Herb Elliott Says Speed Limit For Mile Run 3.45

LONDON (AP) — Herb Elliott, the world's fastest mile runner, Saturday listed a time of 3:45 as the probable limit of human speed for the mile. But he added:

"No man must set a limit on his capabilities. Nobody must be limited by what's around him."

Elliott, a sun-tanned, 20-year-old Australian, ran an incredible 3:54.5 mile in Dublin 11 days ago. Four runners surpassed the accepted world record of 3:58 and five shattered the once-formidable four-minute barrier in that race.

Elliott once was described by a rival as an "animal" who followed strange training routines, didn't talk to anyone and didn't know or care who he was racing

Relaxing in his hotel here, he displayed considerable interest in runners and running. Then he voiced a philosophy which stands for him in sport and life in general:

Make the sky your limit.

"I remember a young runner in Australia once saying: 'If I'm half as good as John Landy (the official world record holder' at 3:58), then I'll be satisfied,'" Elliott said.

"That limited the boy straightaway. My advice to youngsters is not to set a mark. It's a man's world. Make yourself the best with the sky the limit.

"I used to say 3:50 was the ultimate in the mile. Now—well, probably 3:45."

September Date Set For Island Intermediates

Final playoffs between intermediate "B" teams in Kings and Prince Counties must be completed by September 7, it was announced by Brigadier W. W. Reid President of the Amateur Athletic Union of Canada, last night.

The winning team will then meet Parkdale Arrows for the Island crown to determine a winner to enter the Maritime playoffs.

The early date has been set in order that the Island will be represented in the Maritime playdowns.

Marlene Mason went the distance for Saint John allowing the home team but two hits. She walked three and fanned nine.

Pat Breen on the mound for Summerside gave up only five hits, but miscues afield led to her downfall. She walked but two and struck out eight.

Patterson Vs. Harris For Title

By BOB MYERS

LOS ANGELES (AP) — World heavyweight champion Floyd Patterson of New York puts his title in the line for the third time Minday night. He is a solid favorite to keep it, in 15 rounds or less, against Roy Harris of Cut and Shoot, Tex.

This is Los Angeles' first heavyweight title show in nearly 20 years. In April, 1939, Joe Louis disposed of Jack Roper in two minutes 20 seconds of the first round.

The battle pit is the same, Wrigley Field, and just as then, fight fans will flock into the place aware that their stay may be short.

SOFTBALL PRACTICE

Three softball practices are scheduled tonight. Barry's Lions will hold a workout at Queen Charlotte High School diamond while B.I.S. Shamrocks and Rollaway Aces are scheduled for the Old Diamond. All practices start at 6 p.m.

SPORTS FRONT

By PIUS CALLAGHAN

Remember Pete Reiser?

He was the Brooklyn Dodger star that injury plagued right from the time he donned a uniform. He is the fellow that knowing students of the game believe was destined at one time to be the greatest ball player that ever lived.

Well, what happened?

Nobody ever seemed to design a ball park that was big enough for the flying Reiser. He kept fighting concrete walls and game as Pete was the concrete always came out on top. Breaking bones became common place to Reiser and torn ligaments and muscles were just as popular.

Reiser now is manager of the Dodgers' Green Bay farm team that is battling away for supremacy in the Three I league. But even as a bench type manager Pete has managed to come up with injuries. In a squad game he was able to collect a few broken ribs attempting to block a runner at the plate.

Reiser is high on a fellow called Frank Howard who patrols right field for him. Howard is a bit of a giant weighing 235 pounds and being 6 feet, seven inches tall. He is $100,000 Dodger bonus baby.

Reiser says to keep your eye on him.

* * * *

Stan Musial, one of the greatest ball players of all time, once again is in the battle for the National League batting championship. Right now Musial is having a bit of a slump but you need not worry about his staying in it for very long. He will roar back soon with a vengeance.

Recently they got around to asking Stan what he does that makes him such a great hitter. As you would expect a guy like Musial to be, he was downright honest.

Say Stan: "They ask me what I do when I hit. I can't explain it. All I can say is when you're up there at the plate and feeling loose and not too eager the odds are going with you to hit. When you get eager, the slumps come. You tie up and start going for bad balls."

* * * *

Dodger catchers certainly have had no easy time of it since the forced departure of Roy Campanella. The big good-natured Campy was a tower of strength to the Dodgers and his accident left the Los Angeles team without a really experienced receiver. It was a tough for young fellows, following a guy like Campanella.

We have read much copy that has tried to explain the Dodgers' poor showing in their new surroundings and a lot of that copy has suggested that the loss of Campy was the big factor. Perhaps it was but the boys Alston has giving the signals to his pitchers are not exactly a bunch of dimwits.

If anyone should know about a catcher, it's an umpire that calls the balls and strikes behind him. Augie Donatelli is one of them and he has a few words to say about one of the Dodgers' receivers.

"That kid, John Roseboro of the Dodgers, is a good catcher now and he could be great. It's hard to believe he's caught less than 100 games in the majors. As the Dodgers' No. 1 catcher, Johnny will gain a lot of confidence. Last year he broke in in the shadow of Campanella, and that's not easy for a kid."

Well, the Old Home Week racing program for 1958 is now history and it certainly was an outstanding success.

Not one single dash of the 11-card program had to be cancelled. That's a record we bet that no track could equal.

Several times it looked as though rain was all set to upset matters, but it most obligingly held off tell Sunday morning and then it really let loose. During the week, Halifax and Truro races were washed out, H-D ball games gave way to the weather, but Charlottetown Driving Park escaped it all.

It was a week that race fans will long remember and anyone who didn't get his fill of the ponies last week is mighty hard to satisfy.

We witnessed some truly great racing, with photo finishes common place all week long. The usual number of upsets occurred and that certainly delighted pare-mutuel bettors who had selected lightly regarded horses.

One man who did a terrific job and had no moments to spare was Frank "Duck" Acorn who performed the duties of race secretary, classifier and announcer. "Duck" handled all three tasks most efficiently and is certainly deserving of congratulations.

Good show, 'Duck'.

City Softball League semi-finals will open at Memorial Field, tomorrow, Tuesday evening at 5.45 with Barry's Lions playing host to Rollaway Aces Wednesday, Junior Basilica Youth will entertain B.I.S. Shamrocks Thursday the Aces and Lions will clash again, and Friday the Irish will again take on the Juniors. Saturday may see all four teams in action in an afternoon doubleheader.

It should prove a most interesting week for softball players and fans alike.

Kentville 'Cats Take Big Lead

HALIFAX (CP) — Kentville Wildcats took a two-game lead in their best-of-nine Halifax and District Baseball League semi-final against the Albions at Stellarton with a 9-8 win Saturday night.

The defending champions pushed a run across in the seventh inning to take the win. The game was cut to seven innings because of darkness.

In Dartmouth the Arrows staged an uphill 12-inning battle to edge Truro Bearcats 4-3 in the first game of their semi-final round.

Truro pitcher Johnny Graham walked home the winning run in the 12th. He had come on in the inning to relieve Brad Leach and faced only one man. Leach took over from Truro starter Ed Willey in the eighth.

Two errors at the bottom of the ninth helped the Arrows tie the game at 3-3 and forced extra innings. Lefty Harry Stowe went all the way for Dartmouth.

In Stellarton, Kentville playing coach Buzz Bowers put himself on the mound in the sixth and it was enough to give him credit for the win. Bob George started for Kentville and Jack McCracken took over in the second.

There was only one home run, a blast from Norm Gignon of Kentville in the first with two on.

Billy Harris Hurls Two-Hitter As Royals Shutout Columbus

By THE CANADIAN PJESS

Billy Harris pitched his second shutout in six nights and won his 11th International League game —a near perfect two-hitter — as Montreal beat Columbus Saturday night for the second straight time by the same score 5-0.

Harris faced only 29 batters, giving up singles to Spook Jacobs in the first and Jim Pendleton in the fourth, after which he retired the last 17 Jets.

Harris and Columbus starter Bennie Daniels duelled until the Montreal fifth, when, with two out, Bobby Dolan and Harris stroked consecutive hits for two Royal runs.

LEAFS LOSE

In other action Saturday, Jerry Thomas drove over five runs with a homer, two doubles and a single to lead Richmond Virginians to a 9-5 win over Toronto Maple Leafs.

Havana and Rochester battled to an 8-8 tie in a game that lasted three hours and 54 minutes and was suspended because of the league's curfew.

No arrangements have been made to finish out the game since the Red Wings were to wind up the year's play in Havana Sunday with a doubleheader.

The Buffalo Bisons posted a 43 win over Miami Marlins in a third inning surge good for four scores.

Big blows were a two-run homer by catcher Ray Noble and a run-scoring double by Lou Ortiz.

CH'TOWN NINE LEADS SERIES

Jack Kane's Homer Boosts Legion Over Pontiacs, 8-7

SUMMERSIDE — Jack Kane's home run to deep centre field in the eleventh inning proved the winning tally at Queen Elizabeth Park in Summerside Saturday afternoon as the Charlottetown Junior Legionnaires defeated the Summerside MacLellan Pontiacs by the score of, 8-7.

The win gave the Legion the first game in a best-of-seven series for the Island junior baseball championship.

At the end of the fifth inning the Summerside club was leading, 7-0, having cracked out ten hits, including two doubles, three triples, and a home run off Charlottetown's lefty George Dunn. That was all the safe bingles Summerside got. Harry MacGuigan held them hitless for one inning and Roger MacLeod gave them no safe blows in the remaining five frames.

Garth Harris had given up only two hits and no runs in the first five innings, but the visitors nicked him for one hit and two runs in the sixth. John Bethel relieved Harris in the seventh and Charlottetown scored three more runs off him in the eighth. With Harris back on the mound Brian Lewis' boys got the two required in the ninth to tie up the game and send it into extra innings.

Little Roger Gallant led the visiting attack with three singles in five trips. Jimmy Clark, Wayne MacDonald, Donnie LeClair, Dunn, and Fred Burke all hit singles Roger MacLeod got a three-bagger.

For the losers Eddie Boates hit two triples in six tries, Garth Harris a triple and single in five attempts, Fidele DesRoches and Greg Deigh, each hit a double. Lorne DesRoches and Don Gillis got a single apiece, and Dean Couse hit a home run with the bases empty.

Twice Jack Kane went deep into the hole at short, making brilliant stops and throws, getting his man once and failing by a very close margin on the other try.

Elmer Phillips officiated behind the plate, and Frank Steele was on the bases.

Sox Humble Sliding Yanks; S.F. Outslugs Cubs, 8-6

By THE CANADIAN PRESS

Boston made it three victories in a row over New York Sunday by edging the mighty Yankees 6-5. The Red Sox, who took three of the four games in the series, are third in the American League, 13½ games behind New York.

Twelve and a half games back of the Yankees are Chicago White Sox, who nosed out Cleveland 3-2 behind southpaw Billy Pierce. The victory was the fifth straight for the Sox and their 18th in the last 24 games. The Yankees have lost eight of their last .

Kansas City beat Detroit Tigers 4-1 and Baltimore downed Washington 2-1 to complete the Sunday schedule in the American circuit.

San Francisco moved back up into second place in the National League by winning a home-run slugging bee over Chicago Cubs, 8-6. Pittsburgh slipped behind the Giants by dropping two games to lowly Cincinnati, 4 - 3 and 7 - 5. Meanwhile, league - leading Milwaukee trimmed Philadelphia twice, 5 - 1 and 4 - 1, and Los Angeles and St. Louis split, the Cardinals winning the first 12-7 and the Dodgers the second, 9-3.

Ike Delock, with assistance from Leo Kiely, registered his 11th triumph for Boston this year against three defeats. He held the Yankees in check for seven innings, giving up only solo homers to pinchhitter Don Larsen and Andy Carey. But in the eighth Mickey Mantle unloaded a 400-foot home run with two aboard to bring the dangerous Yankees within one run of a tie. Kiely came in to get the last man out when the Yankees threated again in the ninth.

Ted Williams, aging but dangerous as ever, rapped four hits to boost his average to .316. Jackie Jensen drove in two runs, hiking his total to 104.

Catcher Earl Battey's home run in the eighth carried the White Sox to victory, as Pierce collected his 13th win against eight losses. Rocky Colavito's 27th homer with a man aboard cashed all the Cleveland runs.

Chicago's Nellie Fox played his 477th consecutive major league game, tying the major league endurance record for second baseman set by Eddie Collins from 1914 to 1918.

Kansas City swept its three - game series with Detroit. Hector Lopez and Harry Chiti hit seventh-inning homers to beat Paul Foytack and spell victory for Bob Grim, who had a four-hitter.

Pitcher Connie Johnson batted in the winning run for Baltimore. The only run Johnson yielded to Washington was Jim Lemon's 26th homer.
