NEW YORK

NEW YORK (AP)—The stock market Monday went through another session of mild decline as volume sank to the smallest total in nearly three months.

The stock list held an irregular upward balance most of the day but trading dried up as it became apparent that the list was going nowhere in particular.

Volume was 4,510,000 shares compared with 4,930,000 Friday, the lightest since Feb. 19 when it was 4,260,000.

The Dow Jones industrial average took a minor loss of 1.50 at 827.07.

Chemicals and rails were mostly higher and utilities were steady on balance. Steels which rallied last week, showed losses.

Of 1,340 issues traded, losers outnumbered gainers by 550 to 507.

S AND P INDEX DOWN

Standard and Poor's 500-stock index declined .10 to 80.90.

The Associated Press average of 60 stocks emerged with a slight gain of .3 at 306.8.

Despite the generally lower trend, there was enough speculative interest to bring plus signs to 11 of the 15 most active stocks. Four declined.

Texas Gulf Sulphur remained popular with traders and advanced 1⅞ to 56 on 297,100 shares, making it the most active stock. Second was Chrysler, which erased an early gain and closed with a net loss of ½ at 50⅝ on 148,100 shares. Third was Radio Corp., up ¼ at 33½ on 119,900 shares.

Next came Sperry Rand, off ¼ at 15⅝, and Curtis Publishing, up ¼ at 15¼.

XEROX GAINS

Active gainers included Xerox, up 3¾, Pure Oil, up 1⅜ and Control Data, up 1.

A gain of 1¾ by du Pont helped cushion the averages. Standard Oil of Indiana rose 3 to 79½.

J. I. Case was up 1 to 15½. Kern County was down 1¼.

Thompson Ramo Wooldridge added ⅜.

Hupp Corp. said it had developed a new flame-proof diesel engine. It rose to 7⅞.

REPUBLIC STEEL LOSES

Republic Steel lost 1, Lukens and Jones and Laughlin 1½, Merck 2, Homestake 1, U.S. Steel ½, Ford ¼, Polaroid 1½ and Allied Chemical 1.

Illinois Central rose 1, Southern Pacific ¾, New York Central ¼, U.S. Smelting 4¼, High Voltage Engineering 1¾ and American Motors ⅜.

Among Canadian issues traded, Walker Gooderham and Canadian Pacific each rose ⅜ while Distillers Seagrams was up ¼ and Aluminium Ltd. and International Nickel advanced ⅛ apiece. Dome Mines and McIntyre Porcupine lost ¼ each.

On the American Exchange, prices were irregularly lower. Volume was 1,390,000 shares compared with 1,510,000 Friday. Scurry Rainbow Oil rose ½, Canadian Javelin ⅜ and Jupiter Corp ⅛. Preston lost 5-16.

Rambler No. 1 in sales
for North American 6 cylinder wagons

now comes in a wide new variety of wagon models and engine options

Is economy your watchword? Take a look at the American, Canada's *lowest priced* 4-door wagon. Its 6-cylinder engine (90 or 125 hp) delivers the power you need with the gas-saving economy and utility you want.

If you're at the other end of the scale and want luxury combined with V8 power and performance, the wagon for you is the Ambassador V8 (250 or 270 hp). Its interiors are rich. Its appointments are tasteful. Its features are superb. But don't let its elegance fool you. The Ambassador combines luxury with ample cargo space and station wagon convenience. It's unlike any station wagon you've ever owned.

Maybe you want a happy medium between economy and luxury. The Classic is built for your needs. Choose a 6-cylinder engine (127 or 138 hp) or a V8 (198 hp). The Classic takes the kids to school, your wife shopping, you to the country. It's both a hard-working hauler and a Sunday-drive pleasure car. No wonder the Classic 6 leads all other 6-cylinder wagons in North American sales.

With a Rambler wagon, annoying station wagon squeaks and rattles are a thing of the past, thanks to exclusive Single Unit Construction and Uniside body panels. You can drive it as simply as a sedan, yet full-size cargo space gives it the convenient hauling ability of a pick-up. You get the world's best rust-proofing; Double Safety Brakes; Ceramic-Armored Muffler; distinctive curved-glass side windows; a gleaming Roof-Top Travel Rack.

We could tell you a lot more. We won't. A 15-minute test drive is worth a thousand words. You'll never know how versatile a station wagon can be until you drive a Rambler. Your Rambler Dealer has your test drive ignition keys. See him today.

YOU'LL NEVER KNOW HOW VERSATILE A STATION WAGON CAN BE UNTIL YOU TEST-DRIVE A
