

### Tignish And Vicinity

Mr. and Mrs. Peter J. Burke, Tignish have gone to Summerside and are visiting Mr. and Mrs. John Cameron, later they will go to Charlottetown, and spend a few days with Reverend Sister Mary Leonard and Constable and Mrs. Donald Davies.

The funeral of Mrs. E. Bernard took place from her home in Nail Pond to the Church of St. Simon and St. Jude, Tignish, on the morning of November 21 and was largely attended. A Requiem High Mass was sung by her parish priest Reverend J. A. MacDonald, assisted by the parish choir. Funeral services were also conducted by Father MacDonald and services at the grave by Reverend L. B. Dooley. The pallbearers were six nephews, The Messrs Earl Gallant, Emmet Gallant, Ray Handrahan, Leo Gallant, Michael C. Bernard, and James F. Gallant. Mrs. Bernard was eighty-six years old and was

before her marriage, Margaret Handrahan of Christopher's Cross. She is survived by a son Joseph of Nail Pond and a daughter Miss Jane Bernard, who has resided with her mother and two sisters, Mrs. John Gallant of Palmer Road and Mrs. Thomas Gallant, Norwood. Mrs. Bernard's husband, predeceased her a number of years ago and a son Peter just four months ago.

Mr. and Mrs. John F. Arsenault have closed their home in St. Felix and gone to Charlottetown for the winter months.

The North Cape light house has been moved back from the Cape about four hundred feet a cement foundation was laid and then the difficult task of moving the building began but with the proper equipment and skilled workmen the job was accomplished. The heavy tides resulting from storms wore the Cape away and the light house was dangerously near the edge of the Cape. Mr. Percy Morrissey is the keeper of the light and during the past summer a new cottage, modern in design with running

water and coal burning furnace was erected to take the place of the one which had been built years ago and which had become greatly battered from the winds and storms.

The new C. N. R. station at Tignish is nearing completion. This station is being built to replace the one burned down about one year ago, but will have no quarters for the station agent to reside in. When finished it will have a waiting room, office combined baggage and express room and two rest rooms with running water. It is also being wired for electricity. M. F. Schurman and Co. Summerside have the building contract and Mr. Hubert Gaudet, Tignish is foreman of the job, with all local help engaged in the work.

Widespread alarm was caused on Sunday evening Dec. 3rd when it was learned the Leonard LeClair six-year old son of Mr. and Mrs. Melvin LeClair, Nail Pond was missing from his home. The little fellow was visiting at the home of his grandparents Mr. and Mrs. Timothy LeClair who live directly across the road from the parents home, when Leonard's mother called the children to supper and he did not appear, she sent for him to come home, and was surprised to learn he had left an hour previous for home. Mrs. LeClair became alarmed when it was learned no one in the neighborhood had seen him, and a searching party started out at six o'clock with flashlights and lanterns. The residents of Nail Pond, both men and women as well as a great number of persons from surrounding districts joined in the search and later in the evening they were joined by two members of the Royal Canadian Mounted Police from the detachment. The whole district, and all along the shoreline was covered and finally at mid-night the child was discovered asleep in a far corner of his grandfather's barn, hidden from view by farm machinery. Although quite cold when found the little lad was none the worse for his experience and was carried home to his mother and five little brothers and sisters who were also beside themselves with grief over his disappearance. The child's father is at present in Nova Scotia, having

### O'Leary and Vicinity

Miss Blanche Mathews of O'Leary is teaching at Millburn School due to the illness of the teacher Miss Marjorie Ellis of O'Leary. After the Christmas holidays Miss Mathews will be teaching in the Hebron School as the present teacher Miss Adele MacAusland will be entering Prince County Hospital in Summerside as a student nurse. Miss MacAusland's home is in Bloomfield.

Despite very inclement weather the Canadian Girls in Training of the O'Leary United Church held a very successful Christmas Tea and Bazaar on Wednesday afternoon Dec. 13th in the Sunday School room of the church. The room was nicely decorated with spruce boughs and Christmas ornaments and with a gaily decorated Christmas tree. The many lovely and serviceable articles on display

soon found ready purchasers and the girls dressed in their trim C. G. I. T. uniforms of middie and skirts, served a most delicious lunch. The girls were accompanied by their leaders Mrs. W. G. Dickson and Mrs. Herbert Vatcher.

The four rooms of the O'Leary School are busy practicing for the Christmas concert which they will present on Friday night Dec. 22nd in the new O'Leary Legion Home.

The Ladies Aid of O'Leary United Church held their annual meeting on Wednesday night Dec. 13th at the home of Mrs. Lewis Bernard. The President Mrs. E. W. Turner presided and conducted the worship service. The Scripture was read by Mrs. J. M. MacWilliam. Miss Eva J. MacLennan read a fine paper on Christmas. The election of officers followed and the officers were all re-elected as follows: president: Mrs. E. W. Turner; vice-president: Mrs. Herbert Vatcher; secretary-treasurer: Mrs. John Matthews. Delicious refreshments were served.

Mr. Arnold Culleton of West Devon who was seriously injured several weeks ago on his farm near West Devon when he was pierced by a pitch fork and for several weeks was on the danger list at the Prince County Hospital in Summerside has now improved sufficiently so that he is able to be moved to the home of his sister Mrs. Bill Ellis and Mr. Ellis in O'Leary. His many friends wish him continued improvement and a complete recovery.

Mr. Peter N. Pate of O'Leary spoke to the members of the O'Leary United Church Young People's Union recently on civilian defence. The minister, Rev. W. G. Dickson presided and welcomed the visiting speaker and conducted preliminary worship. Mr. Pate who was in the Mexican campaign and is a veteran of both World Wars gave a very interesting and detailed account of Civilian Defence and what part P. E. I. will play as a reception center for evacuees from the two target areas of the Maritimes, Sydney and Halifax.

Mr. Pate said that he has been conducting a survey of the Island and every doctor, every nurse, every drug store, every piece of fire fighting equipment, every Hall, etc., has been enumerated. He stated with Canadian naval army and air force in action in Korea and with thousands of United Nations forces dying in this epic struggle for existence, we are already at war, and if this is not war, he did not know what war was. He warned of the danger of fifth columnists and spies in Canada and said that a Russian jet could leave Siberia at 5 p. m. just as we are having supper and five hours later be able to bomb Halifax or Sydney. On 24 hour notice P. E. I. could accommodate at least 24,000 evacuees and could care for a maximum of about 80,000. He spoke of the co-operation of all groups, the C. N. R., the I. M. T., the C. W. L., the W. I., and all Church groups. It was a struggle between Christianity and Communism. It was a struggle to see if the white or the colored races should rule the world.

Many years ago Napoleon said regarding China: "There lies a sleeping giant; let him lie, for when he awakes he will shake the world." We are seeing that China is awake and her great potentialities are now seen in Korea. After his informative and enlightening address Mr. Pate answered very frankly questions from the Young People. He said he had contacted every community in which there is a branch of the Legion and he had spoken in nearly all the communities of the Island. The organist was Mrs. Lewis Bernard.
