MR. AND MRS. COLLINS LEA WOOD

**Double Ring Ceremony Unites A Happy Couple**

Bunbury United Church was the scene of a pretty autumn wedding, October 10, 1958 when Margaret Rose Rhynes was united in marriage with Mr. Collins Lea Wood. The bride is the daughter of Mr. and Mrs. Alex Rhynes, West Royalty and the groom's parents are Mr. and Mrs. Clarence Wood.

The double-ring ceremony was performed by Rev. T. R. Gouge. The young bride entered the church on the arm of her father to the strains of the Wedding March played by Mrs. C. J. Wood who also accompanied the soloist Mr. Harley Ings as he sang "O Father All Creating" previous to the ceremony and "Breathe on Me Breath of God" during the signing of the register.

The church was tastefully decorated with baskets of gladioli and mixed autumn flowers. The guest pews were marked with white bows of tulle and flowers.

The bride looked lovely in a ballerina length dress of blue net over taffeta with matching bolero and headpiece. She carried a bouquet of yellow carnations with white streamers. Her only pieces of jewelry were pearl earrings.

The bride's only attendant was Miss Marlene Peters who wore a ballerina length dress of yellow nylon net over taffeta with matching accessories. She carried a bouquet of bronze carnations.

Mr. Lloyd MacDonald, friend of the groom was best man. Mr. Clarence Woolridge ushered the guests to the pews.

Mrs. Rhynes chose for her daughter's wedding a navy dress

**Young Canada Book Week Observed At The Library**

This is the tenth year that the Canadian Library Association has sponsored Young Canada's Book Week, November 15th, to the 21st, and all across Canada libraries and book shops are ready to help boys and girls become more informed about books and reading. The C.B.C. network and your local station C.F.C.Y. will carry programmes. Newspapers and magazines, through special features, will provide a National background to the local community celebration.

The object of Book Week is to arouse interest in good literature for boys and girls and to stimulate pleasure in reading. It has been said that "Books are the food of youth." Even before children are ready for school, and long before they themselves can read, books are a necessary part of their lives. Being read to at an early age is a nourishment as vital as the food they eat.

A good book for a child is a Christmas present that will give lasting pleasure. Visit the Children's Department of your Public Library and see the Display As in previous years we are distributing to the boys and girls gay and attractive book makers, which carry a selective list of books for children of all ages.

At the Charlottetown Library there will be a special display of books suitable to boys and girls of all ages. Canada's book Week is your opportunity to become informed about the many fine books available for children. What does your child like to do? Is he interested in collecting stamps? Is he interested in music? Has he pets to care for? Whatever it is, there is a book to help him get more enjoyment from his own favourite hobby.

Boys' and girls' interests can be as many and varied as the books they read.
