MAKE MUSCLE!

Every Man and Woman Can Enjoy Health and Strength

If They Will Use Dodd's Dyspepsia Tablets to Change Their Food into Rich Blood to Make Muscle, Bone and Sinew.

Why are the men of today weaker, less vigorous, more puny, than those of a century ago?

Because we live a more rapid life. Because we keep late hours, bolt our food, ruin our digestive systems, in a word, because we burn the candle of life at both ends and make no provision to replace it.

That is why men are weaker; women have to bear the daily burden of pain, and why men and women are short lived.

What can we do in this case? We can remedy the evil; we can become strong, robust and healthy, active, vigorous and clear-brained, enjoying long life and all its pleasures by making up for the waste that always attends the wear and tear of daily life.

How can we do this? By making new blood, rich, health-giving blood; by making new muscles, bone and sinew, that will take the place of those worn out daily and hourly.

This can be done in one way—one way only. That way is by ensuring perfect digestion. If our food is perfectly digested it forms rich, healthy blood.

Rich, pure, healthy blood forms bone, muscle, sinew and nerve.

These are necessary to good health, strength and vigor.

If you use Dodd's Dyspepsia Tablets—one after each meal—"every bite" of food you eat will be promptly and thoroughly digested.

It makes no difference whether your stomach is out of order or not, Dodd's Dyspepsia Tablets will digest the food themselves.

Then a full supply of rich, strong blood is ensured. That means health, strength, vigor and the power to enjoy life and opportunities.

His Trade.
The Policeman—What's your trade?
The Suspect—An iron worker.
"Is that so? I'll see what you know about it. I used to be in the trade myself."
"I—I mean in a laundry."—Indianapolis Journal.

THE SECRET OF BEAUTY

"The most helpful and agreeable bath is that of tepid water," writes Ruth Ashmore in The Ladies' Home Journal. "Few people can stand absolutely cold baths, and no matter how strong one may be, such a bath should not be indulged in unless a thorough rubbing be taken afterward. To speak plainly, it must be remembered that while a cold bath may be more or less invigorating it is not cleansing. I can easily understand the desire of every woman to have a clear, beautiful skin, but I confess to being provoked when I think of the amount of money spent on lotions, creams and powders to be applied externally and which have nothing like as good an effect upon the skin as a tepid bath with good soap taken at least once a week.

The condition of the skin depends almost entirely upon the care given to the general health. The girl who is up late at night, gives no care to her diet, indulges in various stimulants, bathes but seldom and exercises less is certain to have either a dull, muddy looking skin or one covered with disagreeable looking black and red spots. One should avoid many sweets and much pastry and not allow herself to become a slave either to tea or coffee any more than she would to some vicious drug or strong stimulant. She should also remember that unless she is in good condition internally she will be anything but a pleasant object to look upon externally."

Smokeless Powder.

It is a curious fact that with all of the improvements and modifications so notable in our navy we are still using the old fashioned smoky, smelly powder that envelops everything in a gray pall, obscures the view and confuses the gunners. Only one of our ships has been using cordite, the wonderful smokeless powder which the English navy has adopted. The results with this ship, the New Orleans, were truly amazing. The rapidity, accuracy and precision of her fire were the admiration of all observers. Smokeless powder has several advantages. There is no obscuring of the view, the explosion producing the merest haze, which lasts but an instant. It leaves but little residuum in the gun, has much more power and is every way more desirable. Higher muzzle velocity is obtained with a projectile, as the powder burns much more slowly than the ordinary sort, and, therefore, generates more gas as the ball travels up to the mouth of the gun. The demand for smokeless powder seems to be one of the imperatives of the immediate future.—New York Ledger.

Not Much of a Relief.

Crusty Old Uncle—Well, William, I've decided that you needn't pay back the \$50 you got from me last summer. I'm going to make you a present of it.

Reckless Nephew—Thanks!
Crusty Old Uncle—Well, that's not a very enthusiastic way you have of acknowledging my generosity. I thought you'd be overjoyed at getting this debt off your mind.

Reckless Nephew—Oh, it hasn't been bothering me! I had no intention of paying you anyway.—Cleveland Leader.

Even Up.

While some Swiss militiamen were resting from their drill one of the men stepped from the ranks to light his cigar from that of the officer. The latter took this evidence of the "spirit of freedom" in good part, but said, "In the Prussian army you could not have done this, John."

"Right you are," was the prompt reply, "but in the Prussian army you could not be an officer."

Red Pipestone Quarry.

Every one familiar with Longfellow's "Hiawatha" remembers the references to the famous red pipestone quarry, which is situated at the extreme eastern boundary of South Dakota. This is the only quarry of the kind known to exist on the American continent.

SURGEONS' KNIVES

When Used in Commissioner Worden's Critical Case

But Like the Doctors, They Failed to Help Him—How Dodd's Kidney Pills Effected His Cure—The Marvel of the Year.

WICKHAM, QUEEN'S CO., N. B., Sept 30—Some time ago, when our esteemed Civil Court Commissioner, Geo. J. Worden, Esq., made over his own signature, a public statement to the effect that he had been completely cured of serious and painful Kidney Disease of twenty-five years' standing by Dodd's Kidney Pills, there were a few sceptical persons who declared that the cure was not permanent, and that Mr. Worden would soon be as ill as ever. It is not astonishing that these persons were sceptical regarding Mr. Worden's cure. It was so startling, it seemed so impossible, that people naturally doubted.

It will be remembered that Mr. Worden underwent several surgical operations, and was specially treated by several doctors for his complaint, but that they all failed to either cure or relieve his sufferings. He had, according to his own statement, given up hope of recovery.

Reading the newspaper one day he was struck by the similarity of the symptoms of a severe case of Kidney Disease that had been cured by Dodd's Kidney Pills, and those of his own case.

He determined to try what Dodd's Kidney Pills would do for him.

Briefly told, the result was a complete and thorough cure. Although Mr. Worden was then 76 years old, the medicine, he says, "made a new man—a young man" of him.

He is to day as free from Kidney Disease as he was on the day he ceased using Dodd's Kidney Pills.

And yet he had thought he could never get better!

Those who doubted the marvellous efficacy of Dodd's Kidney Pills are now among their strongest endorsers in this district.

We presume everyone would like to know where they can get the best value for their money. Call to the new blue store, Sunnyside.—W. P. Colwill

After coughs and colds the germs of consumption often gain a foothold.

Scott's Emulsion of Cod-liver Oil with Hypophosphites will not cure every case; but, if taken in time, it will cure many.

Even when the disease is farther advanced, some remarkable cures are effected. In the most advanced stages it prolongs life, and makes the days far more comfortable. Everyone suffering from consumption needs this food tonic.

50c. and \$1.00, all druggists.
