SINCERITY OF PROHIBITIONISTS.

MR. EDITOR.—Are temperance workers including the members of the Dominion Alliance sincere in their advocacy of Prohibition? During the past week a number of political meetings have been held in different parts of the Belfast and Murray Harbor districts. The central figure and principal speaker at these meetings was Sir Louis H. Davis, a prominent member of the Dominion Cabinet. These meetings were attended by a large number of temperance supporters and workers, including clergymen, many of them occupying places on the platform with the speaker—men whom I have heard declare at public temperance meetings during the plebiscite campaign that the Government had promised Prohibition if a majority of the electors at the polls voted for and that they had confidence in the Government, and if they did not, they would force-verse to have confidence in them! Well we know the outcome of that campaign, and we naturally expected that when an opportunity offered strong resolutions condemning the Government would be passed, backed up by emphatic speeches and endorsed by an outraged and insulted electorate. I have watched the reports of the various meetings and have not seen that any such resolutions have been passed or any expressions of indignation heard. I can imagine Sir Louis meeting his colleagues when he gets back to Ottawa, putting on his most winning smile, rubbing his hands gleefully and exclaiming: "I told you so; I held a number of party meetings on the Island; (excluding the wicked Tories as much as possible) and not one of our loyal supporters ever questioned our actions on this nasty question of Prohibition."

MILLTOWN MEETING.

SIR.—McKinnon and Davies' meeting was held at Milltown this afternoon. The Hall, which is not very large, was about two-thirds full, which included quite a number of children. There were some 50 or 60 electors present. The first speaker was D. A. McKinnon, who talked flippantly in his usual reckless and boasting style. This address fell flat on the ears of the electors, many of whom are disgusted with his election appeals.

Sir Louis Davies next came forward and spoke for about one hour, dwelling considerably on the fact of the Grit government at Ottawa being composed of business men. He named Mulock, Blair, Fielding, Fisher and Sifton;—but very strange to say he failed to name the Master of the Administration, Tarte. He told us in one breath that the Railway and Bridge were now the law of the land, and then turning a complete somersault, said that "it might be stopped yet"; "I don't deny the power of the people"; "I do not offer this as a threat." But notwithstanding his attempt to conceal the threat, it was very plainly seen by the meeting what the object was. The electors here well understand his tactics and are not determined to accept his dictation. By the general tone of the speakers it was plainly evident that they feel they are working in a lost cause.

The attempt to raise enthusiasm in behalf of McKinnon completely failed.

ESTEE ME DEXCHANGES.

Mail and Empire: Judging by the endearment with which Mr. Greenway has sprung the Manitoba general election, that astute politician views the growing popularity of Hon. Hugh John McDonald with alarm, and is trying to pull through before it is too late. A few months ago the Manitoba government announced that the contest might be looked for next summer. More recently—last week, indeed—Mr. Cameron, declared that there would be no election until after Christmas. Now a sharp turn has been made, and the nominations will take place in ten days, and the polling on the 7th of next month.

DIED.

In this city, on Nov. 18th, 1899, after a short illness of one night, Janie, beloved daughter of John and Ann White, in the 14th year of her age.

One precious to our hearts has gone,
The voice we loved is stilled;
The place made vacant in our home
Can never more be filled.

Our Father in His wisdom called
The boon His love had given,
And though on earth the body lies
The soul is safe in Heaven.

FOOTBALL.

The postponed football match between the Abegweits and the S. D. C's took place on the C. A. A. grounds yesterday afternoon about 4 o'clock. The grounds were very wet, making it disagreeable for the players, and unfavorable for good playing. The S. D. C's defended the northern goal, and the Abegweits the southern goal. Bethune kicked the ball off. The play in the first half was very exciting, no points being scored. In the second half the Abegweits had it mostly their own way. In this half no points were scored, till about five minutes before the finish, when Bethune made a touch down which resulted in a goal. No more points were made the score standing 5-0 in favor of the Abegweits.

In the first half, shortly after the beginning of play, D. A. McKinnon received a very severe cut under the left eye, necessitating a few stitches. He played to the finish, however.

Mr. J. M. Sullivan refereed the game.

There were about forty couples in attendance, and all fully appreciated the choice programme of dances and the excellent music furnished by Miss Burris. The young gentlemen who promoted the dance are to be congratulated upon the large measure of success which attended their efforts.

THE TEMPERANCE CONCERT.—Company "A" of the Loyal Crusaders were again favored with a crowded house on Monday evening. These entertainments are becoming more and more popular. The raising of the flags and banners by the children was a special and pleasing feature of last night's concert. The singing, dialogues, recitations and readings were well rendered while the band instruments and graphophone gave to the programme a pleasant variety. The concert opened at 7:30 and closed at sharp nine, and everyone went home pleased and satisfied with the evening's entertainment. We wish the young temperance crusaders continued and abundant success.

The total vote in South Renfrew, Ontario, polled last year was 4,447. In the by-election on Tuesday last about 2,200 votes were polled, of which Mr. McGarry, (the conservative) secured over 1,100 and Mr. Latchford (the liberal) about 1,330. In other words the conservative candidate showed an increase of 125 and the number of Liberal votes decreased over 2,000, which causes the Ottawa Citizen to remark that it was a moral victory for the Conservatives.
