

Miners Snap Atlantic's Winning Streak With 3-0 Shutout At The Bay

GLACE BAY, N. S., Oct. 30 (CP)—Glance Bay Miners humbled Halifax Atlantics 3-0 in a clean, close-checking Maritime Major Hockey League game tonight that snapped the Atlantic's five-game winning streak.

Miners held a decided edge, outshooting the visitors 30-10 in the first two periods. And goalie Don Lockhart, easily the best in the league last season, turned back a last-period drive in admirable style to keep his shutout.

Glance Bay now are only two points behind Sydney Millionaires and Charlottetown Islanders, and six behind the first-place Atlantics.

Home-brew Neil Amadio, in top form, scored two goals within five minutes of the second period and Bill McCracken added the other two minutes later.

There were four penalties, three to Halifax.

Hughie Campbell, Billy Watson, and King hovered about the Miners' goal in the wide-open third period but couldn't slip it past Lockhart.

Line-ups:—

Montague Student Does Well At College Regatta

Friends in Montague will be interested to learn that Mr. Malcolm Johnston, eldest son of Dr. and Mrs. L. A. Johnston, won the right to represent Toronto University at the intercollegiate regatta held at Point Claire Yacht Club near Montreal by virtue of being second in the preliminary trials held at Toronto.

Mr. Johnston's boat, of which he was the skipper, together with the first entry from Toronto, were successful in winning the most points at the regatta, defeating McGill, Queens and Royal Military College. Mr. Johnston won a first, second, third and a fifth, while the second Toronto boat won three thirds and a fifth. Mr. Johnston's boat was a 12-foot cat boat, gaff-rigged dingie used in the Olympic trials last summer. Mr. Johnston is attending Toronto University where he is taking a course in dentistry.

MONCTON, Oct. 30 (CP)—Playing coach Morrie Hamilton tonight released his starting lineup for the New Brunswick Senior Hockey League game Saturday with Fredericton Capitals. Ten local players were on the roster and five imports, four of whom played last season with the Hawks in the Maritime Major Hockey League.

George Allard, Flin Flon, Man., who came to the Hawks from Sydney Millionaires, drew the starting assignment to goal. Frank Roper of Charlottetown will also be available.

Laurie May, Winnipeg, will team with Eddie Booth, a Moncton junior last season, on one defence, while Norvel (Red) Olsen, Port Arthur, Ont., will work with veteran Moncton rearguard Gene Poirier as the other defence unit.

George Robinson will centre for Mike Demchuk and Ronnie Gaudet.

Three juniors, Steve Davies, Max Gauvin and Bob McMinn, will form the second line.

Bob MacDougall, another local junior, will centre for Bob Rao and Len Poirier, George Scholes, Toronto and Hamilton, also will play.

The left wing vacancy that has been plaguing the Islanders since the opening of the League will be filled this week-end when Don Bellinger reports here from his Kingston, Ontario home. Don has wired the Islanders for transportation and expects to be here on Saturday. Last year he was selected as All Star left winger in the M. M. H. L. and during the season scored 21 goals and picked up 35 assists. A fast, aggressive skater he should be quite a help to the team. Don did not intend to play at the start of this season and was subsequently placed on the suspended list by the Islanders.

Murph Chamberlain and the Islanders checked in from Cape Breton about eight o'clock last night following a rugged trip. The players, travelling by car, were forced to take the long road home as the Wood Islands ferry did not make the late crossing on account of a heavy sea. They were minus Jimmy MacKenzie who came home earlier with a broken cheek bone.

Jimmy suffered the injury in the game at Glance Bay Tuesday night when struck by a puck under the left eye. The cheek bone was broken and according to medical information Jimmy may be out of action for two weeks. Then he will only be able to play with the use of a face guard. The Islanders also have another casualty in Lou Kiley. Lou was out above the eye with a skate and suffered a big gash on his lower lip. The lip gash was closed with seven stitches. Despite the injuries he played against Sydney Wednesday night.

According to the grapevine the Islanders may be obtaining the services of goal Bob Arnel who played with Glance Bay Miners last year and the early part of this season. Arnel almost came to the Islanders last year in a trade for Bruno Favero but the deal never materialized. Favero by the way has transportation from Barrie to Charlottetown but nothing has been heard from him since he told Murph Chamberlain he was going to re-join the Islanders last week-end.

Orin Carver of Charlottetown has joined the Barrie Flyers and scored a goal and an assist Wednesday night as the Flyers defeated Kitchener 6-3. Barrie are now tied for leadership of the O.H.A. League with Galt. Carver was a standout in the Flyers' training camp before ordered to report to the Halifax Atlantics in Quebec three weeks ago. He appears to be headed for a great season.

Nick Nicolle, the former junior star here and of late years with the Saint John Beavers, is coaching the 1952-53 Beavers until a permanent mastermind is appointed. Nick had a number of players out for the first workout Wednesday evening. Among them was Wally Shephard of Charlottetown. According to reports Nick and Wally looked like the cream of the crop.

The Charlottetown Abbies will turn out at six o'clock this morning in their final practise before taking on the Saint John Mariners tomorrow afternoon at Saint John in the first game of a home and home series for the P. E. I.-N. B. senior football championship. The Abbies will leave the City by car at six o'clock this evening and will bunk in Moncton tonight.

The Abbies have not been defeated this season and they will carry with them a fierce determination to keep their record intact. The local team has played three games and has won two of them by lop-sided scores. Tomorrow they will meet a strong team in the Mariners. Two weeks ago the Mariners defeated the Halifax Wanderers 5-0 in Saint John. The Wanderers, it will be remembered, won the Maritime Senior Championship last year.

The local boys have worked hard to retain the N. B.-P. E. I. championship which they won a year ago. They have been practising since mid-September and for the most two weeks have been holding early morning workouts. They have a good team as they will show against the Saint John Squad and are deserving of every foot-candle of support. Fans will have a chance to show their support of the team a week from tomorrow when the Abbies play the Mariners here. In the meantime they and we can only wish them the best in their game tomorrow.

Glance Bay Makes First Appearance Here Tonight

Hub Macey's Glance Bay Miners, who have been victorious in the last two starts, will make their first appearance of the season here tonight in a regular M. M. H. L. game against the Islanders.

The Baymen defeated the Islanders 5-4 in Glance Bay this week and followed up this win with a 3-0 whitewashing of the Halifax Atlantics last night.

The defeat of the Atlantics was the first of the season for the Halifax team and it puts the Red Raiders from Glance Bay in the role of giant killers. A win tonight would move them in a tie with Sydney Millionaires for second place.

The Islanders, however, have

their own plans for taking over second place. They are now tied with the Millionaires and a win for them would give the local team undisputed possession of runner-up spot.

Murph Chamberlain's men will be playing without the services of Jim MacKenzie. Jim suffered a broken cheek bone in Glance Bay Wednesday night and will probably be out for two weeks.

The Miners will bring with them goalie Don Lockhart who starred for Moncton Hawks last year. They also have a heavy, hard hitting defense. Up front coach Macey and winger Bill McCracken who played with Saint John Beavers last year. Will place the attack for the Miners.

Red Wings Snap Losing Streak, Defeat Bruins 4-1

DETROIT, Oct. 30 (AP)—The Stanley Cup champion Detroit Red Wings snapped a three-game losing streak tonight with a five-goal onslaught of three goals in the final period, whipping Boston Bruins 4-1.

Metro Prystal, Ted Lindsay and Johnny Wilson shattered the Bruins with the final period goals after Red Kelly of Detroit had scored in the second period.

The Bruins took a 1-0 first period lead on Fleming Mackell's goal. In that period the Wings looked like the same club that had staggered to three successive defeats in the east.

Then the 10,222 fans saw Kelly score the tying goal and Kelly that it was all Detroit.

The Bruins were trying to bring out the puck from in front of their net but Kelly skated right in and flicked the puck from the side of defenceman Warren Godfrey's skate for the 10-foot goal.

In the third period of the cleanly-played game — there were only three penalties, all against Boston — Prystal scored at 2:37 from seven feet out. Alex Delvecchio had dug out the puck from behind the net and fed him. Then Gordie Howe unleashed a 50-footer from the boards. Lindsay deflected it in. The Wings made it 4-1 when Wilson fought his way through the defence on a solo dash after taking a pass from Delvecchio.

The Bruins moved ahead at 5:21 of the first period. Godfrey stole the puck at the Wings' blue line and he and Mackell neatly passed the puck back and forth as they slipped through the defence. Mackell fired from eight feet out.

Summary:—

First Period	Second Period	Third Period
1—Boston, Mackell, (Godfrey) 5:21	2—Detroit, Kelly, (Lindsay) 19:57, 2:33	3—Detroit, Prystal, (Delvecchio) 2:37
Penalties: Sanford 2:57; Armstrong 7:03	4—Detroit, Lindsay, (Howe) 12:09	5—Detroit, J. Wilson, (Delvecchio) 14:16

Good Time Sets Yonkers' Record

YONKERS, N. Y., Oct. 30 (AP)—Good Time tonight established a Yonkers Raceway track record of 2:00 4/5 for the mile, pacing against the clock in a time trial in his last appearance before entering stud.

With Frank Ervin in the sulky, the six-year-old bettered his own mark of 2:01 flat for a half-mile track, set at Yonkers this Oct. 17, and equalled Oct. 23.

Good Time, owned by Bill Cane's Good Time Stable, Goshen, N. Y., is the greatest money winning harness horse in the history of the sport, with a total of \$318,792.

Grey Cup Final To Be Televised

WINNIPEG, Oct. 30 (CP)—The Grey Cup final, Canada's greatest sports spectacle, will be televised for the first time this year, it was announced today. The football classic will be played Nov. 29 at Varsity Stadium in Toronto.

The announcement was made by Arthur Chipman, president of the Canadian Rugby Union and confirmed by CBC officials in Toronto.

Details will be given at a press conference tomorrow in Toronto by Harry McBrien, secretary-treasurer of the C.R.U., and Harry E. Foster, who has the broadcast-telecast rights for the game.

The telecast will go out over station CBLT on the CBC's channel 9 and will be viewed only by persons within a range of about 90 miles. The station reaches Cobourg, Buffalo, N. Y., Brantford, Kitchener, Welland, St. Catharines, Niagara Falls, Barrie and Orillia in the various directions.

Immediately Chipman's announcement was made reports circulated that the sponsors would be Imperial Tobacco Company, that the price paid would be nearly \$12,000 and that films of the game would be made and sent to centres outside the station range for later showing in theatres.

At Toronto, the Radio and Television Manufacturers Association said that at the end of September this year sales to persons within the 90-mile range of Toronto totalled approximately 90,000 sets.

"In September alone sales were 20,000," an official of the association reported. "Today's announcement certainly won't hinder sales and if they continue at the September rate there will be about 130,000 sets in the Toronto range by Nov. 29."

Black Hawks Boost Lead With 8-3 Victory Over Last-Place Rangers

CHICAGO, Oct. 30 (AP)—Chicago Black Hawks tonight increased their National Hockey League lead to three points by scoring four goals within the first 10 minutes of the opening period and then coasting to an 8-3 victory over last-place New York Rangers.

The goal total for the Hawks was their largest in Chicago since Jan. 28, 1943 when they defeated Rangers 10-1.

Tonight, rookie Pete Conacher and Jimmy McFadden got two goals apiece as Pete Babando, George Gae connected for one each. The goals by Conacher, 20-year-old son of the former National Hockey League star and ex-Hawk coach Charlie Conacher, were his first in N. H. L. play.

Babando at 26 seconds, McFadden at 6:24 and again at seven minutes even set the Hawks into a 3-0 lead that became 4-0 at 9:23 when Couture connected.

The Rangers broke into the scoring column at 14:10, on Herb Dickenson's goal with Wally Hergeshelmer and Ed Kraftcheck.

The second period was a desultory affair until 19:28 when Gardner rapped one in off Conacher's pass. Then, at 9:58 and again at 11:35 of the third, Con-

acher got his goals. It became 8-3 at 12:10 when Gee scored. Then, with the minutes ticking away in the third period and the issue settled, Nick Mickowski hit for the Rangers at 13:13. Hergeshelmer at 18:17 to bring the final result.

Summary:—

1—Chicago, Babando, (Peters, Gadsby) 10:24	2—(Babando) 6:34
3—Chicago, McFadden, (Peters, Gadsby) 7:06	4—Chicago, Couture, (Gee, Bodnar) 9:23

Montreal Goalie Out Of Action With Injury

MONTREAL, Oct. 30 (CP)—Gerry McNeil, sturdy, little goalie for Montreal Canadiens, will undergo an operation tonight or tomorrow for fracture and displacement of the right cheek-bone.

He will be out of action indefinitely. His place will be taken, at least temporarily, by Jacques Plante, tuque-topped netminder for Montreal Royals of the Quebec Senior League.

McNeil was struck by a puck in last night's National Hockey League game at Toronto, won by the Maple Leafs 7-5.

The accident occurred in the first period when Ted Kennedy of the

Leafs fired a low shot from a scramble of players a few feet outside the goal crease. McNeil dove to block the shot and caught the puck full on the cheek-bone.

After a rest, following preliminary examination, he insisted on returning to the game. He wore a patch across the injury but his face became badly swollen and his right eye practically closed.

He went to hospital on arrival in Montreal this morning and the bone fracture and displacement were disclosed by X-ray plates.

Plante will take over the Montreal nets on a three-game lend-lease basis. He will play against New York Rangers here Saturday and in New York Sunday and against Toronto Leafs here next Thursday.

Veteran Pitcher Signs With Browns

ST. LOUIS, Oct. 30 (AP)—Harry (The Cat) Brecheen, veteran lefthanded pitcher, today signed a contract with St. Louis Browns after being given his unconditional release earlier by the neighboring Cardinals.

Brown officials said Brecheen signed as a pitcher-coach. They would not reveal his salary, but Cardinal president Fred Saigh said "The Browns offered him \$20,000 as a player and \$14,000 the next year on a two-year contract."

Brecheen won seven and lost five for the Cardinals last season.
