

NURSING MOTHERS

want Scott's emulsion of cod-liver oil, almost without exception. So before they get to be mothers, eating for two is no small tax, continued for months.

The emulsion not only is food itself; it gives strength for digesting usual food.

If the milk is scanty or poor, the emulsion increases supply and enriches quality.

We'll send you a little to try if you like.

NOTICE TO ELECTORS.

QUALIFICATION OF VOTERS, AND HOW TO VOTE.

In electoral districts of this Province the voting takes place by ballot. There is no registration of voters here.

Every male British subject of the age of 21 years and upwards who has for six months previous to the 9th day of October, A. D., 1900, been in the possession either as owner, tenant or occupant of a house or piece of land of the yearly value of six dollars shall be entitled to vote.

IN ADDITION TO ABOVE.

In country districts every male British subject of the age of 21 years who is liable to perform Statute Labour, has performed such Statute Labour or has paid his commutation money for the year 1900 shall be entitled to vote provided he has resided for twelve months in the electoral Division.

IN THE CITY OF CHARLOTTETOWN.

If a person cannot qualify as a tenant or owner, he may vote on his poll tax,

IF

He has resided for twelve months previous to the 9th day of October, A. D., 1900 either east or west of Great George Street, and has paid his poll tax or 75cts of it for the year 1899. OR HE CAN VOTE ON HIS POLL TAX RECEIPT FOR THE PRESENT YEAR 1900. This tax may be paid at any time before the election, but not on election day.

Every resident voter must vote in the polling district where he is living on election day.

ONLY MAKE A CROSS.

Mark your Ballot as above indicated. Simply place a X in the space containing the name of *William S. Stewart*, the people's candidate for West Queen's. Place no other mark upon the ballot.

The cross must be made with a BLACK lead pencil. No other kind will do.

Following Irregularities Held Fatal to Votes

- 1.—A single stroke instead of a cross.
- 2.—A mark which in itself is a means of identification, such as initials or some other mark known as used by him.
- 3.—Two single strokes not crossing.

No PERSON who has voted at the election shall in any legal proceeding be required to state for whom he voted.—See Sec. 97 of the Election Act

The election law of the Dominion provides for perfect secrecy of the ballot, except in case of a scrutiny before two judges of the Supreme Court. Before a scrutiny can be held, the person desiring one must deposit in Court one thousand dollars as security that he will be successful. No ballot can be examined until it has been first proved that the voter has no vote, and no vote under any circumstances can be examined unless it has been marked objected to before the vote was given. No vote can be marked objected after the voter has received his ballot.

The ballots after being counted are sealed and sent to the Returning officer who without opening the packet or breaking the seals transmits them to the Clerk of the Crown in Chancery, and whilst in the custody of the Clerk of the Crown in Chancery no person is allowed to inspect them.

Besides the polling officers and the agents of the candidates, only one elector may enter the polling booth at a time; he MUST mark his ballot in secret, he MUST hand his ballot folded to the polling officer, who MUST place it in the box without opening, and there is a penalty for displaying the ballot in any way that would afford a clue as to how the elector is voting.

LIPTON'S PORK DEAL.

As a result of his deal at Chicago, Sir Thomas Lipton is believed to have made \$350,000. There were only 35,000 barrels of pork that could be delivered, and the English market bought them all as well as twice the number bought from people who did not have a barrel they could deliver. When the price reached \$16, some time ago, the majority of shorts thought it time to buy some of the pork they had contracted to deliver approximately \$11 per bbl. during October. Numerous private settlements are said to have been made, so that while bearish speculators in pork have received some painful financial injuries the wounds have not been mortal. A private settlement of 1,000 bbls. was made near the end of the session. Lipton's representative allowed a belated short to take that amount at \$18 per bbl. assuring the buyer that at the close the price would be \$20. That he knew whereof he spoke was made plain to everybody, for as the closing bell sounded shorts were shouting bids of \$20.

GOLDWIN SMITH'S COMMENT.

TORONTO, Oct. 31.—In his By-stander Notes in today's weekly Sun, Mr. Goldwin Smith says:

"Nobody supposes that the offer of a Senatorship for ten thousand dollars was made to Mr. Cook by order-in-council or in an official letter, signed by the Prime Minister. Few doubt that an offer was made.

"What is the use of fiercely prosecuting the pretty satellites of corruption, the men who stuff ballots or slip a five dollar bill into a voter's hand, if the great crimes, great treasons, as they are under a popular Government, are to be passed over by the shrug of the shoulder as familiar incidents of party war."

The lost child, who presently finds his way home in the policeman's protecting arms, is hugged to his mother's heart with a new joy. But the mother's heart is empty as her arms when her children are lost for life. How many a woman goes through such an experience, appealing in vain for help to local doctors, who confess that they are "puzzled" to understand the cause of the trouble.

In similar cases Dr. Pierce's Favorite Prescription has been used with such success that its record commends it to every woman whose children fail of vitality. "Favorite Prescription" gives the mother strength to give her child. It strengthens the female organism, giving great elasticity to the organs of maternity, and making the baby's advent practically painless. It is the true woman's medicine, establishing regularity, drying weakening drains, and healing inflammation.

"I can cheerfully recommend Doctor Pierce's Favorite Prescription as the best medicine for women," writes Mrs. Mary Murdock, of 229 Taylor St., Topeka, Kansas. I am the mother of ten children and only one living—the tenth one. She is one year old and is as well and hearty as can be. She is a beauty. Of my other babies, some were born at right time, but dead, others were premature births; one lived to be one year old, but she was always feeble. I tried different doctors, but none of them could tell what my trouble was. They said I was well and strong. I was examined by surgeons, but they found nothing wrong, and they were puzzled to know what my trouble was. I did not know what to do, so I thought this last time I would try Dr. Pierce's Favorite Prescription. I took it the entire nine months and now I have a fine baby girl, and I cannot praise your medicine enough for the good it did me."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent free on receipt of 35 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.
