MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat. in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. TESTIMONIAL.

DEAR SIR,—As there seems to be another endeavor on the part of some persons to drive Dr. Baynes into a corner and from the Island, I think it time for his friends to again come to his rescue and publish the benefits he has conferred upon them, so that others may know where to apply for like benefits. My case was of long standing, the result of a weak circulation, and baffled the combined skill of half a dozen Island doctors. I am pleased to bear testimony that if it had not been for the skill Dr. Baynes showed I would to-day be helpless. Before applying to him I was unable to saw or attend to my household duties. After the first week's treatment I saw a change and have steadily improved, till now I can perform my duties as well as ever. Yours, etc.,

H. W. C. GALBRAITH.

SCROFULA AND SALT RHEUM.

Dear Mr. Eagar.

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,
