BAND at the Rink to-night. A SEALING fleet of 21 steamers left St. John, N. F., on the 17th inst. The Janitor's B. boat at the Rink last night was quite successful. The amount realized was \$25. TWELVE hundred tons of Spring Hill coal are shipped daily over the I. C. R. to the Upper Provinces. I. O. O. F.—Port la Jolie Encampment holds a special session this evening for conferring degrees. The mails crossed to and from Cape Traverse to-day. Mails are due in this city at six o'clock. Go to J. Knight & Son's for Flour, "Kent," "Matchless" and choice superiors, cheap for cash. [ma 26 5m eod] THE Band of the 82nd Battalion will be at the Y. M. C. A. Hall this evening, at 7.45, and will play for fifteen minutes before the lecture begins. IMPORTERS of Canada for the first eight months of the current fiscal year were \$65,988,569 as compared with \$69,742,857 in the same period of last year. THE annual meeting of the Youths' Branch of the Missionary Society, in connection with the Methodist Brick Church, will be held on Monday evening, April 6. REMEMBER the lecture on "Reminiscences of Active Service in the Crimea War" by Sergeant John Allan, in the Y. M. C. A. Hall this evening. Chair to be taken at 8 o'clock. THE Chicago Tribune comforts itself with the reflection that the Republican party 'doesn't own as many offices as it did, but it is on mighty good terms with the whirligig of time. A TIGHT STORY.—The following rather incredible story is going the rounds of the Provincial press: A traveller while sleeping in bed at a leading hotel at Port Mulgrave, N. S., a few nights since had both ears badly frozen. AT the Stipendiary Magistrate's Court this forenoon, one drunk was fined \$1 and another \$10. Terrence McEntee and Daniel Carroll, arraigned on a charge of larceny, were each sentenced to two months' imprisonment with hard labor. W. & A. BROWN & Co. will continue their great cheap sale for three weeks more. As this is positively the last chance, persons in search of bargains are invited to call and inspect goods and prices. Look out for advertisement to-morrow. THE question of growing tobacco in Ireland is again being agitated. It is recalled that in times past tobacco used to be grown, not only in Wexford, where the marshy soil is favorable to its cultivation, but also all through the South West, and even in Ulster. JERSEY CATTLE.—\$1,150 was paid a few days since to Mr. Townsend, of New Glasgow, N. S., for a Jersey cow by J. S. Hart, of Whyocombah, C. B., and now it is said that Mr. Townsend, of Brookside Farm, New Glasgow, N. S., has refused an offer of \$2,200 for one of his favorite Jersey cows. We notice by the Toronto Globe of 14th, that Mr. J. A. Gourlie, of Summerside, who has just completed his second term at the Ontario Veterinary College, read a paper before that institution, recently, on "Venereal Hernia." The Journal says Mr. Gourlie's friends will be pleased to learn that he will be home in a few days. WESTERN rivers are fast passing out of use as highways for transportation. Railroads have taken the business from them. Thirty years ago, St. Louis had sixty large steamers in the Mississippi and Pittsburg trade, and almost as many between that point and New Orleans. Now St. Louis has not a single "packet," and the total arrivals at the levees are not over forty a week. NOVA SCOTIA KILLED.—Rev. George Murray, New Glasgow, received a telegram from Leadville, Colorado, stating that his cousin, James Murray, of Big Meadows, had been injured by an explosion in the mine he was working in, from the effect of which he had died on the 22nd. The deceased was single, and was thirty-two years of age. He had been in Colorado a number of years, but intended coming home to work on his father's farm this spring. A VISIT to the Lunatic Asylum and Stock Farm, was paid this forenoon by a large number of the members of the Legislature. The pleasant weather made the drive particularly enjoyable. The management of the asylum afforded general satisfaction, and the patients appeared to be attended with every comfort their unfortunate position requires. The stock on the farm looked remarkably well, and great improvement can be seen in the quality of the animals kept there, especially in the young heifers. We were particularly struck with the fine appearance of some Shorthorn and Ayrshire yearling heifers, five of which, by a competent judge, were valued at \$100 a piece. The improvement in the sheep was very noticeable, and shows the advantage of having suitable buildings for the accommodation of these animals. The people of Kensington are just now considering the feasibility of building an English and a Presbyterian Church in their thriving little town. The English Church building at present in use is totally unfit and inadequate for the purpose; and the Presbyterians, Methodists, &c., use the public hall as a place of worship on Sundays. The site of the present English Church is an excellent one, overlooking the town, and commanding a fine view. We believe the Presbyterians have not yet finally decided upon a site. We hope next summer to see the sites of two churches, at least, rise over Kensington. If for no other reason than the great improvement it would make in the appearance of the town, the success of the proposed buildings should be, and we think is, a matter of interest to all Kensingtonians.—Journal.

THE NORTHWEST REBELLION.

EXAGGERATED REPORTS. OTTAWA, March 25. Advice from the Northwest show the telegrams from Chicago and Winnipeg to have been much exaggerated. There is no late news from Fort Carleton. There are all kinds of rumors about. Reliable reports state Riel's followers only number 400.
