 NEW YORK (AP) — Dean Dean, who said recently that some youngsters in Little League baseball are doing too much too soon, can find support among doctors.  
 Several medical men say that while proud papa's frustrated big leaguer, himself — cheers

**Bombers Release Four Players**  
 WINNPEG (CP) — Winnipeg Blue Bombers Thursday announced the release of four players to meet a Western Football Conference cutoff deadline.  
 Club rosters had to be pared 34 by noon Thursday. The Bombers now have 15 Americans and 19 Canadians on the roster.

Released were guards Ray Ash and Ted Mikleloch, full-back Dennis Liebrecht and tackle Al Hinton.  
 All are Canadians except Hinton, newsman from the University of Iowa.  
 Ash and Mikleloch were with the bomb last year. Liebrecht was a newcomer.  
 Club rosters must be pared 34 to 33 on the day of the fourth league game.

 Opening lead—three of clubs  
 This hand was played in the European championships last year in the match between Switzerland and Italy. At both tables the final contract was four spades and at each table the three of clubs was led.  
 The play varied after the first trick, but in each case South went down one. The Swiss declarer took the ace of clubs and led the ace and another diamond, planning to ruff a diamond in dummy later and thus establish his ten-trick trump.  
 East won the diamond with 10-9.

**The Guardian, Charlottetown, Sat. Aug. 11, 1962. 9**  
 of persistent soreness hospital treatment is required.  
 "The elbow is not fully formed in a boy of that age," the doctor said. "Also in many cases there is not proper warm-up."  
 The doctor said many youngsters are placed on a pitcher's mound, "and inspired to maximum efforts by the adulation of their contemporaries and the exhortations of their often viciously ambitious parents, at the worst possible time in their lives—as far as the elbow is concerned."  
 Dr. Brodgen added: "I think the Little League does a world of good. But I don't think arm flame should be pushed too hard, especially when the ones doing the pushing are often fathers who are ill-warted baseball players."  
 The boy's father informs me that the arm healed properly and the boy is pitching again, but he's throwing overhead this year.

**DAILY CRYPTOQUOTE** — Here's how to work it:  
 The letters in the word are arranged in a long fellow.  
 One letter simply stands for another. In this sample it is used for the three I's. For the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.
