

PANTHER

BEAT

When Edwards took the podium to accept the award she announced that she wanted to share the award with another outstanding athlete who had helped lift her team to new heights this year.

Edwards acknowledged Field Hockey player Debbie White for her great year in helping the Lady Panthers Field Hockey

team make the playoffs for the first time ever and come within a hair of upsetting the powerful U.N.B. squad.

I don't think anyone can argue with these selections as they represented their teams and University most proudly this past year.

Business Wins IRHL Title

After crumbling the great wall of marion hall the outstanding business team went on to rock the hurricanes in a close 11 - 0 victory to take home the coveted intramural recreation hockey league title. The business squad showed their superiority in offence, defence and goaltending as Trevor Marshall, the business netminder, stonewalled the aggressive hurricane assault to record his first shutout of the season. The fabulous four (Larry Robbins, David Coffin, Greg Deagle, and Darren Noonan) assisted Trevor defensively and also accounted for one of the eleven goals. The other ten goals were scored by Terry Soloman, Bobby Cudmore, Lloyd MacDonald, Rudy Smith, Lowell Sherry,

and Carl Johnston. Unfortunately, Don Gorman, who played a very strong offensive game, failed to beat the hurricane goaltender with his awarded penalty shot.

missing
Much to the dismay of the business team Mike Bustard and Andrew MacDonald were unable to attend the hockey final. Both Mike and Andrew were major factors in the destruction of the marion hall team; Mike played a extremely strong defensive game while Andrew rifled home the winning goal in sudden death overtime.

knucklemania
The business team was anxiously awaiting the moment when

they would collide with the blanchard hall knucklers. Unfortunately the first place knucklers failed to beat the underdog forth place Blanchard Hall Hurricanes, I guess they were finally beginning to show their true colors.

year in review
It was a great year for the business team as they beat all eight teams in the league and in return were only handed loses by three of them, two of which were defaults (do to the heavy exam schedules all studious business majors incur). Outstanding performances were given by all members of the awesome business squad throughout the year and with continued support of all members the future can only be bright.

Pool Tournament

The final night of Tournaments was played on Tuesday, March 28 in the Panther Lounge with eleven of the sixteen qualifiers competing for the Labatt's prizes. The three successful participants were

- 1st Bob Griffon
- 2nd Murray Mackinnon
- 3rd Adam Gabriel

This was the first organized tournament in the Lounge in a couple of years and was successful thanks to Labatts, Little Christo's and all who sponsored prizes and participated to make it possible.
