BASEBALL CONTROVERSY

Sir,—If the present controversy over the Junior Baseball Game is to be cleared up, it is felt by many that the suggestion advanced by Freddie MacCabe is the best solution to the present yak-yak by all concerned.

The majority of leagues throughout Canada have in some way, an overall executive to which complaints and protests are submitted for final decisions. These complaints are given a hearing and the decision is binding to all players or teams. If P. E. I. has some body to which complaints and protests are heard it is suggested that the Department of Physical Fitness take the initiative in setting up this governing body through the various ball clubs throughout the Island. With each club submitting four or five names of persons interested in ball, have these men brought together and form a governing body of three or five persons to examine complaints and protests. If P. E. I. has a body in existence the present hostility between Charlottetown and Summerside would have been subdued by the action and decision taken as to the eligibility of the persons concerned participating in future baseball.

As to Mr. Clark's suggestion (Saturday's Guardian) that Summerside take the initiative and form an inter-city sport, this would practically wipe out sport on the Island. I am sure we would not want to see a wholesaler in Ontario or Quebec refusing to buy 95,000 bags of potatoes because he found one or two bad ones. Let us be sensible now, rather than be sorry later.

I am, Sir, etc.
D. R. RHODENHIZER

Indians Gain Ground On Yanks; Dodgers Win

Cleveland Indians gained ground on New York Yankees in the American League pennant race Sunday while Brooklyn Dodgers enlarged their lead over New York Giants in the national to five games.

Husky Mike Garcia and Steve Gromek pitched the Indians to 4-0 and 3-1 victories over St. Louis Browns to cut the Yanks' advantage to two games. The Yanks defeated Washington 5-1 behind the eight-hit pitching of Ed Lopat and a grand-slam pinch-hit home run by Johnny Mize.

Preacher Roe, a surprise starter backed by four home runs, hurled the Dodgers to a 4-1 victory over Boston Braves in the third game of their five game series which will be completed Monday with a day-night doubleheader.

Other American League games saw Boston Red Sox trounce Philadelphia Athletics 12-5 and Detroit nip Chicago White Sox 4-2. In remaining National League games, St. Louis nosed out Pittsburgh, 4-3.

Chicago Cubs tripped Cincinnati, 6-1, and Philadelphia Phillies edged Boston Braves 2-1 after the Braves completed Saturday night's suspended game by posting a 3-1 triumph.

Garcia blanked the Browns on six hits in posting his 19th victory and fifth shutout in the opener at Cleveland. The Indians solved former teammate Gene Bearden for only four hits but bunched two of them along with two walks to score three runs in the first inning. Luke Easter tripled in the first run and Harry Simpson the next two with a double.

The Indians also were outlined in the second game 8-5 but the Tribe won out in the third when Wally Westlake's easy fly to centerfield

BFC Lowers Record In Abbreviated Card

Bonnie Frisco Can, a bay mare driven by George Sobey of Summerside lowered her track record by one and three fifth seconds here Saturday night in a racing card that was called off at the end of the fourth dash on account of rain.

Sobey drove Bonnie Frisco Can over the mile in 2:14 3-5. The Frisco mare was forced to her record breaking mile by Bessie Budlong and Lassie Lucille who finished a close second and third.

Bessie Budlong set the pace and led almost to the wire. Bessie opened a good lead at the five eights pole but Bonnie Frisco and Lassie Lucille gained on the wire. Both horses came on in the stretch with Bonnie Frisco winning by a half length and a photo being needed to decide second place between Bessie Budlong and Lassie Lucille.

Norine Grattan, Wait N' See and Milldale were the other heat winners. Wait N' See, who has been a winner in his three trips to the gate, trotted his way to victory with a stretch drive Saturday night. Len O'Meara drove the bay gelding on the outside most of the mile but the old warrior showed plenty of stamina in coming home to win in 2:16.

Milldale was an easy winner in the fourth race as Willard Kelly took her to the top at the five eights mark. Carl Aubrey finished second and Frankie Budlong a close third.

Norine Grattan led from pole to pole in winning the opening dash.

High Quality Racing Seen In Futurities

The high quality of the annual Futurities was pointed up last year by the record breaking performance of Dr. J. A. Truro owned entry which set a new Maritime record for three-year-old pacers, of 2:12 1-5.

There are a number of colts this year who are capable of giving the records a scare.

The trotting record for two-year-olds, 2:22 1-4 was made at Charlottetown on Sept. 7, 1936 by Guy Kalmuck, owned by Mr. Geo. B. Lewis, Charlottetown, and driven by Willard Kelly. Guy Kalmuck was by Kalmuck, dam Ima Guy.

Royal Bank by Federal, dam Volo Ray, and owned by Frank A. Ryder of Moncton, established the two-year-old pacing record 2:19 1-5, at Charlottetown on Sept. 13, 1951. Royal Bank was driven by Harley Harrison.

The three-year-old record was written into Charlottetown track history, Sept. 12 last year by Dr. J. A. which clicked off the mile in 2:12 1-5. Dr. J. A. is owned by Doctor J. A. Donahue of Truro, and was driven by Ray O'Brien.

Dr. J. A. is by Simcoe Harvester out of a Calumet Budlong mare.

Hillside Scott by Bellini Scott, dam Nessler, set up the three-year-old trotting record at New Glasgow, Nova Scotia, on Sept. 13, 1939. Hillside Scott was driven by Johnny Conroy.

Dairymen Even Softball Play Offs With 2nd Win

The John Kelly coached Sunshine Island Dairy climbed back into the running for the City League Softball title yesterday afternoon by defeating the Liguorian Youth Club 21-17 in a game played on the Old Diamond.

For the Dairymen it was their second straight win over the L Y C and their victory tied the series at two games each. The fifth and deciding game will be played Tuesday evening possibly on Memorial Field.

The milkmen won the game in the middle innings by scoring 18 of their 21 runs in the third, fourth and fifth frames. The L Y C scored in all but the fourth inning. Their best inning was the fifth when they came up with seven runs.

Charlie Ballem went the distance for the winners. He struck out three and walked seven in picking up his first win of the series.

Jimmy Gauthier started on the mound for the L Y C but retired in the fifth inning. Gauthier was injured in a collision at the plate in the second inning and the effects showed in his hurling. Wilf Shephard finished the game and held the Dairymen to one run in the last four frames.

Cliff Jackson socked the only homer in the free scoring game when he drove one of Gauthier's offerings into deep left field. Len Arsenault of the Dairymen hit two triples and Jack Hennessey of the L Y C had four singles.

The game was handled by Malcolm MacPadden with M. Monaghan at first base and Ted Flanagan at third.

Sedgman Wins Tennis Crown

FOREST HILLS, N. Y., Sept. 7 (AP)—Australia's Frank Sedgman, the world's No. 1 tennis player, stormed past 36-year-old Gardner Mulloy of Miami, Fla., 6-1, 6-2, 6-3 today to win the United States men's singles championship for the second time.

It missed only by one game tying the all-time record for one-sided hidings in the final of the event. Bill Tilden gave up only five games in trouncing Wallace F. Johnson back in 1921.

Mulloy won six, half of them in a gallant third set. The time of the mis-match was 47 minutes flat, almost certainly a modern record.

When he had recovered his breath, Mulloy apologized to the throng for having "ruined" the final. "Next year," he observed, "Sedgman will be a year older, and then I'll get him."

Maureen Connolly, the 17-year-old from San Diego, retained her women's title almost as decisively as Sedgman did the men's. She defeated Doris Hart of Coral Gables, Fla., now a four-time loser in the finals, by scores of 6-3, 7-5, but it was not really close.

MacNeills Two Run Homer In Ninth Gives MCA 7-6 Win Over RCAF

Rightfielder Elmer MacNeill of Maritime Central Airways pulled another Bobby Thompson trick on Memorial Field yesterday evening when he came through with a dramatic two run homer in the last of the ninth inning to give M.C.A. a 7-6 win over the R.C. A. F. Royals in the second game of the Island Intermediate baseball finals.

MacNeill's blow, a terrific blast over the right field fence with two men out, enabled the M.C.A. nine to come from behind and eke out their win over a hard playing team of airmen from the Summerside base. The series is tied up at one game each.

The airmen were only an out away from winning their second series game when the hard hitting MacNeill crumbled their hopes. With Irving MacKinnon on first base MacNeill went for the first pitch that came across the plate and from the moment he connected with the ash there was no doubt but that the ball game was over.

The ball soared high over the short right field fence and MacNeill scampered around the base paths behind MacKinnon. The M.C.A. players threw hats, gloves, and baseballs into the ash in delight and carried their home run hero from the field on their shoulders.

But MacNeill's home run was made possible only by the pinch hitting act of M.C.A.'s coach Jimmy MacDonald. MacDonald, better known as a pitching star, went in to pinch hit for Lefty MacAleer in the ninth and he opened the inning with a sharp single into right field.

His work completed Fiddler retired from the game and sent in Joe Pineau as a pinch runner. Pineau was forced at second for the first out. Irving MacKinnon then reached first on a fielders choice with Lorne Hennessey being forced at second for the out number two. At this point MacNeill came to the plate.

Waldo Munroe, the piano playing lefthander who has been beating out a rhythmic tune of wins for M.C.A. on Memorial Field, set the airmen down on nine hits and save for the second and eighth innings had clear sailing.

But those second and eighth innings almost caused Munroe to lose his first game in the intermediate playoffs. The airmen took off on the lefthander for four runs and four hits in the second frame and came up with two runs and three hits in the eighth.

The most damaging blow was a long home run smash by Todd in the second. Todd blasted a Munroe pitch into centre field that sailed over Wilson's head and permitted two men to score.

The loss was a tough one for Taylor of the Air Force. Taylor entered the game in the fourth to relieve MacKinnon who had lost his control. He held M.C.A. to two runs until MacNeill socked his game-winning homer.

Glen Matheson, M.C.A. third baseman led all batters with three hits in four trips. Matheson punched out three singles and scored MacNeill from third in the first inning.

Bill Green and Pratt of the Air Force set the pace for the airmen's attack with two hits each. MacKenzie and Todd, however,

hanged out the most damaging hits.

The M.C.A. infield turned in an excellent fielding display with the keystone combination of Stan Richard and MacKenzie being outstanding. MacKenzie had eight chances and Richard seven and all of them were handled without an error. They also pulled off a double play, Gunner Cox to MacKenzie to Pratt.

Art Hughes, M.C.A. lefthander, had a busy day in the outer gardens, having five chances, two of them being good running catches.
