"Well, in a way... but 'paying' we hope" he chuckled.

"But I guess its a pretty slow way of getting a flock," he commented turning to James for his opinion of the venture.

"It's a good way," James replied. "To my mind, there's no better way than to start an undertaking like that in a smallish way."

"And if we have luck, we'll soon have six—two lambs apiece," the lad reasoned with the optimism of his years.

"And if they have one each," James smiled, pinning him closer to reality, "wouldn't that give you a good return for your outlay? But mind, James cautioned, 'in this world, we have to work for what we gain! They'll cost you many a step, but if you take good care of them, there's no telling how big your flock will one day be. Yes," he said, "I've seen fine flocks and herds grow from pretty small beginnings. With care and a bit of work... well, you just never can tell!"

The lad nodded "But it will be all to the good," he smiled, "if they do have four, and they're all ewes!"

And not a star in the sky to indicate clearing weather, nor a bow of January moon to wish upon.

Until tomorrow... Diary

Baking Powder

Any combination such as milk, water, or other fluid contains baking powder, the liquid should always be cool or cold. If warm, the heat will expand and release the gases in the baking powder too quickly.

Inflamed Nose

An effectual remedy for an inflamed nose is to make applications of equal parts of witch hazel and pure alcohol.

Oysters

Care should be taken that the oysters are not overcooked, as this has a tendency to make them indigestible.

ledge can be acquired in one fell swoop, sex least of all. There is no book, no form of instruction comparable to complete understanding between parent and child. When that exists, questions and answers come in a normal way; facts aren't presented to a youngster too soon, nor are they withheld too long.

If you have friends who are perplexed by this problem, advise them against the book method, and urge them to cultivate the confidence of their children.

DEAR MISS DIX: I have two boy friends, Gordon and Robert. Gordon and I went together last year and were quite fond of each other, but I haven't seen him for five months. Then Robert appeared on the scene and we dated for a while, then he went overseas. He asked me to wait for him, but as yet I haven't given him my decision. I still like Gordon better. Do you think there's a chance he'll come back?

ANSWER: It would be very unfair for you to promise Robert to wait when your heart still belonged to Gordon. Perhaps you just need more time to get over your first beau, and perhaps he might come back. In either case, this is no time to give a soldier false hopes. Tell Robert you'd like to continue being friends with him, but that you are not ready to give any pledges.

Miss Nissen cannot reply personally to readers but will answer problems of interest through this column.

Barbara Brent's BUYS WHY'S

MONTREAL, January 14th—Here's a bright new note for your winter menus... something to make the folks sit up and take notice! All you need to make their meals exciting these cold, frosty days is HEINZ TOMATO KETCHUP and the handy FREE RECIPE BOOKLET called "Cooking with Ketchup". If the Heinz Ketchup you buy doesn't have the recipe book attached, simply write to me, Barbara Brent, 1411 Crescent St., Montreal, P.Q.

You'll find so many good ideas for relieving the monotony of winter meals, right in this handy little booklet. And of course, Heinz Ketchup is "Red Magic" at any meal. I never buy less than two bottles at a time—one for cooking and one for the table. In fact, I'm sure to keep all of the "Red Magic" Heinz Tomato Products on hand, always.

Let's Resolve to take things a bit easier... in 54. Agree? Then let's always have that cup of coffee when we want it! Because now, with the NEW INSTANT CHASE & SANBORN COFFEE... we can have superb coffee in a jiffy—and just the way we want it, strong, medium or mild. No boiler. No time wasted. Pop the coffee granules into your cup; add boiling water. Watch the granules dissolve into full-bodied fragrant coffee. Then sit back and enjoy the sheer enjoyment of coffee that's 100% good! Added pleasure is the fact that you save up to 40c a pound on Instant Chase & Sanborn, over the price of ordinary coffee. Coffee—when you want it... as you want it!

A Word To The Wise... when anyone in your family has symptoms of a chest cold—use MENTHOLATUM. This is good advice to pass on to your friends, too! Apply Mentholatum liberally to the throat, chest and back. Massage until the skin is glowing. Cover right away with a well-warmed flannel cloth. You see, Mentholatum contains fast-acting, medicinal ingredients in its smooth base—to help loosen tightness and ease soreness. Remember, Mentholatum is particularly safe and gentle for children's tender skin. Send for a free generous sample today, Barbara Brent, 1411 Crescent St., Montreal.

There's Always A First Time!—And the first time you pick up a box of FACE-ELLE tissue handkerchiefs you are in for a pleasant surprise. You get so much extra comfort at no extra cost... a satin-smooth, pliable softness that's always kind to the nose... that extra absorbency so important for head-cold use... and essential strength that makes Face-elle the most practical of all tissue handkerchiefs. Whether you get Face-elle in regular 2-ply (green box)... or 3-ply cushioned (pink box)... or the big man-size... or Face-elle in dainty pastel colors, you'll be glad you broke away from habit-buying and gave Face-elle a try!
