At Charlottetown, Prince Edward Island, on the 29th October, of Measles, aged 4 years and 8 months, Francis Cecil, second son of Frederick and Sarah Hardinge, and grandson of the late William Hardinge, of the Treasury, Dublin Castle and Rose Lawn, in the County of Dublin, Esquire, and maternal grandson of Major J. Pope, late 5th Cavalry Hon. E. I. C. Service.

"Behold he taketh away, who can hinder him? Who will say unto him, what doeth thou?"

At East Point, on the 9th inst., of Pleurisy, Joseph, eldest son of Mr. Gabriel and Mary McIntyre, in the 9th year of his age.

"I am alone in my chamber now,
And the midnight hour is near;
And the faggots crack and the clock's dull tick
Are the only sounds I hear;
And over my soul, in its solitude,
Sweet feelings of sadness glide,
For my heart and my eyes are full when I think
Of the little boy that died.

"I went one night to my father's house—
Went home to the dear ones all—
And softly I opened the garden gate,
And softly the door of the hall,
My mother came out to meet her son—
She kissed me and then she sighed,
And her head fell on my neck, and wept
For the little boy that died.

"I shall miss him when the flowers come,
In the garden where he played;
I shall miss him more by the fire-side,
When the flowers have all decayed.
I shall see his toys and his empty chair,
And the horse he used to ride;
And they will speak with a silent speech
Of the little boy that died.

"We shall go home to our father's house—
To our Father's house in the skies,
Where the hope of our souls shall have no blight,
Our love no broken ties;
We shall roam on the banks of the river of peace,
And bathe in its blissful tide;
And one of the joys of our heaven shall be
The little boy that died."

On Tuesday, 23d inst., at his Son's residence, Summerside, Lot 17, after five days illness, Catherine Lefurgey, relict of the late William A. Lefurgey, aged 76 years—Much and deservedly regretted.

Also, on the same day, at the same place of Heart Disease, Jane, wife of Wm. Godfrey, age 19 years.

October 29, from Milford shipyard, Orwell, by Mr. Alexander McRae, a fine little Brigantine of 99 tons, for the same party, called *Tam O'Shanter*. This vessel was launched with a fair wind, and having her square sails set, sailed down the river in gallant style to the loading ground.

Oct. 31, a staunch Brigantine from the ship yard of A. McDonald & Brothers, of Pisquid, 107 tons, new measure, called the *Frances*, for the same party, Mr. Benjamin Davies, of this city. The above vessels are built for the English market, have been inspected and classed at Lloyd's, and are to load with oats for England.

To the Editor of the Examiner.

SIR,—I have much pleasure in acknowledging the receipt of forty eight dollars, in addition to that already received, from Mrs. Stevenson, on behalf of the sufferers by the late fire. Also the sum of Two Pounds from the Hon. E. Whelan, for the same object. WM. DODD, Sec'y & Treas.

THE LAWS OF HEALTH.

It is useless for State Legislatures to pass laws for the preservation of the public health, if the *great law of self-preservation*, which depends for its enforcement upon the *will of the individual*, is suffered to remain a dead letter.

There is scarcely an adult member of the community, of either sex, in this country, who has not seen the testimony in favor of HOSTETTER'S STOMACH BITTERS furnished over their own signatures by persons of acknowledged eminence in science, literature, art, commerce, and every department of business and professional life. These witnesses have declared in the most explicit terms that the preparation is a safeguard against epidemics, a sovereign remedy for dyspepsia, a valuable anti-bilious medicine, a promoter of appetite, a genial and harmless stimulant, a good acclimating medicine, a strengthener of the nerves, a general invigorant, a protection against the deleterious effects of malaria and impure water, and that it imparts a degree of activity and vigour to the vital forces which is not communicated by any other of the tonics and stomachics in use. Under these circumstances the self-preservative law of nature should teach every rational person who, either by reason of inherent debility, or in consequence of exposure to unwholesome influences, is in peril of losing the greatest of all temporal blessings, HEALTH, the importance of using the BITTERS as a *defensive medicine*. Dyspeptics who neglect to give it a trial are simply their own enemies. It is guaranteed to cure Indigestion in all its forms, and the bilious and nervous will find nothing in the whole range of official and proprietory medicines which will afford the same relief.

Holloway's Pills—The stomach and its troubles cause more discomfort and bring more unhappiness than is commonly supposed. The thousand ills that settle there may be prevented or dislodged by the judicious use of these purifying Pills, which act as a sure, gentle, anti acid aperient, without annoying the nerves of the most susceptible, or irritating the most delicate organization. Holloway's Pills will bestow comfort and confer relief on every headachy, dyspeptic, and sickly sufferer, whose tortures make him a burden to himself and a bugbear to his friends. These Pills have long been the popular remedy for a weak stomach, for a disordered liver, or a paralysed digestion, which yield without difficulty to their regulating, purifying, and tonic qualities.

ALLOW ME TO SAY A WORD for myself. I have been using MRS. WINSLOW'S SOOTHING SYRUP in my family since first introduced in this city. I think it an excellent article, and would not be without it on any consideration.

[Extract from J. D. Adams' letter to Chicago Times.

It softens the gums, reduces inflammation, regulates the bowels, cures wind colic and corrects acidity, gives rest and health to the child and comforts the mother.

Those who are suffering from Coughs, Colds, Hoarseness, Sore Throat, &c., should try "*The Troches*," a simple remedy which is in almost every case effectual.

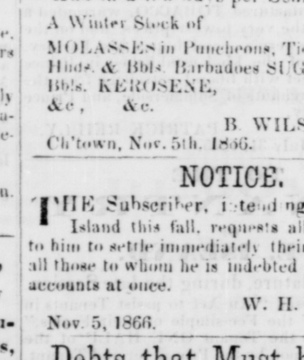
Ayer's Cherry Pectoral,



FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

SO wide is the field of its usefulness and so numerous are its cures, that in almost every section of country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits upon the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and other eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with, also, full descriptions of the complaints our remedies cure.

Those who require an *alterative medicine* to purify the blood will find AYER'S COMP. EXT. SARSAPARILLA the one to use. Try it once, and you will concede its value.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and Dealers in Medicine everywhere.

NEW ADVERTISEMENTS.

NEW TRIUMPHS OF ROGERS' MEDICINES.

Run your eye over them and tell your affected neighbour about it.

Miss Soley, 5 years a cripple, made to Walk by ROGERS' MEDICINE.

NORTH RIVER, Onslow, May 1st, 1866.

MESSRS ROGERS & CO.:

About five years ago, my knee began to swell and feel weak, and at the same time, my health began to fail. I went to a Doctor, and he wanted to perform an operation on my knee, but I would not consent to it. He then advised blisting, which I tried, but it did not help me any. I then tried a great many remedies advised by neighbors and friends, but I kept getting worse. I used Rad Oil but it did not have the least effect on my knee. I took a few bottles of Kennedy's Discovery and a few bottles of Ayer's Sarsaparilla. Both of them seemed to help me a little at first, but after a little they did no good. At last an ulcer broke out on my cheek. Then my father took me to another Doctor, and he doctored me for some time. He cured the ulcer, but he did not help my knee. Soon after that, I began to use your Medicines. I had not taken them long until I began to get better, and I have been getting better ever since, and am now well.

GEORGIANNA SOLEY.

This lady writes us that she has not walked on her leg for five years. R. & Co.

MESSRS. ROGERS & CO:
GENTS—

About nine years ago, a small wart grew just above my eye. It continued to enlarge, and in about eighteen months it ulcerated and became very troublesome, and seemed to assume a cancerous nature. The Doctors could not cure it. I used various remedies in vain, until I became quite discouraged. Hearing of your wonderful medicine, I procured some, and by two weeks use of it, I was entirely cured. With cheerfulness I recommend your medicine to those similarly afflicted.

MARY COOPER.

BIG GLACE BAY, Sept. 3, 1866.

MESSRS ROGERS & CO.

Gents —My little boy having for several years been afflicted with running sores in his arms and legs, and various remedies been applied without effect, I was induced to try your Scrofula Ointment and Syrup. I accordingly purchased a Box of the Ointment and a bottle of Syrup, and am happy to state that from using two Boxes and Bottles my boy is now able to go about with hardly any appearance of lameness. I believe it to be all that it is recommended to be, and would strongly recommend all persons so afflicted to give it a trial.

I am, Gentlemen, yours truly,
FRANCIS LEWIS.

MESSRS ROGERS & CO.:

Gentlemen,—In reference to the case of EPITHELIOMA OF THE LIP, in which I used Ointment, I beg to say that the patient entirely recovered and has continued well ever since. I have also used the Medicine in some cases of obstinate skin disease with much benefit. I believe it to be a valuable remedy in many otherwise intractible cases.

Windsor, N. S., May, 1866. H. H. READ, M. D.

Stormont, Guysboro', 17th April, 1866.

Messrs Rogers & Co.,—

Gents,—Your medicine has made another wonderful cure

Thomas Cooper, Esq., of Lochaber Lake, (Storekeeper) got some for his wife who had been affected with Scrofula for *seven years*, and nothing she got from the Doctors did her any good. Mr. Cooper says her face was in a dreadful state with running sores, and is now well; as he expressed it: "It made a total cure of her."

Yours truly,
