ALL CURES MADE EASY

BY

HOLLOWAY'S OINTMENT

Bad Legs, Ulcerous Sores, Bad Breasts.

No description of wound, sore or ulcer can resist the healing properties of this excellent Ointment. The worst case readily assume a healthy appearance whenever this medical agent is applied; sound flesh springs up from the bottom of the wound, inflammation of the surrounding skin is arrested and a complete and permanent cure quickly follow the use of the ointment.

Piles, Fistulas, and Internal Inflammation

These distressing and weakening diseases may with certainty be cured by the sufferers themselves, if they will use Holloway's ointment, and closely attend to the printed instructions. It should be well rubbed upon the neighboring parts, when all obnoxious matter will be removed. A poultice of bread and water may sometimes be applied at bed time with advantage; the most scrupulous cleanliness must be observed. If those who read this paragraph will bring it under the notice of such of their acquaintances whom it may concern, they will render a service that will never be forgotten, as a cure is certain.

Rheumatism, Gout and Neuralgia.

Nothing has the power of reducing inflammation and subduing pain in these complaints in the same degree as Holloway's cooling Ointment and purifying Pills. When used simultaneously they drive all inflammation and depravities from the system, subdue and remove all enlargement of the joints, and leave the sinews and muscles lax and uncontracted. A cure may always be effected, even under the worst circumstance, if the use of these medicines be persevered in.

Eruptions, Scald Head, Ringworm, and other Skin Diseases.

After fomentation with warm water, the utmost relief and speediest cure can be readily obtained in all complaints affecting the skin and joints, by the simultaneous use of the Ointment and Pills. But it must be remembered that nearly all skin diseases indicate the depravity of the blood and derangement of the liver and stomach consequently in many cases, time is required to purify the blood, which will be effected by a judicious use of the Pills. The general health will readily be improved, although the eruption may be driven out more freely than before, and which should be promoted; perseverance is necessary.

On the appearance of any of these maladies the Ointment should be well rubbed at least three times a day upon the neck and upper part of the chest, so as to penetrate to the glands, as salt is forced into meat: this course will at once remove inflammation and ulceration. The worst cases will yield to this treatment by following the printed directions.

Scrofula or King's Evil and Swelling of the Glands.

This class of cases may be cured by Holloway's purifying Pills and Ointment, as their double action of purifying the blood and strengthening the system renders them more affable than any other remedy for all complaints of a scrofula nature. As the blood is impure, liver, stomach and bowels being much deranged, require purifying medicine to bring about a cure.

Both the Ointment and Pills should be used in the following cases:—
