LOVERS of celery unwittingly "kill two birds with the one stone." Celery to them is like sweets to the children, they eat it simply because they are fond of it—but at the same time it is food and medicine. You buy a bunch of celery from Gay & Son, but do not expect a bottle of "Pain Celery Compound, or package of food preparation thrown in. All the same the essence of food and medicine is in the celery. Gay & Son only charge for the one, the other is free gratis.

At the conference at Dantzic, Sept. 1, of 800 delegates from various German Catholic societies it was decided to promote an international Catholic congress, the object of which would be to discuss the restoration of the Pope's temporal power. It was also decided to take steps to commemorate the Pope's birthday (March 2) by the erection of a monument at Meppen, Hanover, to the memory of the late Dr. Ludwig Withthorst, formerly leader of the Centre party in the Reichstag, and the recognized head of the Roman Catholic party in Germany.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children's white cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.
