

Rogers may be unable to score very many goals tonight after scoring 21 goals in their last two outings. The Welshmen meanwhile have not been playing for the past few weeks and should be able to give a real good account of themselves.

Basketball In Morell

There will be two basketball games played in Morell today starting at 4:00 p.m.

The first game will have girls from Souris facing the girls at Morell Regional High. This game will be followed immediately by a boys game which will be between Souris and Morell Regional High.

Both these games are exhibition matches that should prove interesting and exciting.

SPORT ECHOES

Everyone Wins In P.C.H.L.

The Enman Drug Combines defeated the R.C.A.F. Eagles 7-4. The Junior Legionnaires beat the Combines 5-2. The Eagles trounced the Juniors 9-3. How's that for a merry-go-round? It's the sort of thing that keeps hockey suspenseful and exciting. If certain boys will try to forget the Cassius Clay routine and settle down to hockey, rugged and body-belting if you will, but still hockey, we think this year's edition of the P.C.H.L. might turn out to be quite a success. But it wouldn't take too many exhibitions like last Friday to put hockey on the skids in Summerside.

Tuesday night's game at the RCAF Station rink seemed to hold promise for better things to come—for the referees. Only two penalties in the game, both for minor infractions, which didn't generate any ill-will. The Juniors skated with the Eagles in the first period and held them scoreless. But after Dennis Arsenault of the Juniors had opened the scoring early in the second period, the RCAF hit their stride, and the Juniors were never in the picture from then on in. It could easily have been more lopsided than 9-3, if Gary Somers in the Junior cage hadn't put up his best game of the season. Most of those which beat him were quick tap-ins or rebounds, giving him little chance, and he robbed the Eagles of more goals by spectacular saves. Gerry Campbell in the opposite net was also doing a good job, but he was not under such fierce bombardment as Somers.

Boxing Is A Strange Game

Boxing is a strange game. The other night Joey Giardello came out of a fight looking like a freight train hit him. His opponent Rubin Carter, might have come out of a beauty parlor. But Giardello won on points. All the judges, all the ringside sports reporters, everybody but the United Press, giving him the verdict It's apparently how often you hit the other fellow, not how hard you hit him. Of course, if you can floor him, it helps, and if you knock him out, that eliminates all the judges' mathematics.

Is Gordie Howe Through?

Have too many birthdays finally caught up with Gordie Howe? We hope not, as he has been the sort of hero that a lot of fans get quite a charge out of cheering for. It's surprising how many Canadians have Detroit as their favorites, and nearly always it's because of that tall, gangly forward named Howe. We have a feeling, and it's a happy feeling, that Howe is not ready for the scrap heap yet He'll break this slump of his one of these nights, wait and see.
