Twin Sons Are Born To Polo Star

(By Roger D. Greene, Associated Press Staff Writer)
NEW YORK, July 9.—There's a saying out at Meadow Brook where the polo ponies streak across the turf: "Hitchcocks aren't taught to walk; they're taught to ride." And today the polo world and the world's greatest polo player, Tommy Hitchcock, Jr., perennial

10-goal star, had two new Hitchcocks, twin sons, to carry on the name and the tradition.
The new potential mallet-men of polo fame—sons and grandsons of outstanding poloists—were born to Mrs. Hitchcock at Woman's Hospital. They weighed 7 pounds 10 ounces, and 7 pounds 8 ounces. Tommy already has two fine daughters so parenthood is not new to him. But you couldn't find him today down at his offices at Lehman Brothers, investment bankers—and he won't be in all day, the girl on the telephone said.
Girls are all right, because they'll tell you at Meadow Brook Tommy's own mother played polo with the best of them until a few years before her death in 1934.

Poultry Culler Service

The Department of Agriculture intend placing poultry cullers at the service of the farmers at the earliest possible date. Poultry farmers are asked to notify the Department immediately if they wish their flocks culled.

In making application the mail address and the name of the school district should be given. Applications for this service should be made at once so that complete lists of poultry men may be compiled before the cullers start on the road.

Is your constipation becoming a burden, not only to you but to those around you? Is it wrecking your disposition as well as your health? Many suffer needlessly, for common constipation is usually due to nothing more than a lack of "bulk" in the diet. Kellogg's ALL-BRAN is a ready-to-eat cereal which supplies the "bulk" necessary to regular bowel movements. Eat ALL-BRAN every morning with milk, cream or fruit, or in the form of delicious muffins. Drink plenty of water. Give regular habits a chance to rebuild health and happiness.

Presentation

Mr. and Mrs. Richard Murphy wish to thank the good people of Bonshaw and vicinity for their kindness and generosity for on the eve of their departure for U. S. A. they gathered at the home of Mr. and Mrs. John McManus and presented Mr. and Mrs. Murphy with a very beautiful casserole, set in a silver stand, and also a set of silver salts and peppers. Mr. Geddie MacLeod acted as chairman while Miss Marguerite Crosby read a very love address and Mrs. Sterling MacLeod made the presentation.

Mr. and Mrs. Murphy replied with a few words of thanks.
All joined in singing "For They're a Jolly Good Couple".
Dancing was then indulged in. Mr. Walter Toole and Mr. Charlie Toole furnished the good music. The ladies then served a very delicious lunch. A special treat of the evening was a Highland Fling Dance by Miss Vera Buchanan and a Tap Dance by Miss Betty McManus. Before leaving for home all joined in singing "Auld Lang Syne".
The following address was read:—
Mr. and Mrs. Richard A. Murphy—We, your friends and neighbours of Bonshaw and vicinity have assembled here tonight to express to you our best wishes for your future happiness. You, Clara, have been highly esteemed in this district by everyone, and although you have been away from us for some time your congenial disposition and your willingness to assist us at all times we extend to you, Mr. Murphy, cordial welcome to our fair island province. To those of us, who have had the pleasure of your acquaintance since you came to our province we will always be reminded of your friendly and pleasing manner.
In closing we ask you to please accept this small gift, not just because of rule, but as a pleasant reminder of your friends in Bonshaw. We wish you "Bon Voyage" back home and Au Revoir until we meet again.
Signed on behalf of the people of Bonshaw and Vicinity and Marguerite Crosby and Mrs. Sterling MacLeod.
