IN MEMORIAM

BURNS—In loving memory of our dear son Lemuel F. Burns who passed away May 7th, 1941. Sweet are the memories that never fade. Of one we loved but could not save. Always so true, unselfish and kind. Few in this world, his equal you'll find. A beautiful life that came to an end. He died as he lived everyone's friend. God is good he gives us strength. To bear our heavy cross. He is the only one who knows. How bitter is our loss. Inserted by his parents, Mr. and Mrs. Athol Burns.

BREHAUT—In loving memory of Robert S. Brehaut who died May 7, 1956. Not just today but every day. In silence we remember you. Sadly missed by his wife and family.

Dutch Look On Canada With Great Interest

MONTREAL (CP)—Prince Bernhard of The Netherlands said Monday his country looks on Canada with great fascination and interest. He said this is because Canada is a country in which "two great cultures have met in one great nation, a fact filled with promises and possibilities for mutual advancement." The prince, husband of Queen Juliana of The Netherlands, spoke after the University of Montreal conferred upon him an honorary doctorate. He will receive a similar honor from the University of British Columbia when he visits Vancouver near the end of his nine-day visit to Canada. He said Canada also will be enriched by the loyalty of other ethnic groups, including the thousands of new Canadians from the Netherlands. The statements were included in a text of the speech issued to the press before delivery. The prince diverted from his French text to speak briefly in Dutch, then translated into French. He regarded the honor conferred upon him as testimony of the great sympathy that the Canadian people extends to its fellow citizens of Dutch origin.
